2420 Greenbriar Blvd
WELLINGTON, FL 33414

PROJECT:

NEW HANGAR

ARC ACTION:

APPROVED SUBJECT TO THE FOLLOWING CONDITIONS:

Based on the changes, and the assumption that the materials and colors (walls, windows, roofing) of the new hangar will match the existing house, The ARC approves the revised design for the new hangar.

The applicant will still need to submit final plans noting materials and colors as well as a site plan showing the connection of the new hangar to the existing taxiway (including materials, slope, drainage, culvet, etc) as well as proposed landscaping.
