Greetings,

I would like to formally nominate Lt. Andrew Lombardo for the "Firefighter of the Year Award". As a newly promoted Captain, which is challenging in itself, having an officer like Lt. Lombardo at the station is PRICELESS. He is a natural born leader who "Walks the Talk" and leads by example. Andrew is also one of the best Paramedic's (if not the best) I have ever worked with. On scene, he is cool and collected, always does right by the patient he is attending to and the respect given to him at our local hospitals is evident.

Another attribute which I would like to acknowledge is Lt. Lombardo's ability to teach others. His 20 plus years' experience in the medical field gives him an edge and he will find a way to make anyone understand. Andrew trains our crew each shift during our morning meeting and without a doubt makes us better than the shift before.

In closing, I would just like to add Lt. Lombardo brings a positive attitude to work every day which translates to a positive work environment. I am very fortunate to have been promoted into a station where I have an officer I can count on such as Andrew.

Sincerely,

Joseph W. Cathey – *Captain*
