WHEREAS, the Wellington Council is the governing body in and for Wellington; and

WHEREAS, Section 163.01, F.S., known as the Florida Interlocal Cooperation Act of 1969, as amended, authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage, and to thereby provide services and facilities which will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, the Florida Interlocal Cooperation Act of 1969 permits public agencies, as defined therein, to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

WHEREAS, the County and Wellington have agreed that Wellington shall provide/complete all necessary inspections, testing, and required steps so that Wellington can then accept the transfer of ownership, operations, and maintenance of the portion of Lake Worth described in **Exhibit A** and in accordance with Wellington's annexation Ordinance No. 2026-08, attached hereto as **Exhibit B**; and

WHEREAS, the County and Wellington agree that it is appropriate for the subject portion of Lake Worth Road to be annexed into Wellington without objection from the County; and

Section 9 – General Provisions:

A. Indemnification. Wellington shall protect, defend, reimburse, indemnify, and hold the County, its agents, employees, and elected officers free and harmless from and against all claims, liability, expenses, losses, costs, fines and damages or cause of action of every kind or character, including reasonable attorney's fees and costs, whether at the

trial or appellate levels or otherwise arising out of, during, or as a result of Wellington's performance of the terms of this Agreement. Notwithstanding the foregoing, Wellington's obligation under this provision to the County, its agents, employees, and elected officers shall be limited to the monetary amounts set forth in section 768.28, Florida Statutes (2023). Further, nothing in this Agreement shall be construed as Wellington's consent to be sued by a third party or be subject to any liability for any consequential, incidental, special, punitive, or any other form of indirect or non-compensatory damages. Finally, nothing in this Agreement shall be construed or interpreted as a Party's obligation to indemnify, hold harmless, and/or defend the other Party for such other Party's negligent, willful or intentional acts or omissions.

B. Legal Fees. The Parties shall bear their own costs and expenses, including reasonable attorneys' fees, associated with the enforcement of the terms and conditions of this Agreement.

C. Amendments. Except as expressly permitted herein to the contrary, no modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless agreed to by the Parties in writing and executed in the same manner as was this Agreement.

D. Venue. This Agreement shall be construed and governed by the laws of the State of Florida. Venue for all legal action necessary to enforce this Agreement shall be held exclusively in Palm Beach County. No remedy conferred upon either Party by this Agreement is intended to be exclusive of any other remedy existing at law, in equity, or otherwise. No single or partial exercise by either Party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

E. Preparation. Preparation of this Agreement was a joint effort of the Parties and should not be construed more severely against one Party than the other.

F. Non-Discrimination. The Parties agree that no person shall be excluded on the grounds of race, color, sex, age, national origin, disability, religion, ancestry, marital status, familial status, sexual orientation, or genetic information from the benefits of or be subjected to any form of discrimination under any activity carried out by the performance of this Agreement. The County is committed to assuring equal opportunity in the award of contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2025-0748, as may be amended, Wellington warrants and represents that throughout the term of the Agreement, including any renewals thereof, if applicable, it does not practice discrimination on the bases of race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, or genetic information. Failure to meet this requirement shall be considered a default of the Agreement.

G. Inspector General. The County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The

Inspector General's authority includes but is not limited to the power to review past, present, and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of Wellington, its officers, agents, employees, and lobbyists to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall violate Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second-degree misdemeanor.

H. Records. Each party hereto is a public entity subject to the requirements of Chapter 119, Florida Statutes. Each party shall maintain its own respective records and documents associated with this Agreement in accordance with the records retention requirements applicable to public records. Each party shall be responsible for compliance with any public documents request served upon it pursuant to Section 119.07, Florida Statutes, and any resultant award of attorneys' fees for non-compliance with that law.

Notwithstanding anything contained herein, as provided under Section 119.0701, F.S., if Wellington: (i) provides a service; and (ii) acts on behalf of the County as provided under Section 119.011(2) F.S., Wellington shall comply with the requirements of Section 119.0701, Florida Statutes, as it may be amended from time to time. Wellington is specifically required to:

- i. Keep and maintain public records required by the County to perform services as provided under this Agreement.
- ii. Upon request from the County's Custodian of Public Records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119 or as otherwise provided by law. Wellington further agrees that all fees, charges and expenses shall be determined in accordance with Palm Beach County PPM CW- F-002, Fees Associated with Public Records Requests, as it may be amended or replaced from time to time.
- iii. Ensure that public records that are exempt, or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Agreement, if Wellington does not transfer the records to the public agency.
- iv. Upon completion of the Agreement, Wellington shall transfer, at no cost to the County, all public records in possession of the City unless notified by County's representative/liaison, on behalf of the County's Custodian of Public Records, to keep and maintain public records required by the County to perform the service. If Wellington transfers all public records to the County upon completion of the Contract, Wellington shall destroy any duplicate public records that are exempt, or confidential and exempt

from public records disclosure requirements. If Wellington keeps and maintains public records upon completion of the Contract, Wellington shall meet all applicable requirements for retaining public records. All records stored electronically by Wellington must be provided to County, upon request of the County's Custodian of Public Records, in a format that is compatible with the information technology systems of County, at no cost to County.

- v. Failure of Wellington to comply with the requirements of this section shall be a material breach of this Agreement. County shall have the right to exercise any and all remedies available to it, including but not limited to, the right to terminate for cause. Wellington acknowledges that it has familiarized itself with the requirements of Chapter 119, F.S., and other requirements of state law applicable to public records not specifically set forth herein.

I. Contractual Relationship. County and Wellington are and shall be, in the performance of all work, services and activities under this Agreement independent contractors and not employees, agents or servants of the other Party. All County employees engaged in the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to County's sole direction, supervision, and control. All Wellington employees engaged in the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to Wellington's sole direction, supervision, and control. The Parties shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Parties' relationship and the relationship of its employees to the other Party shall be that of an independent contractor and not as employees or agents of the other. The County and Wellington do not have the power or authority to bind each other in any promise, agreement or representation without the prior written consent of the other Party.

J. Waiver. Any waiver by either Party of its rights with respect to a default under this Agreement, or with respect to any other matters arising in connection with this Agreement, shall not be deemed a waiver with respect to any subsequent default or other matter. The failure of either Party to enforce strict performance by the other Party of any of the provisions of this Agreement or to exercise any rights under this Agreement shall not be construed as a waiver or relinquishment to any extent of such Party's right to assert or rely upon any such provisions or rights in that or any other instance.

K. Legal Compliance. County and Wellington shall abide by all applicable federal, State and local laws, orders, rules and regulations when performing under this Agreement. County and Wellington further agree to the inclusion of this provision in all subcontracts issued as a result of this Agreement.

L. Waiver of Jury Trial. The Parties hereby waive any rights either of them may have to a jury trial in any litigation arising out of or related to this Agreement and agree that they shall not elect a trial by jury. The Parties hereto have separately, knowingly and

voluntarily given this waiver of right to trial by jury with the benefit of competent legal counsel.

M. Third-Party Beneficiaries. No provision of this Agreement is intended to, or shall be construed to, create any third-party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizen or employees of the County and/or Wellington.

N. Survivability. The obligations, rights, and remedies of the Parties hereunder, which by their nature are intended to survive the termination of this Agreement shall survive such termination and inure to the benefit of the Parties.
