**Date:** 3/1/2021

**Subject:** Sales Surtax Revenue & Expenditure Report

The purpose of this memo is to provide the Parks & Recreation Advisory Board with the Sales Surtax Revenue and Expenditure report for the meeting on March 1, 2021.

As of January 31, 2021, the Village of Wellington collected \$661,082 in Surtax revenues on a \$1,800,000 budget or approximately 37% of budgeted revenues. Since inception, Wellington has collected \$16,868,790 in Surtax revenues.

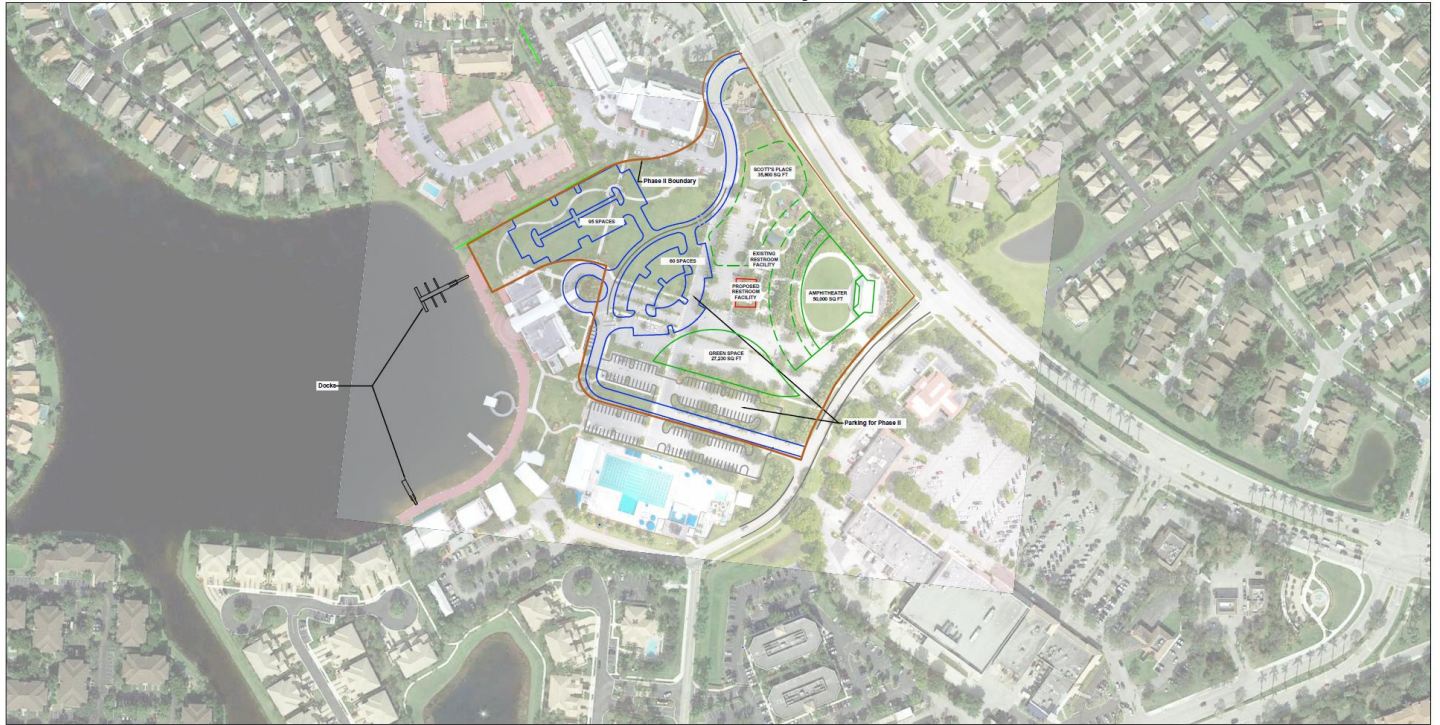

The capital expenditures for the period ended January 31, 2021 are outlined below for each surtax project with project budget and prior year expenditures.

Surtax Project	Project Budget	FY 2021 Expenses	FY 2020 Expenses
Town Center	\$2,837,802	\$119,060	\$2,118,576
WCHS Sports Complex	\$13,381,783	\$5,460,777	\$5,524,370
<b>Total Expenses</b>		<b>\$5,579,837</b>	<b>\$7,642,946</b>

- The WCHS project has incurred a total of \$11,078,589 in project costs for design work and construction. Village Council awarded contracts totaling \$12,212,904 to Kaufman Lynn and Kimley Horn for construction and construction administration. These funds were encumbered in May 2020 when the contracts were finalized. The Phase I stadium field is completed. The Phase II track & field and batting cages are completed. The Phase III maintenance building, basketball courts and concession building have begun with an estimated completion date of July 2021.
- The Town Center Promenade Project opened in late May 2020. Two additional docks are scheduled for construction in early 2021.
- Town Center Phase II: Engenuity Group has completed the “as-built” survey of Town Center. The survey work included Village Hall, Wellington Community Center, Scott’s Place, Lake Wellington Professional Center, the amphitheater, and Ken Adams Way. The survey located above ground utilities and took spot elevations, which are key data sets to be used in the pending design work for Town Center Phase II. The survey is under review by the Strategic Planning and Engineering Departments.
- The Skate Park is currently closed for safety concerns. Mr. Reinsvold and Mr. Juckett will present information on the proposed rebuild of the Skate Park. The project cost estimate stands at approximately \$150,000 at this time using Surtax funding. It is anticipated the project will be presented to Council in March 2021.
