

Capital Improvements

GOAL CI 1

CAPITAL IMPROVEMENT PLANNING, PROGRAMMING, AND IMPLEMENTATION

Plan, program, fund, and construct public facilities, infrastructure and related capital improvements that serve the existing community and anticipate the services and facilities required by future demand and provide effective and timely construction and funding.

Objective CI 1.1

Public Facilities and Infrastructure Monitoring

Inventory assess and monitor public facilities and infrastructure. Develop and implement capital planning required to correct deficiencies, replace obsolete or end of service life facilities, and accommodate planned future reinvestment and growth.

Policy CI 1.1.1

Facility and Infrastructure Inventory and Condition

Maintain an inventory of all Wellington and Acme Improvement District-owned facilities and infrastructure including the type, capacity, location and condition of each. As a minimum infrastructure assessment plans shall be maintained and updated for:

- Roads
- Storm Water Management Facilities
- Water Treatment
- Water Supply and Distribution System
- Waste Water Treatment
- Waste Water Collection System
- Public Buildings
- Parks and Recreation Facilities

Policy CI 1.1.2

Facility/Infrastructure Inspections

Wellington shall regularly schedule inspections of all facilities and infrastructure to monitor and record conditions.

Objective CI 1.2

Procedures for Capital Improvements Planning

Establish policies and procedures for the prioritization of capital projects and the preparation of an annual capital improvement budget and 5-year capital improvement plan. Development of the 5-year plan shall consider probable funding and include an analysis of 10 and 20 year capital projections.

Policy CI 1.2.1

Capital Improvement Plan

The list of capital projects in **Table CIE 1 - Wellington Capital Improvement Plan 5 years: 2020/2021 through 2025/2026 Level of Service Projects** is hereby adopted and all projects identified shall be carried out in accordance with that schedule and within one-year thereof unless the Capital Improvement Plan is modified during the annual comprehensive plan amendment process.

Policy CI 1.2.2

Capital Improvement Program

Each year Wellington shall prepare and adopt a five-year capital improvements program and a one-year capital budget, to generally include all projects, which expenditures of at least \$25,000 and have a useful life span of at least three years.

Policy CI 1.2.3

Capital Improvement Prioritization

In setting priorities for capital improvement projects, the Wellington Council shall consider the following criteria:

- 1) Is the project required to fulfill Wellington's obligation to provide public services to the community or achieve or maintain an adopted level of service, or eliminate an existing capacity deficit?
- 2) Does the project benefits accrue to the whole community or to a specific neighborhood or area?
- 3) Does the project enhance the efficiency or quality of service delivery?
- 4) Is the project necessary to eliminate public hazards or to protect or enhance the public's health, safety and/or welfare?
- 5) Is the project necessary to comply with a Federal, State or local mandate?
- 6) Does the project conform to principles of sound municipal capital expenditure within the scope of the Council's legislative authority?
- 7) Such other criteria as the Wellington Council may choose.

Policy CI 1.2.4

Special Assessments

When deemed appropriate, Wellington may consider making public improvements or providing public services that benefit real property or provide amelioration of the condition of real property, including the installation, construction, upgrade, repairs, and replacement of improvements, works, and facilities where the special benefit conferred is borne by the

owners of the benefitted property through a special assessment levied in accordance with Florida law.

Policy CI 1.2.5

School District of Palm Beach County

School Concurrency is no longer a requirement when adhering to growth management regulations. However, Wellington will continue intergovernmental coordination efforts as set forth in the Interlocal Coordinating Plan between Palm Beach County School District and all municipalities within the county. This includes coordination planning efforts to address capacity, future growth, and development patterns to meet the needed Level of Service for schools. Additionally, Wellington adopts, by reference, the School District of Palm Beach County's 10-Year Capital Improvements Schedule as adopted by the School District's Fiscal Year 2020/2021 Budget.

Objective CI 1.3

Concurrent Improvements for New Development or Redevelopment

Where new development or re-development requires the expansion of existing infrastructure or construction of new infrastructure, Wellington shall require that the developer bear all the cost of construction of those required improvements. Where modifications to existing facilities are required by a development, the developer shall be responsible for the proportional share of the facility or infrastructure improvement. Where new facilities or infrastructure are required to serve the proposed development or redevelopment, the developer may either pay a proportional share of the facilities cost and wait for the construction of the facility prior to the inception of development or pay the entire cost of the new facilities or infrastructure and enter into an agreement for reimbursement as defined in Policy 1.3.2.

Policy CI 1.3.1

Concurrency Management System

Maintain a concurrency management system whereby no development permit shall be issued unless:

- 1) the public facilities necessitated by a development (to meet level of service standards specified in the Mobility, Parks & Recreation, and Public Facilities & Services Elements) are in place; or
- 2) the development permit is conditioned on an assurance that the necessary facilities will be in place concurrent with the impact of development; and
- 3) that no part of the cost required to construct new development or increase density or intensity in redevelopment projects be borne by the public.

Policy CI 1.3.2

Proportionate Share

Development approval for any new construction or redevelopment project which creates a need for new or expanded public facilities or infrastructure shall not be granted unless the project pays the costs of those improvements. To the extent that the improvements provide capacity above and beyond the specific project requirements, the Village at its discretion

may enter into a reimbursement agreement providing for repayment by new development utilizing that excess capacity. Any such agreement will have a maximum term of 10 years. No reimbursements will be made beyond that 10 year term. Alternately, when projects are happening concurrently, each development shall pay its proportionate share of the costs of the required.

Policy CI 1.3.3

Impact Fees

Continue to collect impact fees for all new construction to ensure that development bears a proportionate cost of impact-fee related facility development.

Objective CI 1.4

Coordination with Land Use

Maintain programs and procedures within the Land Development Regulations to ensure all development orders and building permits are coordinated with the capital improvement budget and program and ensure facilities are provided concurrent with the impacts of development.

Policy CI 1.4.1

Development Impacts

Any new construction, redevelopment, or renovation projects which creates the need for new or expanded public facilities shall be required to pay its proportional share of the costs of the required new or expanded facilities based upon the impacts of the project. Any infrastructure required solely for the proposed development shall be funded entirely by the proposed development, such as the extension of water or sanitary sewer lines.

Policy CI 1.4.2

Coordinate Land Use Decisions

Coordinate land use decisions and available or projected fiscal resources in the capital improvements budget/program by evaluating the following:

- 1) existing and approved, but not built development;
- 2) Land Use Map;
- 3) capital improvement budget/program; and
- 4) Level of Service standards.

Policy CI 1.4.3

Manage the Land Development Process

Manage the land development process so that public facilities and services demands created by issued development orders or pending development orders do not exceed the ability of Wellington to fund or provide required public facilities and services.

**Objective CI 1.5
Level of Service**

Maintain programs and procedures in the Land Development Regulations to ensure the land use changes are coordinated with the capital improvement budget and program to maintain adopted levels of service for potable water, sanitary, sewer, stormwater management, solid waste, and roads.

**Policy CI 1.5.1
Potable Water LOS**

Maintain the level of service standard for potable water within the Work Plan and consistent with applicable federal, state, and Palm Beach County regulations at no less than 105 gallons per capita per day.

**Policy CI 1.5.2
Sanitary Sewer LOS**

Maintain the level of service standard for sanitary sewer within the Work Plan and consistent with applicable federal, state and Palm Beach County regulations at no less than 85 gallons per capita per day.

**Policy CI 1.5.3
Stormwater Management LOS**

Require all development and redevelopment to adequately accommodate runoff to meet all federal, state and local requirements for water quality/quantity and discharge control criteria. Also, ensure stormwater is treated in accordance with Chapter 62, Florida Administrative Code, to meet receiving water standards and retain one-inch of runoff on-site prior to the inception of discharge into the public storm water management system. The surface water management system shall prevent discharge onto adjacent property and limit post-development to not more than 1.07 inches per day or to pre-development runoff volumes and rates, whichever is lower.

**Policy CI 1.5.4
Solid Waste Disposal System LOS**

Maintain a minimum level of service of five years of capacity for solid waste disposal based upon a solid waste generation rate of 7.1 pounds per person per day.

Policy CI 1.5.5

Roads LOS

Wellington shall regulate the timing of development for the purpose of maintaining at least the following peak hour level of service standards on streets and roads within its municipal boundaries:

| Road | LOS |
|--|-----|
| State Road 7/US 441 | D |
| Forest Hill Boulevard | D |
| All local, collector, and arterial roads (not within Equestrian Preserve Area) | D |
| All local, collector and arterial roads in the Equestrian Preserve Area | E |

**Table CI 1 - Wellington Capital Improvement Plan 5 years:
2020/2021 through 2025/2026 Level of Service Projects**

| Project | Location | Description | Funding Year | Funding Source | Funding Status | Budget |
|--|---|---|----------------|----------------------------|----------------|-------------|
| ACME 10-Year Flood Mitigation Program | Canals: C2, C8, C9, C24, C13 Roadways: Forest Hill Blvd, Wellington Trace East | Improved conveyance and roadway drainage | FY 2020-2024 | Drainage Assessments | Committed | \$3,700,000 |
| Village Park Field Improvements | Park Fields #6, #7, and #21 | Improvements to fields and major equipment additions to ensure the quality standard of recreational programs and facilities | FY 2020-2024 | General Fund Revenues | Committed | \$1,930,000 |
| Utilities General Facilities Improvements | Utility and Field services facilities | Construction of a central warehouse, field services building modifications and construction of equipment canopies | FY 2018 - 2021 | Utility Operating Revenues | Committed | \$5,000,000 |
| Neighborhood Parks Program | Essex Park and Brampton | Additional amenities at Essex Park and Brampton | FY 2020-2024 | General Fund Revenues | Committed | \$1,350,000 |
| Multi-modal Trails | 6.41 miles – Aeroclub Drive, Binks Forest Drive, Paddock Drive, and Big Blue Trace | Expand multipurpose pathways in various locations. | FY 2020-2024 | General Fund Revenues | Committed | \$1,625,000 |
| Safe Neighborhoods | Tiger Shark Cove | Install basketball court, sidewalks and crossings | FY 2020 | General Fund Revenues | Committed | \$142,000 |

Capital Improvements Element Goals, Objectives, and Policies

| | | | | | | |
|---|------------------------------------|---|--------------|-----------------------------------|-----------------------|--------------|
| Sheriff Substation | Greenbriar Boulevard | Planning, design and construction | FY 2020-2024 | General Funds Revenue | Committed | \$6,600,000 |
| Multi-use Paths and Bike Lanes | Big Blue Trace and Aero Club Drive | Widening path on Big Blue Trace and adding bike lane on Aero Club Drive | FY 2020-2024 | Gas Tax and Road Impact | Committed | \$3,730,000 |
| Town Center | Town Center complex | Construction of waterfront promenade and amenities | FY 2019-2023 | General Revenues and Sales Surtax | Committed | \$8,300,000 |
| WCHS Sports Complex | Wellington Community High School | Reconfigure and restructure sports facilities and bus loop. | FY 2019-2021 | Sales Surtax | Committed | \$14,900,000 |
| Wellfield Rehabilitation | Various | Wellfield Rehabilitation | FY 2021-2025 | Utility Operating Revenues | Committed & Scheduled | \$1,020,000 |
| Well Construction, Mechanical & Electrical | Various | Well Construction, Mechanical & Electrical | FY 2021-2025 | Utility Operating Revenues | Committed & Scheduled | \$9,380,000 |
| Lime Well Improvements | Lime Well | Lime Well Improvements | FY 2021-2023 | Utility Operating Revenues | Committed & Scheduled | \$2,700,000 |
| Raw Watermain Extension | Southfield | Raw Watermain Replacement | FY 2021-2022 | Utility Operating Revenues | Committed & Scheduled | \$1,900,000 |
| WTP Raw Watermain Replacement | Water Treatment Plant | Raw Watermain Replacement | FY 2022-2024 | Utility Operating Revenues | Scheduled | \$3,200,000 |
| Lime R/O Raw Water System Connection | Water Treatment Plant | Lime R/O Raw Water System Connection | FY 2022-2023 | Utility Operating Revenues | Scheduled | \$1,900,000 |
| Water Treatment Plant Expansion | Water Treatment Plant | Generator Set, Membrane Plant Expansion, Roofing Improvements, Post Treatment & Disinfection Improvements | FY 2021-2024 | Utility Operating Revenues | Committed & Scheduled | \$7,950,000 |
| Water Storage & Repump Improvements | Water Treatment Plant | Water Storage & Repump Improvements | FY 2024-2025 | Utility Operating Revenues | Scheduled | \$2,200,000 |
| Neighborhood Reinvestment Program | Various | Water and Sewer replacement program | FY 2022-2025 | Utility Operating Revenues | Scheduled | \$8,800,000 |

Capital Improvements Element Goals, Objectives, and Policies

| | | | | | | |
|--|--------------------------------|---|----------------|----------------------------|-----------------------|--------------|
| South Shore Watermain Replacement | South Shore | Watermain Replacement | FY 2024-2025 | Utility Operating Revenues | Scheduled | \$2,200,000 |
| Water Reclamation Facility Improvements | Water Reclamation Facility | Generator replacement, Headworks, Aeration Basin Upgrades, Reuse Wetwell, Digesters and Solids Handling | FY 2021 - 2025 | Utility Operating Revenues | Committed & Scheduled | \$15,810,000 |
| Peaceful Waters Wetland Phase III | Peaceful Waters Retention Park | Boardwalk and retention area improvements | FY 2022 | Utility Operating Revenues | Scheduled | \$300,000 |
