Legend:

Green Highlight = Lowest responsive/responsible bidder

Non-Responsive = Vendor failed to meet one or more mandatory requirements of the solicitation (e.g., missing required samples, bidding under the 25-mile radius category without meeting the distance requirement).

No Samples = Vendor did not submit required product samples as outlined in the solicitation.

No Bid = Vendor did not provide pricing for this specific item.

Primary Vendor:The vendor offering the lowest responsive and responsible bid for the line item. This vendor is designated as the first choice for award and will be used unless performance issues arise.

Secondary Vendor:The vendor offering the next-lowest responsive bid. This vendor serves as a backup and may be used if the primary vendor is unable to perform, fails to deliver, or becomes non-compliant.

Tertiary Vendor: The vendor with the third-lowest responsive bid, designated as an additional backup option if both the primary and secondary vendors are unavailable or unable to fulfill the requirement.
