1. How often do you update your inventory? Are all new deployments brand new uniforms or are they recycled from past agencies?

All rental uniforms are put through quality inspection weekly when turned in for laundry. If it is determined that a garment needs replaced due to normal wear, it will be upgraded. Age of garment is not a factor as QA is graded upon condition. New wearers could get new uniform if not available in the local stockroom. However, if stock is available, uniforms can be recycled if they are in "like-new" graded condition. Customer can request all new hires get new uniforms, however the lead time to install would be extended.

2. Are your vending options available as a part of this proposal (for scrubs or other uniforms)? If these are available, what is the cost? Yes.

Item Code	Description		List Price	USC Pricing
D10	Small Dispenser		\$ 370.00	\$ 310.00
D16	Medium Dispenser		\$ 416.00	\$ 345.00
D20	Large Dispenser		\$ 462.00	\$ 385.00
R110	Return Unit		\$ 104.00	\$ 90.00
RX	Wall Mounted Unit		\$ 93.00	\$ 90.00

The use of scrub dispensing units is increasing all over college campus' and other public entities. Cintas will continue to focus its sales efforts in this space to also include units that dispense lab coats and other clothing items.

3. Do you offer dielectric testing on your gloves? If so, what would be the cost for this service?

Yes, this is one of Cintas' newest offerings. Please see attached for both additional information about the service and the pricing available.

4. Do you offer wet mats that would be appropriate for showers and locker rooms?

Yes, we offer Drainage Mats which can be used in wet areas. The pricing for this item is \$2.19.

5. Do you offer calibration on the chemical dilution centers free of charge? Are these installed free of charge?

Yes. Yes

6. Do you work on Halon fire suppression systems?

Yes, Cintas provides this service only in certain markets. Because it is not a nationwide service, it is priced locally to with a 10% discount, per the US Communities contract.

7. What is the price for the training programs you offer?

The pricing file for Training is attached.

8. What is the process for coil and carpet cleaning? How do you meet environmental regulations for public agencies (such as MS4) for these types of services? Which public agencies have you provided these types of services for in the past?

We have attached the scope of work for both Coil Cleaning and our process for Tile and Carpet Cleaning. As the work of both services is proprietary, we would ask that the attached relative to those services be redacted. While we do have experience with regulations like MS4. We have also attached our protocol for the discharge of both liquid and solid wastes incurred in the performance of these services. Cintas' Deep Clean Technician, Ultraclean SSR, or Coil Cleaning Technician must sign this document stating that he/she will adhere not only to local, state, and national regulations, but also the procedures set forth in that document. Any violations of the tenets set forth in that document is grounds for the dismissal of the employee.

9. Two of your references were not willing to provide a reference per their statutes and the other three were not responsive. Do you have any other references who could provide feedback on their experience?

10. How long has the TruCount system been in place? If public agencies are having issues with their uniforms being returned in a timely fashion, what steps can be taken to make sure this doesn't affect the agency's ability to work?
Since 2016, Fulling implemented across all sites for about a year.

11. What is the lead time for new employees to be fit with uniforms?
Fitting within a week of notice. New site estimated at 4 weeks. New employee at existing site is 2-4 weeks from sizing. Can be 1 week turn if sizes are in stock at local Cintas.

12. What is the lead time for embroidery of new uniforms?
About 2 weeks. Stocked garments purchased directly are embroidered on demand and can be shipped in about a week.

13. What efforts can you make to simplify the invoicing process and make this less hands-on?
We are in the process of scheduling with the EC a demonstration of the www.myCintas-ebilling and servicing platform.

14. Is there a reason that you do not offer volume discounts or ecommerce rebates?
Volume discounts would generally be for direct purchase only. Our local reps have the freedom to price lower than the ceiling price of the agreement so volume discounts for direct purchase items is available.

15. Do you offer prompt payment discounts?
Yes, we can offer 2% Net 15 and Net 30 as standard payment terms

16. Why does California have different pricing for fire and safety?
It cost more to do business in California due to regulatory policies, labor laws, etc.

17. On page 142 you mention "minimal" charges for lockers, rolling racks and soiled hampers. Can these be provided at no charge? Can these be repaired or replaced as needed at no charge?
Yes, these will be No Charge.

18. Please explain the additional charges on page 31 for Garment Rental.
Minimum stop Charge: \$35.00-this is the minimum a site can average for Cintas to stop the truck. Agency pays the difference to make the service at least \$35.00. Ex: Actual weekly rental is \$30.00 for uniforms and mats. Customer is charged \$5.00 as the "min stop charge" on top of the \$30. To reach a total of \$35. We normally suggest product additions to equal a min stop so the customer is paying for products/services.

Lockers: No charge

Make-up Waived on initial installation and for 30 days of service: this is industry standard charge to set up new uniform wearer after initial install. This covers the cost

on the plant to order, prep, set up the system and sew in the ID tap with the employee information. One-time fee per garment. Ceiling priced.

Emblem-Waived on initial installation and for the first 30 days of service: Local Cost (depending on company name and type of emblem ordered) This is the cost of the actual company emblem that is applied when adding new employee after the initial install.

Name tag- \$1.50: The cost to set up a name to rental uniform. Normally embroidery. Ceiling Priced.

Size premium per Garment: \$1.50 this is the price for extended sizes, starting at 2xl and up, there is an addition charge per garment. Ceiling priced.

19. Minimum Order size charges for Garment Rental are not acceptable. Is this negotiable?

Minimum Order charges are fully described as the minimum amount charged to the client for stopping the Cintas vehicle and delivering the product or service contracted by the client. Under the pricing file offered in our proposal, the Minimum Order charge is \$35.00. Cintas is willing to entertain changing the nomenclature on the contract for this charge to something else that would be acceptable to the EC.

20. What is the cost for tailoring (ex. Shortening of pants)?

No charge

21. Do you offer "tall/Long" sizes?

We do offer tall/long sizes. The charge for shirts in the extended sizes are the same as for size premiums detailed in the Cintas proposal. There are no additional charges for pants for tall sizes.

22. Do you offer summer internships or student programs for college students?

Cintas would be interested in creating with USC members opportunities for internships that coincide with our normal hiring practices for these positions:

23. In Tab 7, Exceptions, the fee for termination for convenience: Is it acceptable to substitute "termination fee" for "liquidated damages"?

Yes, this is negotiable with the contract

24. Fire Protection sales team: 6 of the states where you have no representation are in U.S. Communities' top 25 states (AL, IA, MN, NC, OR, TN) - are there plans to expand into these states?

Yes, Cintas is striving to grow the division to \$1billion in 10 years.

25. Should Brent Schafer be listed as the Executive?

Yes, we can update.

26. What is the Lost Replacement charge for items not listed in the market basket?

The L/R charge will also be reduced by 10%. See Link below to Cintas-full catalog:
www.shopcintas.com

27. Page 85, #7: What happens if a public agency is not able to accommodate net 15 or net 30 payment terms? Is it possible to make the standard payment terms for all product lines Net 30?

Yes, Net 30 is Standard term.

28. Rubber Glove Addendum:

a. What company will be required to purchase from?

Relative to the addendum, the Cintas Head/Hand electrical PPE program is considered a lease only option.

This program is based on Cintas using National Safety Apparel for all PPE items listed as well as inspection/certification of voltage rated gloves being leased.

b. No information listed in Schedule A. No pricing, etc.

See attached excel document with pricing. The addendum was a blank template.

c. Will they test gloves already in use or do we have to purchase the gloves new form them to get the testing completed.

No, this program is based on Cintas setting up a new rental solution for Head/Hand PPE.

29. Classroom Safety Training Cost Breakdown:

d. Line 65906 – Is 10 people a minimum or maximum per class? If multiple classes are needed, is the charge of the instructor per class or one time charge for multiple classes? The class size listed on the price file is the max size per class. This varies per type of class, from 10-25. The charge for the instructor is per class.

e. Line 65908 – What are normal hours and excess hours?

Monday-Friday 8am-5:00pm

Referencing Cintas' response to the initial EC questions/clarifications:

30. Item 15 – Do you offer prompt payment discounts? **This was discussed on the teleconference on September 13. We discussed 2% Net 15 and Net 30 as the standard payment. This needs to be clarified that this is your understanding as well.**

31. Item 17 – On page 142 you mention "minimal" charges for lockers, rolling racks and soiled hampers. Can you provide these at no charge? Can these be repaired or replaced as needed at no charge? **This was discussed on the teleconference on September 13. This was agreed that these would be at no charge and not that this would be negotiated. Please clarify.**

Attachment A

32. Item 18 – Please explain additional charges on page 31 for Garment Rental. **This was discussed on the teleconference on September 13. See question 17, this charge should be removed.**

Yes, No Charge. Updated document.

33. Item 19 – Stop charges for Garment Rental are not acceptable. Is this negotiable? **This should be called minimum order size, not minimum stop charge.**

Catalog is online and can be accessed with link: www.shopcintas.com Updated document with the link as well.

35. Item 27 – Page 85, #7: What happens if a public agency is not able to accommodate Net 15 or Net 30 payment terms? Is it possible to make the standard payment terms for all product lines to be Net 30? **This was discussed on the teleconference on September 13. We agreed on Net 30 as standard terms.
