Project #: 220808  
Traffic Performance Standards (TPS) Review**

Dear Mr. Kelley:

The Palm Beach County Traffic Division has reviewed the above referenced project Traffic Impact Statement, revised October 12, 2022, pursuant to the Traffic Performance Standards in Article 12 of the Palm Beach County (PBC) Unified Land Development Code (ULDC). The project is summarized as follows:

<b>Municipality:</b>	Wellington
<b>Location:</b>	NWC of Lake Worth Rd and South Shore Blvd
<b>PCN:</b>	73-41-44-21-11-001-0000 (additional PCNs in file)
<b>Access:</b>	Full access driveway connection onto South Shore Blvd, Pierson Rd and onto 40 <sup>th</sup> Street <u>(As used in the study and is NOT necessarily an approval by the County through this TPS letter)</u>
<b>Existing Uses:</b>	Vacant
<b>Proposed Uses:</b>	Single Family Detached = 197 DUs Caretakers Quarters = 20 Units Grooms Quarters = 16 Units Showgrounds = 5,000 Attendees
<b>New Daily Trips:</b>	6,900
<b>New Peak Hour Trips:</b>	426 (235 In/191 Out) AM; 572 (270 In/302 Out) PM
<b>Build-out:</b>	December 31, 2027

Based on the review, the Traffic Division has determined that the proposed development meets the TPS of Palm Beach County.

No driveway turn lane requirements have been analyzed/reviewed for project driveways located on a village maintained roadway. The Village is urged to verify that all turn lanes at the driveways are adequate.

Please note the receipt of a TPS approval letter does not constitute the review and issuance of a Palm Beach County Right-of-Way (R/W) Construction Permit nor does it eliminate any requirements that may be deemed as site related. For work within Palm Beach County R/W, a detailed review of the project will be provided upon submittal for a R/W permit application. The project is required to comply with all Palm Beach County standards and may include R/W dedication.
