WHEREAS, the Wellington Council is authorized and empowered to adopt and amend legislation to govern the affairs of its citizens and promote the public health, safety, and welfare of the community; and

WHEREAS, in 2021, in response to the increased presence of golf carts in and around Wellington, the Wellington Council adopted Ordinance No. 2021-10, authorizing the operation of golf carts on designated Wellington roads and designated multi-modal pathways subject to specific restrictions (the “Golf Cart Ordinance”) to promote the safe operation of golf carts in Wellington consistent with sections 316.008 and 316.212, Florida Statutes; and

WHEREAS, section 22-34 of the Code of Ordinances, titled Enforcement; Penalties, presently provides for a graduated civil penalty for violations of the Golf Cart Ordinance; and

WHEREAS, the Wellington Council now seeks to amend the civil penalty for violations of the Golf Cart Ordinance, consistent with state law, to provide clarity both to golf cart operators and to law enforcement officers who are tasked with enforcing violations of the Golf Cart Ordinance; and

9 governing the operation of non-human powered micromobility devices in Wellington
