JUSTIFICATION STATEMENT
Village Professional Park, LLC
Annexation
Village of Wellington, Florida
Initial Submittal: August 13, 2015

REQUEST

Village Professional Park, LLC, a Florida limited liability company, (“Owner”) is requesting that the Village of Wellington annex property that is currently in unincorporated Palm Beach County, located approximately 600 feet west of State Road 7, and 2,500 feet north of Forest Hill Blvd. The subject property is identified by the Property Control Number 00-42-43-27-05-018-0110 (“Property”).

SITE CHARACTERISTICS AND SURROUNDING USES

The Property is vacant and is approximately 10.5 acres. The existing Palm Beach County Zoning District is PO (Public Ownership) with a Future Land Use designation of LR-2 (Low Residential, 2 units per acre). The following describes the surrounding uses:

| | SUBDIVISION/USE | EXISTING USE | FLU | ZONING |
|-------|-----------------------|-----------------------|---------------------|---------------------|
| NORTH | Vacant | Vacant | LR-2 (PB County) | AR (PB County) |
| SOUTH | Vacant | Vacant | MXD | MUPD |
| EAST | Storage/Warehouse | Storage/Warehouse | CH (PB County) | MUPD (PB County) |
| WEST | Vacant/Retention Lake | Vacant/Retention Lake | MXD | MUPD |

PROJECT HISTORY

On November 6, 1973 the property was approved for a rezoning from AG (Agricultural District) to PO (Public Ownership District). No other development orders have been issued on the Property.

CONFORMANCE

The Village of Wellington identifies certain criteria that the request must conform to when reviewing an Annexation application. The following are the Applicant’s responses to these standards:

A. That the area in question meets statutory requirements pertaining to contiguity, compactness and irregular shape.

The contiguous land to the west and south of the Property are within the municipal limits of Wellington. This annexation will extend the existing boundary of Wellington approximately 660 feet north and 660 feet east, essentially shifting what is currently a compact boundary. The annexed area, being the addition of essentially a square, is not irregular in shape.

B. That the petitioned area must have a “unity of interests with Wellington” and be “logical extension” of Wellington’s boundaries.

The Property is subject of a requirement agreed upon by Wellington and Palm Beach County that the Property be annexed into the Village, and that all development orders on the Property be issued by the Village. At the behest of Wellington, this requirement was included in the agreement by which the Owner acquired the Property from the County and provides specifically:

“ANNEXATION OF THE PROPERTY: The Buyer acknowledges that the Property has been identified for future annexation into the Village of Wellington and agrees to consent to the Property being annexed into the municipal boundary of the Village of Wellington. Application for all required development approvals are to be submitted and processed through the Village of Wellington. The foregoing shall survive closing.” (Paragraph 7, Deposit Receipt and Contract for Sale and Purchase, approved by Palm Beach County by Resolution No. R-2015-0234, February 3, 2015).

C. That the area shall have a growth potential sufficient to warrant the extension of services.

The Owner proposes to include the Property as a portion of the currently-approved MUPD lying south and west of the Property, and amend that MUPD to an MXPDP. Being in close proximity to existing commercial and institutional development, the Property has significant growth potential. The Property is within the newly-extended Acme Improvement District, which has drainage and utility services within approximately 700 feet of the Property and which are able to serve the Property. Services will be extended as part of the development of the MXPDP.

D. That the deficit of income against expense to Wellington shall not be unreasonable.

The Property will have tax benefits to the Village comparable to other institutional uses found throughout the Village, and which are certainly reasonable tax generators for the Village.

E. That the advantages both to Wellington and to the petitioned area must outweigh the disadvantages.

By including the Property in the municipal limits, Wellington will control the land use and zoning on the Property. By including the Property in the mixed-use development to the south and west of the Property, the Property enjoys the benefits of being part of a master-planned community.

F. That Wellington must be willing and able to provide Wellington services as well as ensure that services provided by Palm Beach County are furnished to the newly annexed area within a reasonable time.

As noted above, Acme Improvement District recently acquired jurisdiction over the Property. Acme has drainage facilities available to the Property through Acme’s canal system. Water and sewer facilities are located within 700 feet of the Property, and adjacent to the project that the Owner proposes to include this Property in. Other municipal services are provided to nearby properties, including the Wellington Regional Medical Center to the south, Wellington Reserve Office Park approximately 660 feet north of the Property, Black Diamond and Wellington’s Edge, both of which are approximately 1300 feet to the west of the Property.

CONCLUSION

The Property meets all statutory requirements for annexation and the Owner respectfully requests the annexation of the Property.

3. **CLOSING:** This Agreement shall be closed and the deed delivered within the later of 45 days of the Effective Date of this Agreement, or satisfaction of the Contingencies to Closing, Exhibit "B" attached hereto and made a part hereof (if any), but in no event later than 18 months after the Effective Date of this Agreement. The following are additional details of closing:

A. **Time and Place:** The closing will be held at the office of the Property & Real Estate Management Division located at 2633 Vista Parkway, West Palm Beach, Florida 33411-5605, at a time to be mutually agreed upon by the Seller and the Buyer.

B. **Conveyance:** At closing, the Seller will deliver to the Buyer a fully executed County Deed substantially in accordance with Exhibit "C" conveying the Property and any improvements in its "AS IS CONDITION", without warranties or representations of

any kind whatsoever. Buyer acknowledges that Seller is selling the property without making any representation or warranty regarding access to the Property, the sufficiency of access to the Property for development purposes, or Buyer's ability to obtain access to the Property suitable for development of the Property. Seller shall be responsible for preparation of the deed which will be in accordance with Florida Statutes Section 125.411. Seller shall convey the Property with a reservation of mineral and petroleum rights pursuant to Florida Statutes Section 270.11. Buyer hereby petitions Seller to convey the Property without reservation of and to release the rights of entry and exploration relating to such mineral and petroleum rights. Seller hereby finds that conveyance without such rights of entry and exploration is appropriate and justified in light of the impact reservation of such rights of entry and exploration would have upon the marketability, value and development potential of the Property.

C: Expenses: The Buyer shall pay all costs of closing, and any other costs associated with this sale except Seller shall pay the cost of the owner's title insurance policy in the amount of the Purchase Price. Buyer and Seller shall each execute closing statements prepared in accordance with the terms hereof.

4. EVIDENCE OF TITLE: The Buyer agrees to take title to the Property subject to zoning and other governmental restrictions, plat restrictions and qualifications, public utility easements, restrictive covenants and all other easements, restrictions, conditions, limitations and other matters of record that do not render title unmarketable. Buyer agrees that for purposes of this Agreement the limitations regarding access to and from the Property shall not render title unmarketable.

Within fifteen (15) days after the Effective Date of this Agreement, Seller shall deliver to Buyer an owner's title insurance commitment issued by Chicago Title Insurance Company, together with legible copies of all exceptions to coverage reflected therein, agreeing to issue to the Buyer upon the recording of the County Deed to the Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of the Buyer to the Property subject to an exception to coverage for the right of access to and from the Property, and subject to all matters of record. The cost of said commitment and policy and any premium therefor shall be borne by Seller.

Buyer shall have ten (10) days after receipt from Seller of the title insurance commitment in which to review same. In the event the title insurance commitment shall show as an exception any matter that renders the title unmarketable (unrelated to access), Buyer shall have the right to terminate the Agreement. If Buyer does not terminate the Agreement by the end of the ten (10) day review period, Buyer shall be deemed to have accepted the condition of title to the Property.

5. REAL ESTATE TAXES, EASEMENTS, RESTRICTIONS AND ENCUMBRANCES: The Seller agrees to pay all outstanding real estate taxes if any, prorated up to the day of closing. The Buyer agrees to take title to the Property subject to zoning and other governmental restrictions, plat restrictions and qualifications, public utility easements, restrictive covenants and all other easements, restrictions, conditions, limitations and other matters of record.

6. A: CONDITION OF THE PROPERTY: The Buyer acknowledges that he has inspected the Property, and agrees to accept the Property in its "AS IS CONDITION" and that the Seller has not made and is not making any warranties or representations whatsoever relating to the Property, including, but not limited to those relating to its value, Seller's title to the property, access to the property, the environmental condition of the property, the physical condition of the Property, any improvements located thereon, or the suitability of the Property for any intended use or the legal ability of Buyer to use the Property for its intended use.

Without in any way limiting the generality of the preceding paragraph, Buyer specifically acknowledges and agrees that it hereby waives, releases and discharges any claim

it has, might have had or may have against the Seller with respect to this transaction or the Property, including without limitation, its value, title, suitability, zoning, access, or its environmental or physical condition either patent or latent. Buyer agrees to execute at closing an acknowledgment in the form attached hereto as Exhibit "D" attesting to said waiver and release.

B: Radon Gas: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

7. ANNEXATION OF THE PROPERTY: The Buyer acknowledges that the Property has been identified for future annexation into the Village of Wellington and agrees to consent to the Property being annexed into the municipal boundary of the Village of Wellington. Application for all required development approvals for the Property are to be submitted and processed through the Village of Wellington. The foregoing shall survive closing.

8. BUYER'S DISCLOSURE OF BENEFICIAL INTERESTS: Buyer represents that simultaneously with Buyer's execution of this Agreement, Buyer has executed and delivered to Seller the Buyer's Disclosure of Beneficial Interests attached hereto as Exhibit "E" (the "Disclosure") disclosing the name and address of every person or entity having a 5% or greater beneficial interest in the ownership of the Buyer. Buyer warrants that in the event there are any changes to the names and addresses of the persons or entities having a 5% or greater beneficial interest in the ownership of the Buyer after the date of execution of the Disclosure and prior to Closing, Buyer shall immediately, and in every instance, provide written notification of such change to the Seller in the manner required by Section 16 of this Agreement. Buyer shall deliver to Seller at Closing a Disclosure that accurately discloses the beneficial interests in the ownership of the Buyer at the time of Closing regardless of whether or not the information contained therein has changed from the date of execution of the original Disclosure.

9. RISK OF LOSS: Buyer assumes all risk of loss with respect to the Property from and after the date of execution of this Agreement by the Buyer.

10. DEFAULT: If the Buyer fails to perform any covenants or obligation of this Agreement, the earnest money deposit paid (the "Liquidated Sum"), or agreed to be paid, shall be retained by the Seller as agreed upon liquidated damages as consideration for the execution of this Agreement and full settlement of any claims arising from or related to this Agreement. Buyer and Seller specifically understand and agree that: i) the foregoing remedy is intended to operate as a liquidated damages clause and not as a penalty or forfeiture provision; ii) the actual damages that the Seller may suffer if Buyer defaults are impossible to ascertain precisely and, therefore, the Liquidated Sum represents the parties' reasonable estimate of such damages considering all of the circumstances existing on the date of this Agreement. If Seller fails to perform any covenants or obligation of this Agreement, the deposit, together with interest thereon at the rate of 12% per annum, shall be returned to Buyer. In either of the foregoing events, all parties shall be released from their rights and obligations under this Agreement. The foregoing shall constitute the sole and exclusive remedies of the parties hereto.

11. SUCCESSORS: Upon execution of this Agreement by the Buyer, this Agreement shall be binding upon and inure to the benefit of the Buyer, his heirs, successors or assigns. Upon approval of this Agreement by the Palm Beach County Board of County Commissioners, its successors and assigns will be similarly bound. All pronouns and variations thereof shall be construed so as to refer to the masculine, feminine, neuter, singular or plural thereof, as the identity of the person or persons or as the situation may require.

12. RECORDING: In no event shall this Agreement or any Memorandum hereof be recorded in the official or public records where the Property is located, and any such recordation or attempted recordation shall constitute a default under this Agreement by the party responsible for such recordation or attempted recordation.

13. ASSIGNMENT: This Agreement may not be assigned by the Buyer, without Seller's written consent, which may be granted or withheld by Seller in its sole and absolute discretion.

14. TIME OF THE ESSENCE: Time is of the essence in the performance of this Agreement.

15. AMENDMENTS: This Agreement contains the entire understanding and Agreement of the parties with respect to the subject matter hereof. No amendment will be effective except in writing signed by all parties.

16. SURVIVAL: The covenants of this Agreement will survive delivery and recording of the deed and possession of the property.

17. BROKERS & COMMISSIONS: Buyer shall be solely responsible to pay any real estate commissions or finder's fees contracted for by Buyer or otherwise resulting from this transaction. Buyer shall indemnify and hold the Seller harmless from any and all such claims, whether disclosed or undisclosed.

18. NOTICES: All notices, requests, demands and other communication hereunder shall be in writing, sent by U.S. certified mail, return receipt requested, postage prepaid to the addresses indicated on the first page of this Agreement or to such other addresses as shall be furnished in writing by either party to the other. All such notices shall be effective upon receipt, or the date which the postal authorities designate the notice as undeliverable as evidenced by the return receipt.

19. CHOICE OF LAW AND CONSTRUCTION: This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida. Venue in any action, suit or proceeding in connection with this Agreement shall be in a state court of competent jurisdiction in Palm Beach County, Florida. This Agreement shall not be construed more strongly against any party regardless of who was responsible for its preparation or drafting.

If any provision of this Agreement as applied to either party or to any circumstance shall be adjudged by a court of competent jurisdiction to be void or unenforceable for any reason, the same shall in no way affect, to the maximum extent permissible by law, any other provision of this Agreement, the application of any such provision under circumstances different from those adjudicated by the court, or the validity or enforceability of this Agreement as a whole.

20. FURTHER ASSURANCES: Buyer agrees to execute and deliver to the Seller such further documents or instruments as may be reasonable and necessary to permit performance in accordance with the terms, conditions and covenants hereof.

21. NON-DISCRIMINATION: The parties agree that no person shall, on the grounds of race, color, sex, age, national origin, disability, religion, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information, be excluded from the benefits of, or be subjected to any form of discrimination under any activity conducted pursuant to this Agreement.

Pursuant to Resolution R-2014-1421, as may be amended, Buyer has either provided a copy of Buyer's non-discrimination policy which is consistent with the policy of Palm Beach

County stated above, or has provided a signed statement affirming Buyer's non-discrimination policy is in conformance with Palm Beach County's policy.

22. NO THIRD PARTY BENEFICIARY: No provision of this Agreement is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizens of Seller or employees of Seller or Buyer.

23. HEADINGS: The paragraph headings or captions appearing in this Agreement are for convenience only and are not to be considered in interpreting this Agreement.

24. OFFICE OF THE INSPECTOR GENERAL: Palm Beach County has established the Office of the Inspector General. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and audit, investigate, monitor, and inspect the activities of the parties or entities with which the County enters into agreements, their officers, agents, employees, and lobbyists in order to ensure compliance with contract specifications and detect corruption and fraud. All parties or entities doing business with the County or receiving County funds shall fully cooperate with the Inspector General including granting the Inspector General access to records relating to the agreement and transaction.

25. EFFECTIVE DATE OF AGREEMENT: The obligations of Buyer under this Agreement are contingent upon the approval hereof by the Board of County Commissioners of Palm Beach County Florida. The Effective Date of this Agreement shall be the date of execution by the Board of County Commissioners.

26. DISCLAIMER: All documents and information provided by Seller related to RFP 2014-103-MJ, whether said documents and information are written, oral or otherwise, are provided solely as an accommodation and for informational purposes only, and Seller has not made any representations or warranties of any kind as to the truth, accuracy or completeness, or the sources thereof. Seller shall have no liability whatsoever and Buyer hereby releases Seller from any and all liability relating to such documents and information and all parties receiving the same shall not be entitled to rely on such documents and information, but shall have a duty to independently verify the accuracy of the information contained therein.

of their respective Properties to accomplish any such maintenance, repair or replacement of the Systems. No such temporary license shall be unreasonably withheld, conditioned, or delayed. Requiring customary insurance of the contractors performing the installation, repair, or replacement work shall not be considered unreasonable.

(d) Expenses. Any expense associated with the installation, maintenance, repair or replacement of the Systems shall be at the sole cost and expense of the Owner or Permittee making such request. Notwithstanding the foregoing, the Systems serving the Properties shall be initially designed and installed as a unified system with the cost thereof to be shared based on a the proportion of the system on each Property as to utilities, and the size of the upland area of the respective Property as to drainage and water management facilities, whether immediately-installed or not. Thereafter, any installation, maintenance, repair or replacement or improvement of the Systems and the Driveway, including but not limited to removal or relocating of utilities lying in the Driveway and establishing additional easements necessary to the respective Property's development / or redevelopment plan (based upon the development of an additional phase of the Project) shall be at the sole expense of the Owner effecting the change.

2.2 Indemnification. Each Owner having rights with respect to an easement granted hereunder shall indemnify and hold the Owner whose Property is subject to the easement, harmless from and against all claims, liabilities and expenses (including reasonable attorneys' fees) relating to accidents, injuries, loss, or damage of or to any person or property arising from the negligent, intentional, or willful acts or omissions of such Owner, its contractors, employees, agents, invitees, patrons, Permittees, or others acting on behalf of such Owner.

2.3 Driveway Access. Driveway access shall in no event be blocked, closed, altered, changed or removed and shall at all times remain in place as described herein. There shall be maintained a smooth and level grade transition to allow the use of the Driveway for pedestrian and vehicular ingress and egress as set forth in paragraph 2.1 above. Parking or stopping within the driveway shall be for loading or unloading only, unless pursuant to the requirements of the local government, on-street parking, stopping, or standing is established, but in any case, the Driveway shall not, at any time, be rendered impassable to other vehicular or pedestrian traffic.

2.4 Reasonable Use of Easements.

(a) No impediment. The easements hereinabove granted shall be used and enjoyed by each Owner and its Permittees in such a manner so as not to unreasonably or materially interfere with, obstruct or delay the conduct, use, and operations of the business or activities of any other Owner or its Permittees at any time, including, without limitation, public

access to and from said business and residences, and the receipt or delivery of merchandise, services, and patronage.

(b) Diligent Activities. Once commenced, any construction undertaken in reliance upon and pursuant to this Agreement or authorized herein shall be diligently pursued to completion, so as to minimize any interference with the business of any other Owner and its Permittees. Except in cases of emergency, the right of any Owner to enter upon a Parcel of another Owner for the exercise of any right pursuant to the easements set forth, or to prosecute work on such Owner's own Parcel if the same interferes with utility or drainage easements or easements of ingress, egress or access to or in favor of another Owner's Parcel, shall be undertaken only in such a manner so as to minimize any interference with the business of the other Owner and its Permittees. In such case, no affirmative monetary obligation shall be imposed upon the other Owner, and the Owner undertaking such work shall with due diligence repair at its sole cost and expense any and all damage caused by such work and restore the affected portion of the Parcel upon which such work is performed to a condition which is equal to or better than the condition which existed prior to the commencement of such work. In addition, the Owner undertaking such work shall pay all costs and expenses associated therewith and shall indemnify and hold harmless the other Owner(s) and its Permittees from all damages, losses, liens, or claims attributable to the performance of such work.

2.5 Relocation and Size.

(a) Driveway. The Driveway width or location may be narrowed or relocated by the Owner of the respective Property on which it is located if permitted or required by the Village of Wellington; provided, however, no such narrowing or relocation shall be permitted if the modification would impede the development-potential of the benefitted Property based on the land use proposed and the then-existing regulatory requirements. The Driveway shall be expanded if as part of the entitlement of the initial Project the Village of Wellington requires the creation of a round-about at the intersection of the Main Entrance Drive and the North Access Drive.

(b) Utility and Drainage. The utility and drainage easements shall be of a width and location as required by the Village of Wellington or the Acme Improvement District (Wellington's dependent special district) based on the initial design of the Systems to serve the Project as a whole, based on regulatory requirements at the time of initial design and approval.

3. Insurance. Throughout the term of this Agreement, each Owner shall procure and maintain general and/or comprehensive public liability and property damage insurance against claims for personal injury (including contractual liability arising under the indemnity contained in paragraph 2.2 above), death, or property damage occurring upon such Owner's Property, with single limit coverage of not less than an aggregate of Two Million Dollars (\$2,000,000.00) including umbrella

coverage, if any, and naming each other Owner (provided the Owner obtaining such insurance has been supplied with the name of such other Owner in the event of a change thereof) as an additional party to be insured. Unless otherwise agreed by the Owners, the amount of insurance coverage required herein shall be increased each policy year so that the succeeding year's policy amount shall be equal to the prior year's policy amount plus an amount equal to the prior year's policy amount times the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor, for Miami - Ft. Lauderdale, Florida, All Items, (1982-84 = 100) or any renamed local index covering the Miami - Ft. Lauderdale area or any other successor or substitute index appropriately adjusted

4. Taxes and Assessments. Each Owner shall pay all taxes, assessments, or charges of any type levied or made by any governmental body or agency with respect to its Property and this obligation shall include the portion of each Owner's Property that is subject to this access easement.

5. No Rights in Public; No Implied Easements. Nothing contained herein shall be construed as creating any rights in the general public or as dedicating for public use any portion of the Fifty-three Acre Tract or the Ten Acre Tract. Notwithstanding the foregoing, the Owner of the Fifty-three Acre Tract may in its sole discretion cause the Driveway to be dedicated or conveyed to the Village of Wellington or Acme Improvement District, in which case the Owner of the Ten Acre Tract may do the same as to the Driveway on the Ten Acre Tract.

6. Remedies and Enforcement.

6.1 Remedies Available. In the event of a breach by any Owner or its Permittees of any of the terms, covenants, restrictions, or conditions hereof, the other Owner(s) shall be entitled forthwith to full and adequate relief by injunction and/or all such other available legal and equitable remedies from the consequences of such breach, including payment of any amounts due and/or specific performance.

6.2 Self-Help. In addition to all other remedies available at law or in equity, upon the failure of a defaulting Owner to cure a breach of this Agreement within thirty (30) days following written notice thereof by an Owner (unless, with respect to any such breach the nature of which cannot reasonably be cured within such 30-day period, the defaulting Owner commences such cure within such 30-day period and thereafter diligently prosecutes such cure to completion), any Owner shall have the right to perform such obligations contained in this Agreement on behalf of such defaulting Owner and be reimbursed by such defaulting Owner upon demand for the reasonable costs thereof, together with interest calculated at the New York prime rate published on the first Monday of each month in the Wall Street Journal plus 2%, compounded monthly, as such Prime Rate changes based upon the rate appearing on the publication of the first Monday of each month (not to exceed the maximum rate of interest allowed by law). Notwithstanding the foregoing, in the event of (i) an emergency, (ii) blockage or material impairment of the easement rights not contemplated in this Agreement,

and/or (iii) the unauthorized parking of vehicles, an Owner may take such steps as are required or permitted by law (including towing or removing or causing to be removed any offending vehicle or thing) to cure the same and be reimbursed by the other Owner upon written demand for the reasonable cost thereof.

6.3 Remedies Cumulative. The remedies specified herein shall be cumulative and in addition to all other remedies permitted at law or in equity.

6.4 No Termination For Breach. Notwithstanding the foregoing to the contrary, no breach hereunder shall entitle any Owner to cancel, rescind, or otherwise terminate this Agreement. No breach hereunder shall defeat or render invalid the lien of any mortgage or deed of trust upon any Property made in good faith for value, but the declaration, easements, covenants, conditions and restrictions hereof shall be binding upon and effective against any Owner of such Property covered hereby whose title thereto is acquired by foreclosure, trustee's sale, or otherwise.

6.5 Irreparable Harm. In the event of a material violation of any of the provisions of this Agreement, each Owner agrees that such material violation shall cause the non-defaulting Owner and/or its Permittees to suffer irreparable harm and such non-defaulting Owner and its Permittees shall have no adequate remedy at law. As a result, in the event of a material violation of any of the provisions of this Agreement, the non-defaulting Owner, in addition to all remedies available at law or otherwise under this Agreement, shall be entitled to injunctive or other equitable relief.

7. Delivery, Effective Date, and Term. This Agreement shall become effective, and be deemed to have been delivered to each of the respective Owners, by the other Owner commencing on the date of recordation of this Agreement in the Official Records of the Clerk of the Circuit Court in and for Palm Beach County, Florida. This Agreement shall remain in full force and effect thereafter in perpetuity, unless and except as this Agreement is modified, amended, canceled or terminated in writing of all then record Owners of the Properties, in accordance with Paragraph 8.2 hereof.

8. Miscellaneous.

8.1 Attorneys' Fees. In the event a party institutes any legal action or proceeding for the enforcement of any right or obligation herein contained, or for the interpretation hereof, the prevailing party after a final adjudication shall be entitled to recover its reasonable costs and reasonable attorneys' fees incurred in the preparation and prosecution of such action or proceeding.

8.2 Amendment. The parties agree that the provisions of this Agreement may be modified or amended, in whole or in part, or terminated, only by the written consent of all record Owners of the Properties, evidenced by a document that has been fully executed and acknowledged by all such record Owners and recorded in the Official Records of the Clerk of the Circuit Court in and for Palm Beach County, Florida. Notwithstanding the foregoing, in the event of the creation of a property owners association which is to encumber all the Properties,

this easement may be amended or terminated pursuant the covenants, terms, and conditions of such association.

8.3 Consents. Wherever in this Agreement the consent or approval of an Owner is required, unless otherwise expressly provided herein, such consent or approval shall not be unreasonably withheld, conditioned, or delayed. Any request for consent or approval shall: (a) be in writing; and (b) be accompanied by such information as is reasonably necessary to make an informed decision thereon. The consent of an Owner under this Agreement, to be effective, must be given, denied or conditioned expressly and in writing.

8.4 No Waiver. No waiver of any default of any obligation by any party hereto shall be implied from any omission by the other party to take any action with respect to such default.

8.5 No Agency. Nothing in this Agreement shall be deemed or construed by either party or by any third person to create the relationship of principal and agent or of limited or general partners or of joint venturers or of any other association between the parties.

8.6 Covenants to Run with Land. It is intended that each of the declarations, easements, covenants, conditions, restrictions, rights and obligations set forth herein shall run with the land and create equitable servitudes in favor of the real property benefited thereby, shall bind every person having any fee, leasehold or other interest therein and shall inure to the benefit of the respective parties and their successors, assigns, heirs, and personal representatives. This Agreement shall not be assigned, pledged, mortgaged or hypothecated except as an indefeasible appurtenance to the fee simple interest in the Property, or portion thereof, provided, however, each Property Owner shall have the unfettered right, without the consent of the other Property Owner, to assign this Agreement, and the benefits, rights, obligations, and liabilities created, to a property owners association with a membership consisting of the Owners of the Property, or portions thereof, for the purpose of operating and maintaining the respective Property, and such assignment shall not diminish or abrogate the rights created by this Agreement for the benefit of the Property Owners.

8.7 Grantee's Acceptance. The grantee of any Property, or any portion thereof, by acceptance of a deed conveying title thereto or the execution of a contract for the purchase thereof, whether from an original party or from a subsequent owner of such Property, shall accept such deed or contract upon and subject to each and all of the declaration, easements, covenants, conditions, restrictions and obligations contained herein. By such acceptance of the deed or contract, any such grantee or vendee shall for itself and its successors, assigns, heirs, and personal representatives, covenant, consent, and agree to and with the other party, to keep, observe, comply with, and perform the obligations and agreements set forth herein with respect to the property so acquired by such grantee or vendee, and such rights and obligations shall be indefeasible from the deed or contract.

8.8 Severability. Each provision of this Agreement are hereby declared to be independent of and severable from the remainder of this Agreement. If any provision contained herein shall be held to be invalid or to be unenforceable or not to run with the land, such holding shall not affect the validity or enforceability of the remainder of this Agreement. In the event the validity or enforceability of any provision of this Agreement is held to be dependent upon the existence of a specific legal description, the parties agree to promptly cause such legal description to be prepared. Ownership of both Parcels by the same person or entity shall not terminate this Agreement nor in any manner affect or impair the validity or enforceability of this Agreement. The utility and drainage declarations and easements shall be deemed to correspond, at a minimum, to those areas dedicated or reserved on any plat, but only to the extent necessary to provide services to the respective Properties.

8.9 Time of Essence. Time is of the essence of this Agreement.

8.10 Entire Agreement. This Agreement contains the complete understanding and agreement of the parties hereto with respect to all matters referred to herein, and all prior representations, negotiations, and understandings are superseded hereby.

8.11 Notices. Notices or other communication hereunder shall be in writing and shall be sent certified or registered mail, return receipt requested, or by other national overnight courier company, or personal delivery or in any other commercially reasonable manner, including, if known, electronic transmission (including email facsimile transmission), to the person identified as the owner in the Palm Beach County Property Appraiser's records, to the address set forth in those records and, if different, to the address set forth in the State of Florida Department of State, Division of Corporations, records (or such successor registration/filing of entity/business information). In the case of a property owners association existing for the respective Property, notice or other communication shall be to that property owners association with an address as identified in the records of the Florida Department of State, Division of Corporations records (or such successor registration/filing of entity/business information). Notice shall be deemed given upon receipt or refusal to accept delivery.

8.12 Governing Law. The laws of The State of Florida in which the Properties are located shall govern the interpretation, validity, performance, and enforcement of this Agreement. Any suit or legal action brought under this agreement shall be filed in Palm Beach County, Florida.

8.13 Estoppel Certificates. Each Owner, within twenty (20) day of its receipt of a written request from the other Owner(s), shall from time to time provide the requesting Owner, a certificate binding upon such Owner stating: (a) to the best of such Owner's knowledge, whether any party to this Agreement is in default or violation of this Agreement and if so identifying such default or violation; and (b) that this Agreement is in full force and effect and identifying any amendments to the Agreement as of the date of such certificate.

8.14 Bankruptcy. In the event of any bankruptcy affecting any Owner or Permittee, the parties agree that this Agreement shall, to the maximum extent permitted by law, be considered an agreement that runs with the land and that is not subject to rejection, in whole or in part, by the bankrupt person or entity.

8.15 Recitals. The Recitals contained at the beginning of this Agreement are deemed to be part of this Agreement and are adopted herein.

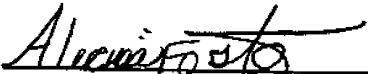

8.16 Mutual Preparation. Both parties to this Agreement acknowledge that this Agreement has been negotiated between them, each party being represented by legal Counsel, and the Agreement reflects these negotiations. Therefore this Agreement should not be construed against either party as the preparer of the Agreement because it is a product of their collective negotiated efforts.

8.17 Delivery, Effective Date, and Term. This Agreement shall become effective and be deemed to have been delivered to each of the respective Owners by the other Owners, commencing on the date of acquisition of the Ten Acre Tract by VPP in fee simple, as evidenced by recordation of the deed of conveyance to VPP in the Official Records of the Clerk of the Circuit Court in and for Palm Beach County, Florida, notwithstanding that this Agreement is executed prior to such conveyance. For and in consideration of One Dollar (\$1.00) each paid to the other parties, the receipt and sufficiency of which is hereby acknowledged, the execution of this Agreement may not be revoked by any party prior to this Agreement being recorded. This Agreement shall remain in full force and effect thereafter in perpetuity, unless and except as this Agreement is modified, amended, canceled or terminated in writing of all then record Owners of the Properties in accordance with Paragraph 8.2 hereof.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Re: Wellington Annexation Ordinance No. 2015-14
Petitioner: Village Professional Park, LLC
Tract 11, Block 18, Palm Beach Farms Co. Plat No. 3
LWDD Lateral Canal No. 7W
LWDD Project No. 09-33P.39

Dear Mr. Carlson:

The subject petition is located on the north side of Lake Worth Drainage District (LWDD) Lateral Canal No. 7W.

LWDD has no objection to the above referenced annexation of Tract 11, together with the 25 foot Road, Dyke and Ditch Reservation lying south of and adjacent to said Tract 11, Block 18, The Palm Beach Farms Co. Plat No. 3, as recorded in Plat Book 2, Pages 45-54, public records of Palm Beach County, Florida.

The above referenced petition is not within the jurisdictional boundaries of the LWDD. If the proposed drainage system from the property enters into the District's canal system, then the property owner will need to annex the parcel into the boundaries of the LWDD.

Should you have any questions or concerns please contact Bob Brown or myself.

Respectfully,

LAKE WORTH DRAINAGE DISTRICT
