Nomination for "Top Firefighter" in Wellington

Chief Rowley,

I would like to nominate one of Wellingtons own, Captain Craig Dube. Craig has been with PBCFR coming up on 25 years. 3 of those years have been spent at one of our Wellington stations, station 20 on C shift. He has lived in Wellington now for 22 years. Craig is a very competent captain. He has a calm demeanor about himself that can bring the stress levels down on even the worst of calls. I have worked numerous calls with Captain Dube and his decision making skills under duress have been spot on. With his calm demeanor and decisive decision making, I am confident that numerous lives have been saved as a result of him being in charge of the scene. I could go on and on about why Captain Dube should receive this award, but I think you get the picture.

Sincerely,

Battalion Chief Thomas Dalman
