Bradley C. Wolak, PE
Assistant Director, Utilities
12133 Ken Adams Way
Wellington, FL, 33414

Subject: City of Boynton Beach "Piggy Backing"

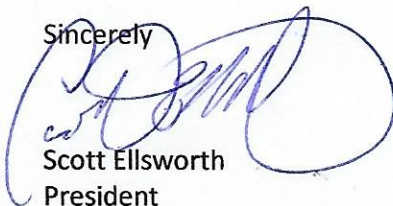

Mr. Wolak;

This letter is to inform The Village of Wellington that Line-Tec, Inc. will extend and honor all the terms/conditions of our contract with The City of Boynton Beach for "Furnish and Install Water Service Connections and Restoration, Contract Bid 021-2821-18/IT. This contract includes the installation of water meters and radio read transmitters for water meters. The water meters and radio transmitters are to be supplied by The City of Wellington. The water meters shall be Badger Meters with endpoints meeting The City of Wellington specification.

Line-Tec, Inc. hereby certifies this Annual Contact with The City of Boynton Beach reflects the lowest price contracted for the services listed held by Line-Tec, Inc. anywhere including the State of Florida.

Should you require any additional information regarding this matter contact me.

Sincerely

Scott Ellsworth
President
Line-Tec, Inc.
