Re: Contract Renewal #077-12/ENR – Annual Asphalt Milling and Resurfacing

Mr. Volkman

In response to your letter of April 3, 2014, please be advised that Ranger Construction agrees to the extension of the Annual Asphalt Milling and Resurfacing contract, but we would like to request the adjustment of the unit price to the following items:

Pay Item	Original Unit Price	New Unit Price
#8. SP 12.5>200 Ton order	\$87.00	\$93.00
#12. SP 9.5 > 200 Ton order	\$88.00	\$94.00
#14. ACSC Type SI >200 Ton	\$87.00	\$93.00
#16. ACSC Type SIII>200 Ton	\$89.00	\$95.00

This request is based on the combination of the following increases from July 2012 to April 2014

1. 6.27% increase in labor
2. 8% Increase in trucking
3. Variable increase in mix cost (average of 9%) depending on the composition of the mix. The coarse aggregates had an increase of \$0.75/Ton and the Fine aggregates/screenings had an increase of \$10.50/Ton (please see attached invoices from White Rock Quarries for October 2012 and January 2014)

We didn't include any increase in Liquid asphalt or recycle material

We appreciate the opportunity to renew this contract through August 28, 2015 and look forward to keep working with you

Sincerely

Beatriz Ramirez
