

**SIN 518210C CLOUD SERVICES -MONTHLY:****INFINITE CLOUD RETENTION AND LOCAL BACKUP SERVICE:**

Infinite Cloud Retention provides an unlimited amount of cloud storage for incremental data backups for a flat monthly rate. Backups will be maintained and available for as long as you continue to pay for uninterrupted Infinite Cloud service related to a product instance of at least the same size/capacity used for the same system with respect to which the backups were originally created. Automatic consolidation of incremental backup recovery points is applied on a rolling basis as shown below.
