**Re: Comprehensive Plan Amendment to the Land Use & Community Design
Element**

On November 20, 2024, the Planning, Zoning and Adjustment Board will hear a Comprehensive Plan Text Amendment. As part of the proposed Comprehensive Plan Amendments to the Land Use & Community Design Element, a correction to the Floor Area Ratio (FAR) for the Equestrian Commercial Recreation Land Use in Table LU&CD 1-1 and Policy 1.3.3 is included. The correction to the maximum Floor Area Ratio (FAR) of the Equestrian Commercial Recreation (ECR) Land Use designation changes it from 0.1 to 0.45. The amendment in the table and policy is being updated to be consistent with Section 6.3.1, Table 6.3-1: General Property Development Regulations of the Land Development Regulations (LDR) that was recommended for approval by the EPC and PZAB, and adopted by Council.

Proposed changes to Table LU&CD 1-1 of the Comprehensive Plan and the current Table 6.3-1 of the LDR are provided on the following page.
