Thanks Rob, what I'm looking for is the contract duration. Any idea what the # of years are for the new contract?

Hi Jim,

On Last week Sourcewell NJPA announced CDWG was awarded the new Sourcewell Technology Catalog Solutions RFP 081419 nationwide purchasing consortium contract. The contract will replace the current Sourcewell contract 100614-CDW# once executed. CDWG is waiting on Sourcewell to send out the official documents that we can pass on to our customers. I will forward it directly to you when it comes over.
