Addendum Date: March 25, 2019

ADDENDUM NO. TWO

PURPOSE: The purpose of this Addendum/NOTICE is to make changes, additions, deletions, revisions, and clarifications to the (ITB) Invitation to Bid documents for the Essex Park Observation Platform Project. Bidder shall review the Addendum/NOTICE work and requirements in detail and incorporate any effects the Addendum/NOTICE may have in their proposal price.

1. **Question:** Sheet C-3 shows a sidewalk 26' long. Sheet C-4 does not show it, which is correct?

Response: The 26' long sidewalk shown on C-3 is correct and needs to be installed. In addition, a sidewalk and street crossing are shown on C-4 but not on C-3. This street crossing needs to be installed.

2. **Question:** The proposal form #3 calls for 4" thickness. Sheet S-3 shows 6" RC slab. Note #7 calls for 6 x 6 W2-9 WWM. Section 2 of S2A call for #3 @ 12" O.C. Please, does the sidewalk receive reinforcing? Please clarify.

Response: For the proposal, the bid form has been updated to include separate line items for the sidewalk and the 6" concrete pads (picnic area, water fountain, and trash cans).

Note 7 has been adjusted to read: 6" SOG shall be reinforced as indicated on detail 2/S3.

Sidewalk does not receive rebar or mesh. Construction joints shall be provided per detail on C-5, Detail 2.

3. **Question:** Sheet C-4 shows signage, crosswalk, etc. 5' High Fence, where is this cost placed on the bid form?

Response: Attached to Addendum Two is the revised Schedule of Values. The Schedule of Values have been updated to include the following:

- **Replace item 4" Concrete Sidewalk and Pad and Installation with these two items:**

- 4" Concrete Sidewalk Installation, quantity 593 SF
- 6" Concrete Pad Installation, quantity 457 SF

- **The following items have also been added:**

- Add bid item ADA Detectable Warning Mat, quantity 2 EA
- Add bid item Thermoplastic Street Markings, quantity 1 LS
- Add bid item Standard Street Sign with Post, quantity 2 EA
- Add bid item Fence and 2 Gates, quantity 96 LF

4. In additional to the responses to the bidder's question noted above, the following items have been added via this Addendum:

- Correction to drawing C-4. The proposed chain link fence should end with last post adjacent to the end of the proposed retaining wall. The current drawing shows the chain link fence extending in front of the retaining which is not needed as the retaining wall will have the decorative railing mounted on it.
- Per Village of Wellington request, additional details have been provided in attached revision for Precast Concrete Piles.

ACKNOWLEDGEMENT: Bidder must acknowledge receipt of any and all Addenda in the space provided on the Bidder Submittal Form. Failure to do so may result in rejection of the Proposal. All requirements of the proposal documents remain unchanged except as cited herein.

REQUEST FOR PROOF OF WORKERS COMPENSATION INSURANCE OR EXEMPTION

Dear Provider of Services or Goods:

In order to provide services or goods to Wellington, we require that you provide us either proof of workers compensation coverage or proof of exemption.

Employers conducting work in the State of Florida are required to provide workers' compensation insurance for their employees. Specific employer coverage requirements are based on the type of industry, number of employees and entity organization. To determine coverage requirements for a specific employer, the following information is provided by the Bureau of Compliance.

Construction Industry - One (1) or more employees, including the owner of the business who are corporate officers or Limited Liability Company (LLC) members. For a list of the trades considered to be in the construction industry see 69L-6.021 Florida Administrative Code.

Non-Construction Industry - Four (4) or more employees, including business owners who are corporate officers or Limited Liability Company (LLC) members.

Please note: Non-construction industry Sole Proprietors or partners in a Partnership are not employees unless they want to be included on the business' Workers' Compensation Insurance policy and file a form DWC 251 with the Division of Workers' Compensation.

Agricultural Industry - Six (6) regular employees and/or twelve (12) seasonal workers who work more than 30 days during a season but no more than a total of 45 days in a calendar year.

Out of State Employers must notify their insurance carrier that they are working in Florida. If there is no insurance, the out of state employer is required to obtain a Florida Workers' Compensation Insurance policy with a Florida approved insurance carrier which meets the requirements of Florida law and the Florida Insurance Code. This means that "Florida" must be specifically listed in Section 3A of the policy (on the Information Page).

An Extraterritorial Reciprocity clause in the home state's statute allows some out of state Employers to work in Florida temporarily using their home state's Workers' Compensation insurance policy.

Contractors are required to make certain that all sub-contractors have the required Workers' Compensation Insurance **before** they begin work on a project. To see the documentation that is required from a sub-contractor, see 69L-6.032 Florida Administrative Code.

If the sub-contractor does not have Workers' Compensation Insurance for its employees, those workers become the employees of the contractor. If an injury occurs, the contractor is responsible for paying the benefits for the work related injury, illness or fatality.

If you meet the above criteria to be exempt, you **MUST** provide us with one of the following:

- If your business is a sole proprietorship or unincorporated business: provide us a Verification of Automatic Exempt Certificate. This verification is a letter that is issued by the State of Florida Department of Financial Services. To receive a letter from the State, complete the following directions: 1) Call the National Council of Compensation Insurance 1-800-622-4123, Option 5, and ask them for the class code for your type of business. 2) Once you have received this code, call the Department of Financial Services at 1-850-413-1601 and provide them your business name, class code, mailing address, and contact phone number. They will send you the Verification of Automatic Exempt Certificate. 3) Provide us a copy of the Verification of Automatic Exempt Certificate.
- If your business is a corporation (including a professional association or limited liability company), and you are not required to have workers compensation insurance as per the requirements as outlined above, you must provide the Village with a copy of your Florida Division of Workers' Compensation Certificate of Election to be Exempt.

If you are an employer that meets the requirements of workers compensation and needs to obtain coverage, contact your current business insurance agent, or you may use the following resources to locate an agent: www.faja.com, www.piafl.org/wc-info.pdf, or call (850) 893-8245.

Please be reminded that the furnishing of this information to Wellington is a non-negotiable requirement to perform services for us. Failure to provide this timely may result in either termination of your services or delay of payment for services. Your workers compensation Certificate of Coverage, of Workers' Compensation Certificate of Election to be Exempt, or Verification of Automatic Exempt Certificate must be delivered or mailed to the Purchasing Department located at 12300 Forest Hill Boulevard, Wellington, Florida, 33414.
