This Message originated outside your organization.

Hi Chevelle,

That is the most recent document that we have regarding the qualifying dates. If it turns out that your Council needs something different/dated more recently, please let me know. Thank you!

Hi Alison,

Thank you for taking my call today. In light of the fact that the 2024 municipal elections will be conducted on March 19, 2024 in conjunction with the Presidential Preference Primary (PPP), we will need a vote from our Council to change our election date as well as our qualifying dates. I do have the attached letter that you all provided to us back in 2021 regarding charter recommendations. Let me know if you all have a more recent document/letter as we haven't conducted a candidate election or any election since March and August 2022, respectively.

Thank you,
Chevelle
