

Palm Beach Central High School Project Graduation 2020

Dear Friends of Palm Beach Central High School,

As the Class of 2020 embarks on their last year of High School, parents are planning **Project Graduation 2020**. Project Graduation is an all-night, lock-in celebration in a drug-free, alcohol-free environment that keeps our children safe on their graduation night in *May*. We will host the event at the Village of Wellington Pierson Park facility. This is our 15th anniversary of hosting this event and as always, our goal is to entertain and feed **over 450 graduates throughout the night**. This annual tradition brings our students, faculty, parents, and community together providing our high school seniors a safe environment in their graduation celebration. This event has proven to be very popular in providing wonderful memories, to last a lifetime, while keeping our graduates and community safe.

As a valued business member, we ask you to partner with us for Project Graduation 2020. The Wellington business community has generously supported Project Graduation over the past 14+ years.

Please consider being part of this memorable celebration by becoming a sponsor. Please refer to the sponsorship opportunities attached. We thank you in advance for your consideration of our event. Please know that **any donation of goods, services or financial support** are appreciated. All donations are tax deductible and forms are available upon request. For further information, please contact Donna Baxter at (561) 433-7929 or at Donna.Baxter@palmbeachschools.org.

Sincerely,

Donna C. Baxter, Student Activities Director
PBCHS PROJECT GRADUATION Committee Liaison

PROJECT GRADUATION

W e l l i n g t o n

a drug-free and alcohol-free celebration

EIN# 46-0714589

Drug Free ~ Keeping Our Graduates Safe ~ Alcohol Free

Each year, teenage alcohol and drug related accidents and fatalities occur as a result of graduation celebrations. Project Graduation is a program offered by many high schools in the United States to ensure a safe graduation night celebration, in which organized adult-supervised alcohol-free activities are offered as a part of a post-graduation party. Project Graduation has become much more than an event that occurs on graduation night.

Wellington High School Project Graduation 2020 is a lock-in event full of food, fun and entertainment beginning at 10PM on graduation night, lasting until 5AM the next morning. There will be a DJ, huge inflatable games, a hypnotist, prizes, and many fun activities. Food and soft drinks are served throughout the entire evening. It's a celebration of friends, memories and good times! The Class of 2020 graduating seniors who have made a conscious decision to enjoy their graduation night without alcohol or drugs are welcome to participate. The event is coordinated by parent volunteers and sponsored by partnerships with community businesses. This event does not receive any funding from the School Board of Palm Beach County.

We need your help! You are invited to support Wellington High School Project Graduation 2020 by becoming an official sponsor by making a financial contribution or donating items/services. Please see the attached form outlining the sponsorship levels. A large sponsor board will be placed in the high-traffic area at the front entrance to the school to acknowledge businesses and individuals who make donations of \$500 or more to Project Graduation. The sign will be displayed for approximately one year beginning in June 2020.

We are very proud of the incredible support Wellington High School Project Graduation receives from the community. Thank you for your consideration of this worthy cause.

Sincerely,

Wellington High School Project Graduation & The Class of 2020
