RE: Letter of Interest - Community Member Canvassing Board

Dear Ms. Addie:

Please let this letter serve as my formal Letter of Interest for the position of Community Member of the Canvassing Board opening advertised on the Village of Wellington website.

As someone who has been involved in the electoral process for many years, I believe that there is nothing more important than the integrity of free and fair elections where every legal vote is counted and every illegal vote is not.

I have witnessed ballot recounts first hand and watched as questionable ballots were brought before the canvassing board for a vote. I feel that it is an important position of responsibility, and I hope to be able to serve my community in this capacity.

I have taken the liberty of attaching a resume as required by the advertisement.

If you need any additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Alex L. Domb', written over a horizontal line.
