Greetings,

Ewing Irrigation & Landscape Supply and Upstart Products, Inc. are pleased to announce the recent partnership of our companies. We have partnered to continue providing you with the same great services and products for the future.

Due to the change in ownership we are required to have you complete the enclosed credit application and return the signed original to Ewing Irrigation & Landscape Supply by August 31, 2017. In the meantime any Upstart account holder in good standing has been assigned a temporary Ewing account number. Once the signed Ewing Irrigation & Landscape Supply credit application is received, we foresee no service interruption. If you have submitted a Ewing Irrigation & Landscape Supply credit application in the past month, disregard the above mentioned.

Please make all further remittances for purchases payable to Ewing Irrigation Products and forward payments to our Home Office, located at 3441 E. Harbour Dr., Phoenix, AZ 85034 or drop it off at any of our 11 Ewing Florida locations.

If you have any questions regarding the account activation process, please call Ewing's Credit Department at **800.343.9464**.
