THIS RELOCATION REIMBURSEMENT AND HOLD HARMLESS, INDEMNIFICATION AGREEMENT (this “**Agreement**”) is made and entered into this _____ day of _____, 2023, by the Village of Wellington, a Florida municipal corporation organized and existing under the laws of the State of Florida (“**Village**”), whose address is 12300 Forest Hill Boulevard, Wellington, Florida 33414, in favor of Florida Power & Light Company, a Florida corporation, its affiliates, licensees, agents, successors and assigns (collectively “**FPL**”), whose address is 700 Universe Boulevard, Juno Beach, Florida 33408, Attention Corporate Real Estate Department.

WHEREAS, the Village desires FPL to install certain FPL electric utility facilities (“**Facilities**”) upon, over, across and/or under that certain public right of way located at 50th Street S. (West of State Road 7), Palm Beach County, Florida as more particularly shown and described on attached Exhibit “A” (“**Right of Way**”);

WHEREAS, Village has obtained the necessary governmental approvals to permit FPL to install the Facilities within the Right of Way; and

WHEREAS, FPL would not have agreed to such installation but for receipt of this Agreement.

NOW, THEREFORE, in consideration of these premises, FPL accepting the indemnification, and for other good and valuable consideration, the receipt and accuracy of which is hereby acknowledged, the parties agree as follows:

1. **Relocation Reimbursement.** The Village hereby acknowledges and agrees that in the event that FPL is required or deems it reasonably necessary, in its reasonable opinion, to relocate all or any portion of the Facilities after such installation, then the Village shall, at the Village’s sole cost and expense, (i) pay for any and all costs incurred or expended by FPL in connection with any and all such relocation(s) of the Facilities (and/or associated facility equipment), and (ii) secure any and all replacement easement(s) or permit(s) required or necessary, and acceptable to FPL, to accommodate such relocation(s) at the Village’s sole cost and expense.

2. **Acknowledgement of Risk.** The Village understands and is aware that the installation of the Facilities in the Right of Way by FPL is being done without the benefit of an easement solely as an accommodation to the Village. The Village also understands that such installation involves the risk that the Facilities may need to be relocated, one or more times, to another portion of the Right of Way or completely out of the Right of Way in the future without FPL being granted the necessary and required replacement permit(s) or easement(s) to complete such relocation(s), and that the Village is requesting FPL to undertake such installation with the knowledge of the dangers and risks involved. The Village hereby agrees to expressly assume and accept any and all risks associated with the installation of the Facilities within the Right of Way, including the payment to FPL for any and all future relocation costs and expenses associated with such relocation(s) of the Facilities, including the costs incurred or expended by FPL to obtain substitute permit(s) or easement(s) satisfactory to FPL to accommodate the Facilities which are the subject of such relocation(s).

3. **Indemnification.** The Village hereby agrees to indemnify and hold harmless FPL, its parent corporations, subsidiaries, affiliates, companies, administrators, shareholders, agents, employees,

directors, officers, successors, assigns and any liability insurance carriers that FPL may have (collectively, “**FPL Entities**”) from and against all claims, demands, liabilities, obligations, losses, costs, expenses, causes of action of any nature and type whatsoever, including, but not limited to, attorneys’ fees and costs (whether suit is instituted or not, and at trial and appellate levels), money damages in tort for any losses of property, or damage to any property arising out of or in connection with the installation (and future relocation(s)) of the Facilities in the Right of Way by FPL, its contractors, agents, or employees, and any and all costs and expenses incurred or expended by FPL to obtain a substitute easement(s) to relocate the Facilities, if necessary, in the future; and the Village hereby further agrees to defend, at its sole cost and expense and at no cost and expense to FPL Entities, any and all suits or actions instituted against FPL Entities, for the imposition of such liability, loss, cost and expense.

In addition to the indemnity provision above, the Village hereby agrees to release, defend, protect, indemnify and hold FPL Entities free and harmless from any and all claims, demands, actions, or causes of action whatsoever, and from any and all liability for any loss, property damage or personal injury of any kind, nature, or description, including death, that may arise out of or be sustained as a result of the installation of the Facilities in the Right of Way, and/or future relocation(s), unless such loss is caused solely and directly by the gross negligence of FPL.

Notwithstanding the foregoing, this paragraph shall not be construed or interpreted as a waiver of the Village’s sovereign immunity and the limits established in Section 768.28, Florida Statutes, if applicable, nor shall this paragraph be construed or interpreted to impose contractual liability on the Village beyond the limits specified in Section 768.28, Florida Statutes, if applicable.

4. **Continuation of Indemnity.** The acknowledgement of risk and indemnification as provided herein shall inure to the benefit of the successors and assigns of FPL and shall be binding upon the Village and the Village’s successors and assigns.
