Funding Request

Explain in detail how the grant will fund programs, instructional materials and equipment to assist students who are performing below proficiency in reading and/or math. Include the grade levels that will be impacted. (Attach to this application the proposed prioritized budget of the program/equipment) Note: funds can only be used for non-consumable curriculum based materials.

Reading:

We would like to hire 2 teachers to work as tutors during the school day. They will work with our lowest 25% in 4th and 5th grades

We would also like to purchase 18 lap tops for our students to use to access research based reading programs in 2nd and 3rd grades.

162 students in the lowest 25% in grades 2nd - 5th.

Total anticipated cost:

\$15,482.00 for 2 reading tutors

\$13,410.00 for 18 lap tops

Total anticipated cost: \$28.892.00

Performance Measures

Explain how you will be measuring the outcomes and overall effectiveness of the proposed program/equipment:

2nd and 3rd students will take an iReady Diagnostic test 3 times a year and our goal is for every student to make a year's growth as determined by the iReady scale scores.

4th and 5th grade students will achieve a learning gain using FSA reading data.

Note: At the end of the school year, you will be required to submit a Data Summary Report to the Education Committee to remain eligible for future funding.
