Re: Wellington Tennis Center – Plat Review
Engenuity Group Project No. 99090.52 work order 39

Dear Bill:

This is the second review of this Plat. This review is done for compliance with Chapter 177 F.S. and the Village of Wellington's approved Plat language.

We offer the following comments:

- 1) All of our previous comments have been adequately addressed. The plat is now in compliance with CH. 177. F.S.
- 2) We can now recommend that the Village of Wellington approve the plat.

Please contact our office if you should need anything further.

Sincerely,

Gary Rayman, PSM
Director Emeritus
