Notwithstanding the above, it is the responsibility of all bidders, proposers, offerors or contractors affected by the proposed award to review the public posting of the intended award, and the deadlines to protest set forth herein shall not be enlarged based upon a claim of lack of knowledge thereof. Additionally, in order to maintain a protest, a protestor must have standing pursuant to established Florida case law. Protests filed by a person or entity that does not have standing may be summarily denied without further action or decision.

In order to defray a portion of the administrative costs associated with a protest, all protests shall be accompanied by a filing fee in the form of a cashier's check or money order for an amount equal to one percent (1%) of the total estimated contract value, but not less than \$1,000 nor more than \$10,000.
