This completed form will constitute as an order and will be in accordance with the terms and conditions of the existing contract between MCCi and the Client. Pricing is valid for 30 days from date appearing on this order. MCCi will invoice one hundred percent (100%) of the software and support upon delivery of software. If services are included, the balance of the total project will be invoiced upon completion of the proposed professional services, which may be broken up based on the completion date of specific services. Sales tax will be included where applicable. Payment will be due upon receipt of an invoice.

Note: MCCi will prorate the support of this additional software to be congruent with your current Laserfiche system's support (LSAP) dates, the purpose of which is to align all software with one support date so maintenance of your account is made easy. MCCi will bill for the actual amount of support, which may be higher or lower than quoted. To ensure you are budgeting correctly for future renewals, please add the amount listed in the budgetary note above to your current budgeted renewal amount. Laserfiche software and help files are provided electronically. If hard copy manuals or software is desired, there is a \$50 additional charge. This will need to be requested.
