Dear Linda King,

Ground Level Inc would like to renew the RFP FWC 09/10-74 for another term. Ground Level's rate card has been reviewed, at this time we request to increase only **Hydro-Ax Mower** from 90.00 to 95.00 per HR, and **All Terrain ATV** from 20.00 to 25.00 per HR. See Attachment **A** updated. The increase is due to the rise in fuel prices. All other unit prices will remain the same. If you have any questions feel free to call. As always we appreciate the business and look forward to future support opportunities.

Thank You,

Tammie Jurnigan
