1. The Equestrian Village Commercial Equestrian Arena is consistent with the Comprehensive Plan;
2. The subject request is consistent with the stated purposes and intent of the Land Development Regulations;
3. The Equestrian Village Commercial Equestrian Arena is consistent with the surrounding land uses and zoning districts;
4. No adverse impacts to the natural environment are expected to occur as a result of the approval of the request;
5. The Equestrian Village Commercial Equestrian Arena would result in a logical and orderly development pattern;
6. The Equestrian Village Commercial Equestrian Arena is consistent with the applicable Equestrian Overlay Zoning District (EOZD); and
7. The requested Equestrian Village Commercial Equestrian Arena complies with Article 11, Adequate Public Facilities.

NOW, THEREFORE, BE IT RESOLVED BY THE WELLINGTON, FLORIDA'S COUNCIL, THAT:

SECTION 1. The foregoing recitals are hereby affirmed and ratified. The Equestrian Village Commercial Equestrian Arena is hereby APPROVED as described in Exhibit "A", and for the Compatibility Determination described in Exhibit "B", subject to the following conditions:

Operation:

1. Commercial Equestrian Arena hours of operation, including preparation and clean-up of all rings, arenas, vendor areas and seating areas, shall be limited from 7:00 a.m. to 10:00 p.m. Music associated with all events will start no earlier than 8:00 a.m. and entertainment related to the event will start no earlier than 9:00 a.m.
2. One (1) night time event per weekend (Friday, Saturday, or Sunday) may have extended operational hours to 11:00 p.m., preferably on Friday or Saturday.
3. All events shall comply with Wellington's Code of Ordinances, Chapter 36-33 Noise Standards. Loudspeakers shall not be used after 10:00 p.m. (11:00 p.m. during the one (1) night time event per weekend, limited to a Friday, Saturday, or Sunday night only) and sounds emanating from the

91 subject property must comply with the provisions of the Code of
92 Ordinances, Chapter 36, Article III.

93 4. Entertainment is only permitted during equestrian events and shall
94 conclude at the end of the event at 10:00 p.m. (11 p.m. during the one (1)
95 night time event per weekend, limited to a Friday, Saturday, or Sunday
96 night only).

97 5. All live entertainment must be incidental to the equestrian shows/events
98 and shall be limited to the Event Tent and in the Main Arena. Any source of
99 amplification shall be directed away from adjacent residential properties
100 which are located on the north and east property lines. This restriction shall
101 not apply to dressage dance music for practice.

102 6. The owner/operator shall coordinate show/event start and let out times with
103 the Winter Equestrian Festival to ensure that show/event start and let out
104 times are not concurrent. Show/event let out times shall be a minimum of
105 one (1) hour apart.

106 7. Use of any mechanical equipment to prepare or clean up the site or
107 equestrian rings shall be permitted from 7:00 a.m. to 10:00 p.m. (11:00 p.m.
108 during the one (1) night time event per weekend, limited to Friday,
109 Saturday, or Sunday only).

110 8. The use of amplified sound systems and equipment including (radio, IPod,
111 or similar devices with auxiliary speakers, record players, similar music
112 devices) or televisions are prohibited in permanent barns or temporary
113 stabling tents except to advise riders and exhibitors of upcoming
114 competitive events. Electronic listening devices may be used with
115 earphones.

116 9. Use of portable generators is prohibited unless "Quiet Pack" generators are
117 utilized and all generators shall be located a minimum of 150 feet from
118 adjacent residential property, measured from the property line.

119 10. All on-site storage trailers shall be screened from public rights-of-way and
120 adjacent properties.

121 11. All vendors shall obtain a Business Tax Receipt if required by Wellington
122 prior to selling or offering services.

123 12. Vendors selling food shall obtain a Palm Beach County Health Department
124 inspection and approval prior to commencing sales.

125 13. For monitoring purposes, properly identified Wellington staff including, but
126 not limited to, Building Inspectors, Code Compliance Officers and Planning
127 and Zoning staff shall be allowed unrestricted access to the site.

128 14. Sound testing shall be conducted for the first event at the eastern and
129 northern property lines and a report provided to the Village with the results. If
130 the results of the testing exceed the Wellington noise limits, the owner shall
131 modify the sound system and retest to ensure compliance. For one (1) year

132 from the approval date of this resolution, testing shall be reported on a
133 monthly basis for all events. Should any of the testing results exceed the
134 Wellington noise limits, mitigation may be imposed by the Planning and
135 Development Services Director and will be required to be completed within
136 two (2) weeks of notification.

137 **Lighting:**

138 **15.** All parking lot lighting shall be limited to a maximum of 15 feet in height.

139 **16.** Adequate lighting shall be provided on site and at the project access points
140 based on the photometric plan submitted with the Site Plan Application and
141 approved by Council. All new lighting required as a part of this approval
142 shall be installed no later than December 31, 2014.

143 **Traffic:**

144 **17.** Parking of vehicles along any portion of adjacent road rights-of-way is
145 PROHIBITED. Event parking is limited to on-site designated parking areas
146 and on-site trailer parking areas designated in accordance with the
147 conceptual site plan and circulation plan attached as Exhibits "B" and "C"
148 respectfully.

149 **18.** Adequate ingress and egress directly to and from South Shore Boulevard
150 and Pierson Road shall be maintained at all times to minimize impacts to
151 normal traffic flow. Palm Beach Sheriff's Office deputies shall be utilized for
152 traffic control for larger events (typically greater than 500 spectators) in
153 accordance with the approved Circulation Plan. The Village Engineer may
154 require additional officers to mitigate traffic issues that arise due to the
155 equestrian shows/events.

156 **19.** Applicant shall construct the following off-site improvements prior to
157 December 31, 2014:

- 158 a. New, horse crossing from south side of Pierson Road to north
159 side of C-23 Canal.
- 160 b. Bridle Trail along south property line from the new access point to
161 the east property line.
- 162 c. . Designated north bound right turn lane on South Shore
163 Boulevard with a minimum of 280 feet of storage and 50 foot
164 taper at the South Shore access to the property.
- 165 d. Provide a separate east approach left turn lane with 280 feet of
166 storage at Pierson Road and South Shore Boulevard intersection.
- 167 e. Provide a separate west approach left turn lane with 370 feet of
168 storage at Pierson Road and South Shore Boulevard intersection.
- 169 f. .

170 **20.** To comply with the mandatory Traffic Performance Standards, in place at
171 the time of this approval, no building permits for the site shall be issued after
172 December 31, 2016, excluding permits for approved temporary structures.
173 A time extension for this condition may be approved by the County and
174 Village Engineer based on an approved Traffic Study which complies with

175 the mandatory Traffic Performance Standards in place at the time of the
176 request.

177 **21.** Prior to December 31, 2015, a queuing analysis of the southbound left turn
178 lane at the South Shore Boulevard driveway, the northbound left turn lanes
179 at the intersection of Greenview Shores Boulevard and South Shore
180 Boulevard and the ingress/egress of Pierson Road entrance shall be
181 submitted to the Village. The analysis will be based on existing peak season
182 counts and queuing data at the time with traffic from unbuilt intensities
183 included. If deficiencies are exposed by the queuing analysis additional off-
184 site and on-site infrastructure improvements to the roadways and access
185 points may be required. The monitoring shall continue until December 31,
186 2017. Annual reports shall be provided to the Village prior to December 31st
187 for this period.

188 **22.** The South Shore entrance shall be designated as the primary
189 entrance to the facility, but access to the site from the Pierson road
190 entrance will not be limited or restricted.

191 **23.** A perimeter road will be required along the northern property line for
192 connectivity throughout the site and indicated on the approved site plan.
193 The specific roadway material is to be approved by the Village Engineer.
194

195 **BMP:**

196 **24.** Applicant shall comply with the BMP Standards approved specifically for this
197 site and in accordance with the South Florida Water Management District
198 Permit.

199 **25.** Manure shall be removed from the premises on a daily basis during all horse
200 show events and disposed in a manner approved by the Palm Beach County
201 Health Department. Manure shall be collected and transported by a
202 registered livestock waste hauler in accordance with the BMPs.
203

204 **Building:**

205 **26.** The applicant shall obtain permits for all structures and tents in accordance
206 with Wellington's Land Development Regulations, the Florida Building Code
207 and including the Fire Code.

208 **27.** All tents shall be inspected by the Palm Beach County Fire Rescue
209 Department for compliance with applicable Federal, State, or Municipal fire
210 protection standards. Tents shall be inspected and approved prior to
211 occupancy.

212 **Engineering:**

213 **28.** Permanent sanitation facilities shall be constructed by December 31, 2015,
214 and shall be sized to accommodate approved permanent structures.
215 Portable/temporary sanitation facilities shall be permitted in accordance with
216 health and safety standards until the construction of permanent sanitation

217 facilities is completed. Further, portable/temporary sanitation facilities shall
218 be permitted for temporary event use in accordance with health and safety
219 standards and shall be removed within 24 hours after the event. The location
220 of the permanent and temporary sanitation facilities shall be provided on the
221 approved site plan.

222 **29.** Applicant shall comply with all provisions of Article 7.2 and 6.10 of the
223 Wellington Land Development Regulations for the grassed parking.

224 **30.** All basic infrastructure for the permanent structures and those temporary
225 structures that will be serviced by the basic infrastructure (roads, drives,
226 parking, lighting, bathrooms, seating, horse wash, manure bins, etc.) shall
227 be permanent and shall comply with Wellington's Codes and Standards,
228 except to the extent otherwise provided herein.

229 **Planning:**

230 **31.** Applicant must submit an application and receive approval for a Master Sign
231 Plan for the site prior to the installation of any signage that is not currently
232 approved for the site.

233 **32.** The Commercial Equestrian Arena Site Plan shall be approved by the
234 Council and the general layout, uses and intensity of the uses shall be in
235 substantial compliance with the conceptual site plan that is attached as
236 Exhibit "B".

237 **33.** A Circulation Plan shall be submitted and approved with the Commercial
238 Equestrian Arena Site Plan that includes on-site and off-site circulation.

239 **34.** The temporary tent stalls shall be limited to use by participants of this
240 commercial equestrian arena only during the months of January through
241 March. A one (1) month extension of this use may be granted
242 administratively by the Planning Department when a written request is
243 submitted by the Applicant. The tents may be erected up to one (1) month
244 prior to use and must be taken down within two (2) weeks of the expiration
245 of the period approved for use.

246 **35.** Annual reports of the spectator attendance counts and stall usage for all
247 events shall be provided to Wellington by July 1 of each year or as otherwise
248 requested by Wellington. Wellington reserves the right to require additional
249 improvements if reports indicate attendance and stall usage significantly
250 greater than that analyzed.

251 **36.** The stalls for this facility may not be used for overflow stabling. Overflow
252 stabling shall mean stabling of horses that compete exclusively at venues
253 other than on the property. Nothing herein shall be construed to prohibit the
254 stabling of horses that compete both at the property and other venues within
255 the Village. This condition does not apply to the Riding Academy
256 participants

257 **37.** Applicant shall install a solid, opaque fence a minimum height of five feet
258 along the entire southeast corner of the property. The fencing shall begin at

The applicant agrees to work with the Village on an ongoing basis to mitigate any impacts from headlights on residents of Polo Island.

SECTION 3. Should a legal challenge to the approval of the Compatibility Determination result in a temporary injunction or otherwise prohibit the developer from completing any specific condition under this Compatibility Determination within the time provided or executing any portion of the approved site or circulation plans herein, the Village shall toll the time requirement for completion of such condition or conditions until the resolution of the litigation. During such tolling period, no permits will be issued and no temporary or permanent COs will issue.

SECTION 4. This Resolution shall become effective immediately upon adoption. The Conditions of Approval for the Compatibility Determination adopted by this Resolution shall become effective on May 1, 2014, immediately after the expiration date of the 2013/2014 Equestrian Special Permit approved by Resolution No. 2013-42 for Equestrian Sport Production, LLC.

PASSED AND ADOPTED this 24th day of October 2013.
