Proposed Projects Public Comment

To provide a comment on a development proposal, please fill out the form below. If you would like additional information, please visit our [active projects page](#) or email planninginfo@wellingtonfl.gov. All comments become part of the Public Record and will be part of the project file for the respective project/development proposal. If you wish for the comments to be heard or read at a public hearing, attendance at a hearing is required and a public comment card must be filled out. If the comment is received by 5PM the day prior to a hearing, it will be provided to the respective hearing body.

Comment (Limited to 1,000 characters)	There's no need for a private invitation only tennis center or sports complex. Especially adjacent to the bridle path. The sound of people playing tennis will definitely spook horses. Also, too much traffic this is not necessary. What ridiculous idea.

Comment (Limited to 1,000 characters)	I have noise concerns from the current site plan. All of the outdoor courts appear to be right along Ousley, which would place them directly across the street from active horse trails and farms. I would prefer all the outdoor courts and noise be directed to the WEST side of this parcel that abuts existing fields and sport courts. This move/adjustment would greatly reduce the noise impact. They are advertising to be open until 10PM...paddle & tennis until 10PM will disturb all of us who live nearby. Please reconsider your plan, or at least move your

outdoor courts to the WEST and away from any farms. Thank you.

Subject: R & B sports comment before tonights meeting
Date: Wednesday, June 17, 2026 2:05:07 PM

This Message originated outside your organization.

I hope I have the proper email to comment on this project as I am unavailable to make it to tonight meeting.

I am oppose to this project for a few reasons.

We already have a tennis center in Wellington.

We also have a new sports academy.

It would be nice not to build on every piece if green space available.

I think traffic getting to the horse show and leaving during season is already bad and adding a private club in that area will make a bad situation worse.

There is a bridle path across the street on Ousley and tennis is sure to be a spooking hazard for these million dollar athletes.

I don't see how another private sports facility supports the needs of the residents.
