**RE: Notice of Hearing Pursuant to Section 489.113, Florida Statutes;  
Jacek Tomasik, CBO referring Florida Delta Mechanical**

Dear Mr. Dimitre Bobev:

This letter is to notify you that the Village of Wellington Construction Board of Adjustments and Appeals (CBAA) will conduct a hearing to review the number of expired building permits currently under your license. The hearing has been postponed and the new date is **Monday, October 16<sup>th</sup>, 2017 at 6:30 P.M.** The purpose of this hearing is to determine if you or those in your employ have committed a willful violation of the provisions of the Florida Building Code, specifically sections: 105.4.1, 105.4.1.3, 105.4.1.5, 105.5.3.

Please be advised that you have until **Monday, October 2<sup>nd</sup>, 2017** to close all of your expired permits in order to be relieved from attending this hearing.

According to Section 489.113, Florida Statutes and Section 113.4 of Florida Building Code as amended by Village of Wellington, the Construction Board of Adjustments and Appeals (CBAA) will

convene as the Local Construction Regulation Board (LCRB).

As the LCRB the CBAA may deny, suspend, revoke, or limit your authority as a certified contractor to obtain a building permit or permits with specific conditions, if the LCRB finds through the public hearing process that you or those you employ committed fraud or a willful building code violation within the Village of Wellington.

The quasi-judicial proceeding in the above matter will only consider the evidence presented and heard at a Regular Meeting of the Wellington Construction Board of Adjustments and Appeals scheduled for **Monday October 16<sup>th</sup>, 2017 at 6:30 P.M.**

**The meeting will be held at the Wellington Village Hall, 12300 Forest Hill Blvd., Wellington, FL 33414, on the First Floor in the Village Council Chambers.**

You should be prepared to attend this meeting and present evidence to the Board so that an appropriate decision may be rendered.

Please Note: Failure to appear will not prevent this matter from being heard in your absence.

If you have any questions regarding this notice or you are unable to attend, please contact our office at (561) 753-2430 ext. 2526 during business hours.
