## Contract Terms and Conditions

**FLORIDA SHERIFFS ASSOCIATION**  
**Cooperative Purchasing Program**  
Contract Terms and Conditions Rev 8/7/2019

**1.02 PURPOSE**

The Florida Sheriffs Association invites interested Bidders, including Motor Vehicle Manufacturers and Dealers/Certified Representatives to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish a twelve (12) month contract with manufacturers and manufacturer's authorized vendors for the purchase of vehicles and equipment on a "no trade-in basis".

**1.03 TERM OF CONTRACT**

This contract shall remain in effect for one (1) year from date of contract execution by the FSA, and may be renewed by mutual agreement, at the sole option and discretion of the FSA, pursuant to the terms of Section 3.04.

 The term of contract begins October 1, 2019 and ends September 30, 2020.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

Quantities provided do not guarantee or imply future contract sales. Neither the FSA nor any eligible user is obligated to place any order for a given amount subsequent to the award of this bid solicitation.

Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures.

It is our practice to give consideration to the prices offered, but the Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any bidder in responding to this solicitation.

**1.06 FUNDING**

In the case of certain purchasers, including state agencies, funds expended for the purposes of the contract must be appropriated by the Florida Legislature, the individual participating agency or the agency's appropriating authority for each fiscal year included within the contract period. For such agencies, their
