Subject: Project No. P6177523-01 Village of Wellington –Telemetry Backhaul System  
Upgrade - Bid Review

Dear Shannon:

Hillers Electrical Engineering, Inc. (HEE) conducted a technical review of the one (1) bid proposal received for the above referenced project. The sole bid proposal is submitted by MCIS, Inc. for \$120,770.00, which is approximately 8.8% above the engineers estimate. MCIS demonstrates an in depth knowledge of the subject matter of the contract, familiarity with the Village, and knowledge of the currently installed system. Based on our analysis, Hillers Electrical Engineering, Inc. recommends award to MCIS if the Village determines them as a responsive bidder.

Sincerely,

Mark E. Luther, PE
