Nomination for "Top Firefighter" in Wellington

Chief Rowley,

I would like to nominate Driver Operator Andrew Moreira for this award. He has 18 years on the job and came into our system when PBCFR took over Pahokee Fire Rescue. He is currently stationed at one of our Wellington stations, station 20 on C shift. He has lived in Wellington for over 30 years. He also has been coaching little league baseball in Wellington for over 7 years. His family also lives in the Village of Wellington. His father started Cilantro's restaurant which is located on Lake Worth Rd. west of 441. He has since sold the successful restaurant to slow down as he gets a little older.

Andy, as he likes to be called, is a very hard worker. If a job needs to get down, you can be sure it will get done if Andy is tasked with said job. He is a very trustworthy individual who prides himself on his integrity and strong moral values. He is also a family man. With 3 kids and a wife, it's a wonder he finds time to contribute his time to coaching little league for the Village. I could write a novel on why Andy should receive this award but I think you get the picture.

Sincerely,

Battalion Chief Thomas Dalman
