Service Availability Letter

Dear Mr. Woolsey,

This is to confirm that the referenced property is located within Palm Beach County Utility Department (PBCWUD) utility service area. PBCWUD has the capacity to provide the level of service required for the current RR-10 and the proposed LR-2-FLUA that would allow up to 892 dwelling units in an age restricted single family community subject to a Capacity Reservation Agreement.

The nearest potable watermain and wastewater forcemain are located within Southern Boulevard adjacent to the subject property.

Please note that this letter does not constitute a final commitment for service until the final design has been approved by PBCWUD.

If you have any questions, please give me a call at (561)493-6116.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jackie".
