

Hurricane Irma Infrastructure Repair Program

The Florida Department of Economic Opportunity's (DEO) Rebuild Florida Infrastructure Repair Program was launched with \$85,819,653 to fund infrastructure restoration and improvement projects in communities impacted by Hurricane Irma. The funding is provided by the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) Program to address unmet disaster recovery needs related to damage from Hurricane Irma. Eligible counties, municipalities, water management districts and water authorities located in the areas that experienced Hurricane Irma storm damage, as shown here, are eligible to apply for funding.

Application Deadline: August 30, 2019

Contribution Match: 0%

Maximum Grant Amount: No minimum or maximum award

*Funding can be used to match HMGP grant project awards.

TYPES OF PROJECTS:

1. Restoration of infrastructure (e.g. water and sewer facilities, streets, generators, debris removal, drainage, bridges, etc.);
2. Public facilities such as emergency community shelters;
3. Demolition, rehabilitation of publicly or privately owned commercial or industrial buildings; and
4. Re-nourishment of protective coastal dunes systems
