

PROJECT GRADUATION Wellington

a drug-free and alcohol-free celebration

EIN# 46-0714589

Drug Free ~ Keeping Our Graduates Safe ~ Alcohol Free

Each year, teenage alcohol and drug related accidents and fatalities occur as a result of graduation celebrations. Project Graduation is a program offered by many high schools in the United States to ensure a safe graduation night celebration, in which organized adult-supervised alcohol-free activities are offered as a part of a post-graduation party. Project Graduation has become much more than an event that occurs on graduation night.

Wellington High School 's Project Graduation in the past has been a lock-in event full of food, fun and entertainment beginning at 10:00pm on graduation night, lasting until 5:00am the next morning. However, the ongoing COVID-19 pandemic may impact traditional Project Graduation plans and events. The Project Graduation Committee is a dedicated group of volunteers and parents of senior students who are committed to honor the Class of 2021 graduating seniors and continue this long-standing tradition. The committee is exploring many options to honor our Seniors. Project Graduation is sponsored by partnerships with community businesses and does not receive any funding from the School or the School Board of Palm Beach County.

We need your help! You are invited to support Wellington High School Project Graduation 2021 by becoming an official sponsor by making a financial contribution or donating items/services. Please see the attached form outlining the sponsorship levels. A large sponsor board will be placed in the high-traffic area at the front entrance to the school to acknowledge businesses and individuals who make donations of \$250 or more to Project Graduation. The sign will be displayed for approximately one year.

We are very proud of the incredible support Wellington High School Project Graduation receives from the community. Thank you for your consideration of this worthy cause.

Sincerely,

Susan Perconte
