Confidential Quotation

Date: 11/29/17

Prepared for:

The Village of Wellington David Feliciano 12300 Forest Hill Blvd. Wellington, FL 33414

PVR is pleased to submit this proposal to install an A/V control room and camera system in the Wellington Community Center. The control room will have similar features to the Chambers/1EF control room including an AMX touch panel, audio mixers, five cameras and a character generator. The signal will be transmitted via fiber to master control for on-air transmission. Please refer to the 10/18/17 equipment list and wiring diagram. Includes AMX programming. Pricing per Palm Beach County Contract 17-036/KM. 399 man hours @\$67/hr. Includes the cost to modify the AMX code off-site for the new control room touch panel.

Labor: \$26733
