Give a brief description of the landscape/tree property that is being nominated.

This environmentally-friendly landscaped property which follows many of the Florida-friendly Principles displays pristine curb appeal and design incorporating natives as well as tropical ornamental shrubs. Photo 1 shows Bottlebrush trees lining the front of the property along with Pygmy Date Palms spread throughout the lawn and offers shade. Photo 2 along the driveway entrance show the rare native, perennial Shooting Star (Dodecatheon medadia) pollinator plants as well as native grasses, palms, bromeliads, coonties and ferns. Photo 3 borders the lawn with tall, magnificent palms and cypress trees. Also placed in this area are native Turks Cap (Malvaviscus arboreus) perennials which attracts butterflies and hummingbirds.
