AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. INTRODUCTION

The Village of Wellington strives to provide a suitable living environment, especially for low- to moderate-income (LMI) households and special needs communities. The Village is designated as an entitlement community by the U.S. Department of Housing and Urban Development (HUD) enabling it to be eligible for federal Community Development Block Grant (CDBG) funds allocated through HUD's Community Planning Development program. The Village's CDBG program manages CDBG grant funds and ensures compliance with the regulations and guidelines set by HUD. These funds will support the Village in achieving its community development goals as outlined by HUD. These goals include, but are not limited to, providing affordable housing, improving public infrastructure and facilities, and offering public services for low- to moderate-income households and the special needs community.

The PY 2025 Annual Action Plan describes the eligible activities that will work towards accomplishing the goals established in the strategic plan. By addressing the identified priority needs, the Village of Wellington will improve the quality of life of its residents.

2. SUMMARIZE THE OBJECTIVES AND OUTCOMES IDENTIFIED IN THE PLAN

The Annual Action Plan outlines the eligible activities aimed at achieving the goals set forth in the strategic plan. CDBG funds will be used to administer the grant and support housing rehabilitation for senior citizens. By addressing these identified priority needs, Wellington will improve the quality of life for its residents. The following priorities and associated goals have been identified in this plan:

Housing Rehabilitation: Improve the availability, accessibility, and condition of affordable housing for low- and moderate-income and special needs households in Wellington.

Youth Services, Employment Training: Support programs that create economic opportunities and provide workforce training for low-income persons in Wellington.

Program Administration: Administer Wellington's CDBG program

3. EVALUATION OF PAST PERFORMANCE

Wellington, along with various public, private, and nonprofit community housing providers and community development service agencies, has made significant contributions to ensure safe, decent, and affordable housing. They have also worked on improving public facilities and infrastructure, as well as providing vital public services in the Village. While considerable progress has been made, several critical issues remain. These include the need for ongoing public improvements in low- to moderate-income areas, and the demand for more affordable housing. These challenges are well-documented in the current Consolidated Plan and the most recent Program Year 2023 Consolidated Annual Performance and Evaluation Report (CAPER).

The CAPER provides an assessment of progress towards the five-year goals and the one-year goals of the CDBG program. The evaluation of Wellington's performance is summarized in the annual CAPER report. The following is a summary of accomplishments by priority:

Housing: The Village of Wellington's Housing Rehabilitation program served a total of eight LMI households with essential housing rehabilitation projects.

Public Services: The Village of Wellington's Summer Youth Employment program served 20 LMI students and the Youth Mentoring Program served a total of 20 youth. The Senior Transportation Program assisted 99 seniors.

4. SUMMARY OF CITIZEN PARTICIPATION PROCESS AND CONSULTATION PROCESS

The Village of Wellington has established a Citizen Participation Plan (CPP) to promote public support for the development of the PY 2025 Annual Action Plan. The Village actively encourages open communication and collaboration among citizens, public agencies, non-profit organizations and other stake holders to engage them in a constructive manner and identify priority needs. Below is a summary of the efforts made.

PUBLIC COMMENT PERIOD: The CPP required that the Village of Wellington make the Plan available to citizens, agencies, and other interested parties for their review and comment for a period of 30 days. In compliance with the requirements of 24 CFR 91.105, the Village of Wellington made available the Plan for public review and comment from June 27, 2025 to July 27, 2025. Persons requesting a draft of the

proposed 2025-26 Annual Action Plan could submit their request to Grants@wellingtonfl.gov and a copy of the requested document could be emailed to the requestor. All comments regarding the 2025-26 Annual Action Plan needed to be emailed to Grants@wellingtonfl.gov by 5:00pm on July 27, 2025.

PUBLIC HEARING: An additional opportunity to comment on the Action Plan was provided at a public hearing which was held at 4:00 p.m. on June 25, 2025 in the Council Chambers at Village Hall at 12300 Forest Hill Boulevard, Wellington, FL 33414. Alternatively, those unable to attend the public meeting could email written comments to the Planning, Zoning, and Building Department at Grants@wellingtonfl.gov prior to the meeting.

The AP-12 Citizen Participation process summarizes citizen participation outreach efforts. Citizen participation outreach documents are attached in the AD-26.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. INTRODUCTION

The Village of Wellington consulted with several organizations, individuals, community groups, stakeholders, and other departments when preparing the Consolidated Plan. This helped to identify the needs and goals that formed the activities in the PY 2025 AAP. This section lists the organizations that were consulted in the development of the plan.

PROVIDE A CONCISE SUMMARY OF THE JURISDICTION'S ACTIVITIES TO ENHANCE COORDINATION BETWEEN PUBLIC AND ASSISTED HOUSING PROVIDERS AND PRIVATE AND GOVERNMENTAL HEALTH, MENTAL HEALTH AND SERVICE AGENCIES (91.215(L))

The Village Planning, Zoning and Building Department consulted with various departments, community stakeholders, local non-profit service providers, and entitlement program beneficiaries to inform and develop the priorities and strategies contained within the PY 2025 AAP.

In addition to the direct citizen participation outlined in the citizen participation process, the Planning, Zoning and Building Department consulted with local housing service providers and community development agencies. This collaboration aimed to assess community needs, establish priorities, and identify goals and programs to address those needs.

Wellington does not own or operate any public housing; however, other housing providers in the community continuously seek to rehabilitate the supply of housing affordable to low- and moderate-income persons. The Palm Beach County Housing Authority (PBCHA) administers public housing and vouchers in Palm Beach County and covers the Wellington area.

DESCRIBE COORDINATION WITH THE CONTINUUM OF CARE AND EFFORTS TO ADDRESS THE NEEDS OF HOMELESS PERSONS (PARTICULARLY CHRONICALLY HOMELESS INDIVIDUALS AND FAMILIES, FAMILIES WITH CHILDREN, VETERANS, AND UNACCOMPANIED YOUTH) AND PERSONS AT RISK OF HOMELESSNESS.

The Village of Wellington will continue to collaborate with the Continuum of Care to provide information and referrals to services for homeless persons in the Village. Many programs are operated by the

Continuum of Care lead, Homeless and Housing Alliance of Palm Beach County (Palm Beach County Division of Human and Veteran Services,) and partnering agencies.

Wellington will assess the needs of homeless persons in the community on an individual basis, provide information, and make appropriate referrals accordingly. The Village provides referrals to programs and resources within Palm Beach County or the State, and these resources are identified on the Community Assistance webpage (www.wellingtonfl.gov/communityassistance) and at Wellington municipal department offices.

Additionally, homeless outreach is regularly conducted by the Division of Human and Veterans Services under the Palm Beach County Community Services Department. The Homeless and Housing Alliance (HHA) of Palm Beach County maintains Homeless Outreach Teams (HOT). The Homeless Coalition of Palm Beach County also sponsors events to reach out to homeless persons and identify individual needs.

In addition, the Palm Beach County Division of Human and Veteran Services conducts an annual Point in Time (PIT) survey counting homeless people in the county. The results indicate the need for affordable housing as well as information on the demographics and circumstances of homeless individuals and families in our communities.

DESCRIBE CONSULTATION WITH THE CONTINUUM(S) OF CARE THAT SERVES THE JURISDICTION'S AREA IN DETERMINING HOW TO ALLOCATE ESG FUNDS, DEVELOP PERFORMANCE STANDARDS FOR AND EVALUATE OUTCOMES OF PROJECTS AND ACTIVITIES ASSISTED BY ESG FUNDS, AND DEVELOP FUNDING, POLICIES AND PROCEDURES FOR THE OPERATION AND ADMINISTRATION OF HMIS

N/A. Wellington is not a recipient of ESG funds, and does not anticipate receiving grant funds under the McKinney-Vento Homeless Assistance Program, Supportive Housing Shelter Plus Care Program, or Section 8 Program; and will not utilize any CDBG funds to address homeless needs specifically.

AP-15 Expected Resources

INTRODUCTION

The Five-Year Consolidated Plan is a document, required by the U.S Department of Housing and Urban Development (HUD), that identifies federal, state, local and private resources expected to be available to the Village of Wellington to address priority needs and specific objectives identified in the Strategic Plan. These resources are summarized in SP-35. The Consolidated Plan serves as a planning document meeting the federal government statutory requirements in 24CFR 91.200-91.230, the Annual Action Plan is the mechanism where the programs and projects are authorized and funded. This Action Plan covers the fourth year of the Consolidated Plan period beginning October 1, 2025 through September 30, 2026.

The Village of Wellington anticipates an annual allocation of \$289,551.00 in CDBG funding for the 2025/2026 program year. There is no anticipated program income anticipated for program year 2025/2026. The total amount available for program year 2025/2026 is \$289,551.00. CDBG funds will be used for housing and community development activities such as housing rehabilitation, youth services, and administration of the Village's CDBG program. Wellington will also reprogram unused and unallocated funds in the amount of \$3,590.56 in prior year funds towards housing rehab in the plan.

Other resources, such as private and non-Federal public sources may become available to Wellington during the program year. For CDBG leveraging, these include funding from State and Federal grant sources, other Wellington municipal departments or the Village's general fund, or non-profit agencies or organizations or community foundations. Wellington will look to leverage funds, if available and when applicable.

Anticipated resources are summarized in **Table 1**. Wellington has identified priorities and specific goals to address over the five-year planning period. Goal outcomes are described in quantitative terms. Wellington has selected goal outcome indicators and quantities based on previous program performance and current anticipated resource availability.

Table 3 – Anticipated Resources

EXPLAIN HOW FEDERAL FUNDS WILL LEVERAGE THOSE ADDITIONAL RESOURCES (PRIVATE, STATE AND LOCAL FUNDS), INCLUDING A DESCRIPTION OF HOW MATCHING REQUIREMENTS WILL BE SATISFIED

Wellington will look to leverage funds, if available, from other state and federal grants, Village municipal departments, non-profit housing and public service providers, third-party developers, public housing authorities, and other agencies and programs against CDBG dollars. Wellington will assure that the requirements related to non-federal share will be utilized as referenced in 24 CFR 570.201 (3) (g), for any project in which CDBG funding is used as the non-federal match. In the future, the Village will continue to aggressively pursue funding from private, public, state, and federal sources to address economic and community development needs.

IF APPROPRIATE, DESCRIBE PUBLICLY OWNED LAND OR PROPERTY LOCATED WITHIN THE JURISDICTION THAT MAY BE USED TO ADDRESS THE NEEDS IDENTIFIED IN THE PLAN

Currently, Village owned land is dedicated to public facilities and parks. These amenities are used to provide services and activities for residents, including youth, seniors, and the special needs population. These lands will continue to be made available to the public and to address public needs. Excess property shall be disposed of pursuant to local, state, and federal laws; and income derived from related properties shall be returned to its appropriate funding source.

DISCUSSION

Wellington's anticipated funding allocation from CDBG will be applied to address the Consolidated Plan's five-year goals, including housing, public services, and program administration. Wellington is fortunate to have a network of partners, including other Wellington municipal departments, Palm Beach County departments, regional agencies and organizations, housing and public service providers, and dedicated residents to help address these goals through financial leveraging, coordination, and collaboration. The Village of Wellington receives State Housing Initiative Partnership (SHIP) program funds, which are used to provide owner-occupied housing rehabilitation and emergency repairs and disaster relief assistance. SHIP funds are not used to leverage any specific CDBG activities.

AP-35 Projects

INTRODUCTION

Wellington's planned actions for the 2025/2026 Annual Action Plan are intended to support housing, and economic development for low- income populations as well as the Village's special needs population. The activities for this year have been planned in accordance to HUD national objectives.

The Village will continue to operate its CDBG program through the Planning, Zoning and Building Department, which will provide funding for housing rehabilitation, youth services, and planning and administration. These actions will improve the quality of housing and quality of life for low- income persons living in Wellington. As in the past, the Village will continue to coordinate with other public or social service providers to prevent homelessness and promote access to public services for special needs populations generally assumed to be low- and moderate-income.

Table 5– Project Information

DESCRIBE THE REASONS FOR ALLOCATION PRIORITIES AND ANY OBSTACLES TO ADDRESSING UNDERSERVED NEEDS

The allocation priorities are focused on three goals of the Strategic Plan: housing, public services, and program administration. Wellington will not fund economic development in PY 2025. It is important to note that total funding for public services is capped at 15% of the total CDBG allocation. Total funding for activities related to administration is capped at 20% for CDBG.

Strategic Plan Goal	CDBG (% of Total Expected)*
Housing:	\$195,296.56 (66%)
Public Service:	\$40,000 (14%)
Administration/Planning:	\$57,845 (20%)

**No program income or prior-year resources are anticipated. Percentages may not equal 100% due to rounding.*

Wellington's primary obstacle to meeting underserved needs is a lack of funding. In recent years, reduced revenues have plagued all levels of government (federal, state, and local). Combined with the effects of the coronavirus (COVID-19) pandemic, inflation, and supply issues, these reduced revenues have hindered Wellington's ability to meet the needs of lower income residents. Wellington receives a relatively small CDBG allocation since becoming an entitlement community in 2012. Housing in Palm Beach County is another obstacle to meeting underserved needs, costs of living in Palm Beach County remain higher than the state average. Within Wellington and in recent years, housing prices for both rental and ownership have dramatically outpaced household income, making homes less affordable for lower income families. Wellington's small CDBG allocation is used for housing rehabilitation and repair to help maintain the existing affordable housing inventory, in conjunction with activities that provide public services and economic development.

AP-50 Geographic Distribution

DESCRIPTION OF THE GEOGRAPHIC AREAS OF THE ENTITLEMENT (INCLUDING AREAS OF LOW-INCOME AND MINORITY CONCENTRATION) WHERE ASSISTANCE WILL BE DIRECTED

Wellington will use CDBG funds throughout the jurisdiction to serve low- and moderate- income persons. Individuals or families are considered low- and moderate- income if they meet at or below 30 percent, 50 percent, and 80 percent of the median family income for the area. The Village's basis for allocating CDBG funding geographically will consist of allocating resources to areas with the highest percentage of low- and moderate-income persons. CDBG funds will be used to improve the quality of housing and the quality of life for low- and moderate-income persons, communitywide.

Wellington has identified three (3) projects to implement with associated goals of the Strategic Plan during the fourth year of the Five-Year 2022-2026 Consolidated Plan. These projects benefit low- and moderate-income persons communitywide and within the Village's low- and moderate-income areas. Projects with communitywide benefit include housing rehabilitation and economic development activities, and the Village's administration of the CDBG program.

Wellington is designated as an exception grantee by HUD. In order for a Census Block Group to qualify as a low- and moderate-income area, a Block Group in the Village must contain 35.05% or more low- and moderate-income population.

TABLE 59: GEOGRAPHIC DISTRIBUTION

Target Area	Percentage of Funds
Communitywide (All Low- and Moderate-Income Areas or Persons)	100%

Table 6 – Geographic Distribution

RATIONALE FOR THE PRIORITIES FOR ALLOCATING INVESTMENTS GEOGRAPHICALLY

Wellington's rationale for allocating investments geographically is dependent upon the location of low- and moderate-income populations, which may reside anywhere in the village. As an "Exception Grantee," Wellington reviews HUD-published data on an annual basis for all village neighborhoods where at least

35.05% of the population is determined to be low- and moderate-income (i.e., earning 80% or less of the Area Median Income). Currently there are nine (9) U.S. Census Block Groups that meet or exceed these criteria in the Village. Eight (8) of these Block Groups are fully located within the Village of Wellington limits. These identified areas are situated predominately in the central and eastern portions of the Village (see Strategic Plan, **Map 5**).

DISCUSSION

Low-Income Households Concentration

A “low-income concentration” is any census tract where the median household income (MHI) is 80% or less than the MHI for Wellington. According to the 2019-2023 ACS 5-Year Estimates, the MHI in Wellington is \$110,294. A tract is considered to have a low-income concentration if the MHI is \$88,235 or less. There were two tracts with a concentration: 77.50 and 77.63 in the north east part of Wellington.

Race/Ethnic Minority Concentration

A “racial or ethnic concentration” is any census tract where a racial or ethnic minority group makes up 10% or more of that group’s village-wide percentage. Data was taken from the 2019-2023 ACS 5-Year estimates. Due to the small sample size, only racial or ethnic groups making up at least 1% of Wellington’s population were analyzed.

Black or African American, non-Hispanic: This group makes up 11.4% of the citywide population, and a census tract is considered a concentration if 21.4% of the population is part of this racial group. There were two tracts with a concentration (77.50 and 77.63) in the north east part of Wellington. These tracts are also tracts with low-income concentration.

Asian, non-Hispanic: Approximately 5.7% of Wellington’s population identifies as Asian. A census tract is considered a concentration if 15.7% of the population is part of this racial group. There is one tract with a concentration on the eastern border of the village (77.75).

Hispanic: Hispanics comprise 26.9% of the village's population, and a census tract is considered a concentration if 36.9% of the population is part of this ethnic group. There is one tract with a concentration in the north central part of the village (77.25).

AP-55 Affordable Housing

INTRODUCTION

Wellington has adopted a housing goal that places a high priority on improving the availability, accessibility, and condition of affordable housing for low- and moderate-income residents of the Village. While the Village emphasizes housing rehabilitation, this goal will also be addressed by local non-profit and for-profit organizations and developers that construct new, modestly priced, affordable houses, or that repair existing houses for resale to lower-income, first-time homebuyers. In addition, the Village will seek other creative ways to provide affordable housing opportunities.

The Annual Action Plan must specify goals for the number of homeless, non-homeless, and special needs households to be supported within the program year. These numbers are shown are inclusive of the affordable housing activities shown in the two affordable housing goal tables below, and indicates the number of households to be supported through specific activities, such as rental assistance, production of new units, rehabilitation of existing units, or acquisition of existing units. For the purposes of this section, the term “affordable housing” is defined in the HOME regulations at 24 CFR 92.252 for rental housing and 24 CFR 92.254 for homeownership.

DISCUSSION

Wellington will rely on various partners throughout its jurisdiction and Palm Beach County to assist its residents in obtaining affordable housing. The primary strategy to address affordable housing within the Village will be owner-occupied rehabilitation loans; however, other creative ways to provide affordable housing will be pursued in conjunction with community partners.

AP-60 Public Housing

INTRODUCTION

This section of the Annual Action Plan describes what actions Wellington will take in the 2025/2026 program year to carry out the public housing portion of the Strategic Plan. Below, the Village has identified how the 2025/2026 Annual Action Plan will address the needs of public housing during the program year.

ACTIONS PLANNED DURING THE NEXT YEAR TO ADDRESS THE NEEDS TO PUBLIC HOUSING

Wellington does not own or operate any public housing; however, other housing providers in the community continuously seek to rehabilitate the supply of housing affordable to low- and moderate-income persons. The Palm Beach County Housing Authority (PBCHA) administers public housing and vouchers in Palm Beach County and covers the Wellington area. In addition to public housing developments, available assistance administered by the PBCHA also includes the Section 8 Rental Assistance Program that provides financial rental assistance to eligible individuals and families based upon income. The amount paid for rent and utilities will generally not exceed 30% of income. Family income must be within HUD's guidelines for household size in order to qualify. Housing units must pass the Housing Quality Standards Inspection per guidelines established by HUD. This program typically has a waiting list.

ACTIONS TO ENCOURAGE PUBLIC HOUSING RESIDENTS TO BECOME MORE INVOLVED IN MANAGEMENT AND PARTICIPATE IN HOMEOWNERSHIP

While Wellington itself does not have an established public housing authority, over the next year the Village will continue to collaborate with the PBCHA to provide housing assistance for low and moderate-income residents in the Village and encourage public housing residents to become more involved in homeownership opportunities in the Wellington area.

IF THE PHA IS DESIGNATED AS TROUBLED, DESCRIBE THE MANNER IN WHICH FINANCIAL ASSISTANCE WILL BE PROVIDED OR OTHER ASSISTANCE

The PBCHA was last assessed in 2018 and received a score of 83 according to the April 2019 HUD Public Housing Assessment System (PHAS) scores report and has been previously designated as a “high performer.” The most recent performance evaluation was “waived,” and the housing authority is not considered by HUD to be “troubled” or poorly performing.

DISCUSSION

Wellington does not own any public housing; however, it resides within the Palm Beach County Housing Authority, which manages and administers public housing for residents of Wellington. The PBCHA is not designated as troubled.

AP-65 Homeless and Other Special Needs Activities

INTRODUCTION

This section of the Annual Action Plan describes Wellington's one-year goal, and the specific actions steps it will undertake in the program year to carry out the homeless strategy identified in the Strategic Plan. Additionally, this section addresses any activities related to the supportive housing needs of non-homeless populations. The Village of Wellington's strategies that subsidize, preserve, or create affordable housing in Wellington for low- and moderate-income persons are deemed to be preventing homelessness.

DESCRIBE THE JURISDICTIONS ONE-YEAR GOALS AND ACTIONS FOR REDUCING AND ENDING HOMELESSNESS

Over the next year, Wellington does not anticipate receiving grant funds under the McKinney-Vento Homeless Assistance Program, Supportive Housing Shelter Plus Care Program, or Section 8 Program; and will not utilize any CDBG funds to address homeless needs specifically. During the most recent Point-in-Time (PIT) count conducted by the Palm Beach County Division of Human and Veteran Services and its partners in January 2021, there were 458 homeless persons in 303 homeless households in Palm Beach County. It is unknown how many homeless persons reside in Wellington. However, during the next year, the Village will continue to collaborate with the Continuum of Care to provide information and referrals to services for homeless persons in the Village.

REACHING OUT TO HOMELESS PERSONS (ESPECIALLY UNSHELTERED PERSONS) AND ASSESSING THEIR INDIVIDUAL NEEDS

Wellington will assess the needs of homeless persons in the community on an individual basis, provide information, and make appropriate referrals accordingly. The Village provides referrals to programs and resources within Palm Beach County or the State, and these resources are identified on the Community Assistance webpage (www.wellingtonfl.gov/communityassistance) and at Wellington municipal department offices. Community assistance resources to prevent homelessness include:

- Emergency Rental and Utility Assistance from Palm Beach County
- Florida Hometown Heroes Housing Program

Additionally, homeless outreach is regularly conducted by the Division of Human and Veterans Services under the Palm Beach County Community Services Department. The Homeless and Housing Alliance (HHA) of Palm Beach County maintains Homeless Outreach Teams (HOT). The Homeless Coalition of Palm Beach County also sponsors events to reach out to homeless persons and identify individual needs.

ADDRESSING THE EMERGENCY SHELTER AND TRANSITIONAL HOUSING NEEDS OF HOMELESS PERSONS

There are no emergency shelters or transitional housing facilities within Wellington. The Village will provide referrals to those in need of these services to the local Continuum of Care. Palm Beach County has opened a one-stop homeless resource center, which will provide temporary shelter, job training, and medical services to the homeless. Local municipalities will have the ability to transport homeless persons in their community to the homeless resource center to allow homeless persons in the Wellington area to gain access to mainstream resources throughout Palm Beach County.

HELPING HOMELESS PERSONS (ESPECIALLY CHRONICALLY HOMELESS INDIVIDUALS AND FAMILIES, FAMILIES WITH CHILDREN, VETERANS AND THEIR FAMILIES, AND UNACCOMPANIED YOUTH) MAKE THE TRANSITION TO PERMANENT HOUSING AND INDEPENDENT LIVING, INCLUDING SHORTENING THE PERIOD OF TIME THAT INDIVIDUALS AND FAMILIES EXPERIENCE HOMELESSNESS, FACILITATING ACCESS FOR HOMELESS INDIVIDUALS AND FAMILIES TO AFFORDABLE HOUSING UNITS, AND PREVENTING INDIVIDUALS AND FAMILIES WHO WERE RECENTLY HOMELESS FROM BECOMING HOMELESS AGAIN

One of Wellington's strategies for preventing and reducing homelessness is to promote and encourage the development of programs that facilitate the transition from homelessness into permanent housing. Many of these programs are operated by the Continuum of Care lead, Homeless and Housing Alliance of Palm Beach County (Palm Beach County Division of Human and Veteran Services,) and partnering agencies. Local non-profit organizations serving the homeless population in the Wellington area will operate under the County's discharge coordination policy.

HELPING LOW-INCOME INDIVIDUALS AND FAMILIES AVOID BECOMING HOMELESS, ESPECIALLY EXTREMELY LOW-INCOME INDIVIDUALS AND FAMILIES AND THOSE WHO ARE: BEING DISCHARGED FROM PUBLICLY FUNDED INSTITUTIONS AND SYSTEMS OF CARE (SUCH AS HEALTH CARE FACILITIES, MENTAL HEALTH FACILITIES, FOSTER CARE AND OTHER YOUTH FACILITIES, AND CORRECTIONS PROGRAMS AND INSTITUTIONS); OR, RECEIVING ASSISTANCE FROM PUBLIC OR PRIVATE AGENCIES THAT ADDRESS HOUSING, HEALTH, SOCIAL SERVICES, EMPLOYMENT, EDUCATION, OR YOUTH NEEDS

The 2025/2026 Annual Action Plan focuses on providing a number of programs that benefit low-income individuals and families. Programs include housing rehabilitation, transportation assistance, youth mentoring, youth employment and workforce training. Wellington will continue to encourage and assist locally funded nonprofits to access homeless funding.

DISCUSSION

Wellington does not plan to allocate 2025/2026 CDBG funds toward specific activities to reduce homelessness. The Village will continue to offer information, referrals, and coordination with agencies that provide shelter, medical assistance, case management, job skills training, and other homeless services.

AP-75 Barriers to Affordable Housing

INTRODUCTION

This section summarizes actions Wellington will undertake during the program year to reduce barriers to affordable housing and influence whether the cost of housing or the incentives to develop, maintain, or improve affordable housing are affected by public policies, particularly those of the local jurisdiction.

According to the Housing Leadership Council of Palm Beach County and the “Housing for All: Palm Beach County Housing Action Plan,” published in 2021, the current housing crisis has resulted from limited housing inventory coupled with growing income gaps, rising rents, and untenable cost burdens. The Housing Leadership Council cites the limited availability and high cost of land and construction materials, which is exacerbated by regulations on density that underutilize land, and other barriers such as processing of development approvals and permits. These policy barriers may be ameliorated by creative funding and financing, planning and regulatory reform, targeted neighborhood revitalization, community development, and promotion of racial equity in housing policy.

Wellington’s housing market presents the most significant barrier to developing an adequate supply of affordable housing for low- to moderate-income people. The recent coronavirus (COVID-19) pandemic, coupled with inflation and supply issues, has resulted in the exorbitant cost of housing and construction materials. Moreover, residents’ and landlords’ limited knowledge of fair housing standards is another barrier to affordable housing.

ACTIONS IT PLANNED TO REMOVE OR AMELIORATE THE NEGATIVE EFFECTS OF PUBLIC POLICIES THAT SERVE AS BARRIERS TO AFFORDABLE HOUSING SUCH AS LAND USE CONTROLS, TAX POLICIES AFFECTING LAND, ZONING ORDINANCES, BUILDING CODES, FEES AND CHARGES, GROWTH LIMITATIONS, AND POLICIES AFFECTING THE RETURN ON RESIDENTIAL INVESTMENT

Palm Beach County has several programs that it utilizes to remove or ameliorate the negative effects of public policies that are barriers to affordable housing. These include workforce housing programs, community land trusts, community redevelopment areas, and coordination with developers and municipalities, including Wellington, to identify and address barriers to affordable housing. The Housing Leadership Council, a regional partner, also works to identify and address such barriers. In general,

Wellington will continue to work with non-profit housing developers and providers to increase the amount of affordable housing.

During the next year, Wellington will implement the following strategies:

- Identify non-profit organizations and developers serving low- and moderate-income residents
- Conduct a communitywide Fair Housing forum for lending practices
- Promote public and private partnerships to increase affordable housing options

Wellington has adopted a Housing goal that places a high priority on improving the availability, accessibility, and condition of affordable housing for low- and moderate-income residents. Wellington's primary strategies will be housing repair and rehabilitation to improve the existing inventory of affordable housing for low- and moderate-income residents, and public transit assistance for transportation disadvantaged households.

DISCUSSION

Wellington will continue to avoid all barriers to affordable housing as it has in the past. See also **SP-55**, "Barriers to Affordable Housing" in the Five-Year Consolidated Plan for more detailed explanations of strategies.

AP-85 Other Actions

INTRODUCTION

This section of the Annual Action Plan describes Wellington's planned actions to carry out the following strategies outlined in the Strategic Plan:

- Foster and maintain affordable housing;
- Evaluate and reduce lead-based paint hazards;
- Reduce the number of poverty-level families;
- Develop institutional structure; and
- Enhance coordination.

In addition, the Village has identified obstacles to meeting underserved needs and proposed actions to overcome those obstacles.

ACTIONS PLANNED TO ADDRESS OBSTACLES TO MEETING UNDERSERVED NEEDS

The obstacles to meeting the underserved needs in Wellington consist of the following: the limited available resources to meet the needs of low- and moderate-income persons. The Village plans to provide youth services and employment opportunities to address these obstacles.

As the population of the Village continues to grow, limitations on affordable housing will become a major barrier. The high cost of housing in the Village has amplified the demand for affordable housing. A home rehabilitation program is offered for low- and moderate-income households to improve housing quality for those who qualify.

ACTIONS PLANNED TO FOSTER AND MAINTAIN AFFORDABLE HOUSING

In the Strategic Plan, the Village's five-year housing goal is to improve the availability, accessibility, and condition of affordable housing for low- and moderate-income and special needs households in Wellington. This goal is addressed, in part, by the implementation of a housing rehabilitation program for income-eligible households. Additionally, the Village will continue to coordinate with affordable housing developers on creative ways to provide affordable housing and will provide referrals on a case-by-case

basis to the various Palm Beach County agencies, including the PHA, that provide housing services to low- and moderate-income persons.

ACTIONS PLANNED TO REDUCE LEAD-BASED PAINT HAZARDS

The lead-based paint analysis for Wellington has revealed relatively new housing stock built after 1978, which significantly decreases the likelihood of lead poisoning. During the 2025/2026 Annual Action Plan period, the Village does not anticipate allocating any CDBG funds for the evaluation or reduction of lead-based paint hazards; however, as a precautionary measure, the Village will continue to annually monitor the age of the housing stock and evaluate lead-based paint hazards on a project-by-project basis.

ACTIONS PLANNED TO REDUCE THE NUMBER OF POVERTY-LEVEL FAMILIES

According to the 2019-2023 American Community Survey (ACS) estimates, 6.7% of all people living in Wellington are at poverty level or below. The Village does not possess the capacity or manpower to directly improve the poverty status of its citizens. However, the Village supports non-profit groups, County and State efforts to move low-income persons to economic self-sufficiency or to a maximum level of economic independence. In addition, the Village offers programs such as housing rehabilitation, youth and senior services, transportation assistance, and employment training to income-eligible persons. The Village maintains a close working relationship with the Legal Aid of Palm Beach County, Inc., an agency that provides fair housing education and outreach services, landlord/tenant counseling, fair housing enforcement and foreclosure representation. The Village issues a proclamation annually promoting April as Fair Housing Month.

ACTIONS PLANNED TO DEVELOP INSTITUTIONAL STRUCTURE

During the next year, the Planning, Zoning and Building Department will serve as the lead agency for planning and coordinating the implementation of the CDBG-assisted activities. The U.S. Department of Housing and Urban Development (HUD) requires that, during preparation of the Consolidated Plan/Annual Action Plan, entitlement communities consult with other public and private agencies that provide services to low- and moderate-income families. Wellington is in full compliance of this requirement. As a part of the Wellington's planning process for the CDBG Program, over the next year the jurisdiction will

continue to collaborate with various non-profit agencies involved in the implementation of low- and moderate-income programs to discuss housing and non-housing needs for residents of Wellington.

ACTIONS PLANNED TO ENHANCE COORDINATION BETWEEN PUBLIC AND PRIVATE HOUSING AND SOCIAL SERVICE AGENCIES

As previously mentioned, over the next year Wellington will continue to collaborate with various non-profit agencies involved in the implementation of programs and services for low- and moderate-income persons to discuss the housing and non-housing community development needs of the residents of Wellington.

DISCUSSION

Wellington's actions planned to address obstacles to meeting underserved needs include activities in support of seniors, youth, and other low-and moderate-income households. Additionally, the Village's actions to foster and maintain affordable housing include continued funding of the housing rehabilitation program and further coordination with Wellington area agencies and developers that promote access to affordable housing.

Lead-based paint hazards will continue to be evaluated. Institutional structure will continue to be developed through continued coordination with Palm Beach County and other State and local agencies. Wellington will continue to foster inter-agency coordination with the public service agencies in Palm Beach County and the Wellington area.

Citizen Participation Plan

Purpose

The purpose of the Citizen Participation Plan is to establish a viable means by which citizens of Wellington can actively participate in the development of activities undertaken with Community Development Block Grant (CDBG) funds. Wellington will emphasize the participation of persons of low and moderate incomes who reside in the U.S. Department of Housing and Urban Development (HUD) designated areas in which funds are proposed to be used. Wellington ensures continuance of its policies to minimize the potential displacement of persons in these areas. The Citizen Participation Plan also provides for participation of persons representing special target groups, such as senior citizens, persons with disabilities, protected classes defined by the Fair Housing Act, and low/moderate income residents of Wellington.

Article I: Policy Statement

Wellington endorses and encourages active citizen participation relative to the CDBG Program. Methods are utilized to encourage citizen participation in development of the grant submission and implementation of the activities and proposed use of funds as outlined in the following articles. These methods will address timely public notices, public hearings, publication of pertinent information with timely and reasonable access to said hearings, information and records pertaining to the Village's proposed use of grant funds and various appropriate means to address citizen participation as required by the regulations of the Secretary of the Department of Housing and Urban Development, and relating to the actual use of grant funds under Public Law 100-242.

Wellington has devised specific actions to encourage increased participation in its housing and community development programs, particularly by persons of low to moderate income, special needs populations, and protected classes as defined in the Fair Housing Act. Some of the actions include:

- Review of all citizen comments and incorporation of such comments in the Consolidated Plan, Annual Action Plan, and Consolidated Annual Performance Evaluation Report (CAPER) as applicable;

- Analyze the impact of Consolidated Plan program activities on neighborhood residents, particularly low- and moderate-income residents, special needs populations, and protected classes as defined in the Fair Housing Act;
- Conduct Needs Assessments and appropriate on-site visits to each proposed project before including it in the Consolidated Plan or other HUD reports and studies;
- Meet with neighborhood groups to identify priority needs and inform them about the Consolidated Plan and other HUD reports and studies, project eligibility, the program planning process, project selection and funding, and the project implementation process; and
- Seek input from local and regional institutions regarding strategies to address priority needs.

Wellington will strive to increase citizen participation in its housing, community development, and human services programs by providing relevant information so persons/agencies in Wellington might benefit from these grant programs. Techniques may include but are not limited to public housing meetings/forums, neighborhood meetings, presentations to civic associations, public hearings, faith-based meetings, surveys, newspaper articles and advertisements, public access announcements (e.g. Wellington Government Access Channel 18), e-mail, feature stories, postings on the Village website, and individual personal contacts.

Written minutes of the public hearing will be available for review during normal business hours and on the Village website under "AGENDAS/MEETINGS".

Wellington may conduct the following public hearings annually:

1. Needs Assessment Public Hearing: The first public hearing will be conducted annually to determine the nature and types of assistance needed to address Wellington's priority needs.
