FLORIDA DELTA MECHANICAL
2716 BROADWAY CENTER BLVD
BRANDON, FL 33510

July 13, 2016

Dear Sir/Madam:

According to Wellington Building Department records, your company has **23 permits with no activity for over 6 months (list enclosed)** or which have not received approval of final inspection and become invalid in accordance with Florida Building Code section:

105.4.1.3 Every permit issued shall become invalid unless the work on the site authorized by such permit is commenced within 6 months after its issuance, or if the work authorized on the site by such permit is suspended or abandoned for a period of 6 months after the time the work is commenced. The building official is authorized to grant, in writing, one or more extensions of time, for periods not more than 3 months each. The extension shall be requested in writing and justifiable cause demonstrated, prior to expiration.

To extend a permit, the Permit Extension Request form located on our website www.wellingtonfl.gov/permits under Building Forms must be completed and either submitted to the building department at city hall or emailed to buildingdocs@wellingtonfl.gov. When extending the permit, please ensure that all licensure and insurance requirements are up to date. The 90 day extension will be granted once it has been approved by the Building Official and fees have been paid.

You are expected to comply with this notice within 90 days; an extension of time can be granted upon reasonable written request. Failure to comply with the time limitation of this notice by not closing all of the expired permits issued under the name of your company will be considered a willful building code violation. Such violation may initiate further action against your local or state licensure up to a limitation or termination of privileges of obtaining future building permits in Wellington and other jurisdictions in the State of Florida.

If you have any questions regarding this notice or feel you have received this notice in error please contact the Building Department at (561) 753-2430 during business hours.

Sincerely,

Dara O'Connor
