William Silliman  
Village of Wellington  
12300 Forest Hill Blvd  
Wellington, Florida 33414

To Whom It May Concern:

This letter is to attest that all maintenance services, enhancements, and upgrades for Relay SelecTXT and Outbound systems are only available directly from Selectron Technologies. Selectron Technologies (Selectron) is the sole provider and manufacturer of our products and services.

The Selectron system is comprised of proprietary software specifically installed for the Village of Wellington to support the building department's requirements. Anyone providing maintenance services, enhancements, and upgrades must have access to this software code to support your installation. Since this code is part of our proprietary intellectual property, we would not release it to any non-Selectron organization.

Best regards,

A handwritten signature in blue ink, appearing to read "Todd Johnston", with a stylized flourish at the end.

Todd A. Johnston
