(a) "**Act**" shall mean and refer to Chapter 720, Florida Statutes, governing homeowners' associations, as same exists on the date of recording of this Declaration and as same may subsequently renumbered. Notwithstanding the designation of the effective date of the Act as it applies to this Declaration (and the Association), any future amendments to the Act which are of a procedural (versus substantive) nature shall be binding on the Association.

## **ARTICLE II**

### **PROPERTY SUBJECT TO THIS DECLARATION; CHANGES THERETO**

#### **Section 1.   Legal Description.**

The real property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in the Village, Palm Beach County, Florida, and is more particularly described on Exhibit "D" attached hereto and made a part hereof, all of which real property (and all improvements thereto), together with additions thereto, but less any withdrawals therefrom, is herein referred to collectively as **"The Properties"**.

Section 2. Supplements.

Declarant may from time to time bring other land under the provisions hereof by recorded supplemental declarations (which shall not require the consent of then-existing Owners, the Association, or any mortgagee other than that of the land intended to be added to the Properties) and thereby add to The Properties. To the extent that such additional real property shall be made a part of The Properties as a common scheme, reference herein to The Properties shall be deemed to be reference to all of such additional property where such reference is intended to include property other than that legally described above. Nothing herein, however, shall obligate the Declarant to add to the initial portion of The Properties, to develop any such future portions under such common scheme, nor to prohibit Declarant (or the applicable Declarant-affiliated Owner) from rezoning and changing plans with respect to such future portions. All Owners, by acceptance of a deed to or other conveyance of their Lots, thereby automatically consent to any such rezoning, change, addition or deletion thereafter made by the Declarant (or the applicable Declarant-affiliated Owner thereof) and shall evidence such consent in writing if requested to do so by the Declarant at any time (provided, however, that the refusal to give such written consent shall not obviate the general effect of this provision).

**ARTICLE III**  
**MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION**

Section 1. Membership.

Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot shall be a Member of the Association. Notwithstanding anything else to the contrary set forth in this Section 1, any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a Member of the Association.

Section 2. Voting Rights.

The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be all those Owners as defined in **Section 1** with the exception of the Declarant (as long as the Class B Membership shall exist, and thereafter, the Declarant shall be a Class A Member to the extent it would otherwise qualify). Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interests required for membership by Section 1. When more than one person holds such interest or interests in any Lot, all such persons shall be Members, but the single vote for such Lot shall be exercised as they among themselves determine but, subject only to the following subsection, in no event shall more than one (1) vote be cast with respect to any such Lot.

Class B. The Class B Member shall be the Declarant. The Class B member shall be entitled to one (1) vote, plus two (2) votes for each vote entitled to be cast in the aggregate at any time and from time to time by the Class A Members. The Class B membership shall cease and terminate three (3) months after ninety percent (90%) of the Lots within The Properties have been sold and conveyed by the Declarant (or its affiliates) to parties other than Builders, or sooner at the election of the Declarant or as required by Section 720.307(1)(a) of the Act, in any case whereupon the Class A Members shall elect the Board and assume control of the Association. Class A Members shall be entitled to elect a member of the Board of Directors when fifty percent (50%) of all of the Lots have been sold and conveyed to parties other than Builders.

Section 3. General Matters.

When reference is made herein, or in the Articles, By-Laws, Rules and Regulations, management contracts or otherwise, to a majority or specific percentage of Members, such reference shall be deemed to be reference to a majority or specific percentage of the votes of Members present at a duly constituted meeting thereof (i.e., one for which proper notice has been given and at which a quorum exists) and not of the Members themselves or of their Lots, except as may be specifically provided to the contrary herein or in another applicable document. Voting rights hereunder may be suspended for the non-payment of assessments or other obligations to the Association as provided in the Act.

Section 4. Dissolution.

Any Owner may petition the circuit court for the appointment of a receiver to manage the affairs of the Association in the event of the dissolution of the Association.

**ARTICLE IV**  
**COMMON AREAS; CERTAIN EASEMENTS**

Section 1. Members' Easements.

Each Member, each Member's Permittee and all employees, service providers and other invitees thereof, shall have a non-exclusive permanent and perpetual easement over and upon the Common Areas for the intended use and enjoyment thereof in common with all other such Members, Member's Permittees, their tenants, agents and invitees, in such manner as may be regulated by the Association.

Without limiting the generality of the foregoing, such rights of use and enjoyment are hereby made subject to the following:

(a) The right and duty of the Association to levy assessments against each Lot for the purpose of maintaining the Common Areas and facilities in compliance with the provisions of this Declaration and with the restrictions on the plats of portions of The Properties from time to time recorded.

(b) The right of the Association to adopt at any time and from time to time and enforce rules and regulations governing the use of the Common Areas and all facilities at any time situated thereon, including the right to fine Members as hereinafter provided. Any rule and/or regulation so adopted by the Association shall apply until rescinded or modified as if originally set forth at length in this Declaration.

(c) The right to the use and enjoyment of the Common Areas thereon shall extend to all Members' Permittees, subject to regulation from time to time by the Association in its lawfully adopted and published rules and regulations.

(d) The right of Declarant to permit such persons as Declarant shall designate to use the Common Areas for development, construction, sales and other lawful purposes (if any).

(e) The right of Declarant and the Association to have, grant and use, general ("blanket") and specific easements over, under and through the Common Areas.

**WITH RESPECT TO THE USE OF THE COMMON AREAS AND THE PROPERTIES GENERALLY, ALL PERSONS ARE REFERRED TO ARTICLE XIV, SECTIONS 11, 12 AND 13, AND ARTICLE XV, HEREOF, WHICH SHALL AT ALL TIMES APPLY THERETO.**

Section 2. Easements Appurtenant.

The easements provided in Section 1 shall be appurtenant to and shall pass with the title to each Lot, but shall not be deemed to grant or convey any ownership interest in the Common Area subject thereto.

Section 3. Maintenance.

The Association shall at all times maintain in good repair and manage, operate and insure, and shall replace as often as necessary, the Common Areas and, to the extent not otherwise provided for, the paving, drainage structures, landscaping, improvements and other structures (except public utilities to the extent

same have not been made Common Areas) situated on the Common Areas, if any, all such work to be done as ordered by the Board of Directors of the Association. Without limiting the generality of the foregoing, the Association shall assume all of Declarant's and its affiliates' responsibility to the Village and Palm Beach County and the SFWMD and its governmental and quasi-governmental subdivisions and similar entities of any kind with respect to the Common Areas and shall indemnify and hold the Declarant and its affiliates harmless with respect thereto. Notwithstanding the foregoing, the Owner of a Structure served by a Limited Common Area shall be solely responsible for the maintenance, repair and replacement thereof, except the surface areas to be maintained by the Association as provided in Article IV, Section 1 hereof.

All work pursuant to this Section and all expenses incurred or allocated to the Association pursuant to this Declaration shall be paid for by the Association through assessments (either general or special) imposed in accordance herewith.

No Owner may waive or otherwise escape liability for assessments by non-use (whether voluntary or involuntary) of the Common Areas or abandonment of the right to use the Common Areas.

#### Section 4. Manure Removal.

The Association shall contract for, as a common operating expense, the removal of manure from the enclosures and bins described in Article VII thereof as least one (1) time per week. The party conducting such removal shall be licensed to conduct such activities and shall further be an approved hauler registered with the Village of Wellington.

#### Section 5. Utility Easements.

Use of the Common Areas for utilities, as well as use of the other utility easements as shown on relevant plats, shall be in accordance with the applicable provisions of this Declaration and said plats. The Declarant and its affiliates and its and their designees shall have a perpetual easement over, upon and under the Common Areas and the unimproved portions of the Lots for the installation, operation, maintenance, repair, replacement, alteration and expansion of utilities.

#### Section 6. Public Easements.

Fire, police, emergency services, (including meter reading), health and sanitation, utility, code compliance, postal service and other public service personnel and vehicles shall have a permanent and perpetual easement for ingress and egress over and across the Common Areas in the performance of their respective duties.

#### Section 7. Surface Water Management System.

To the extent that any portion of the Surface Water Management System is located on a Lot, then a perpetual but non-exclusive easement in favor of the Association shall exist with respect to such portion so that the Association shall maintain same as provided in Article IX hereof. With respect to such area(s), (i) the Association's responsibility shall be limited to maintaining the Surface Water Management System and not to matters such as maintaining landscaping, lawns or other installations therein and (ii) except as provided below, no Owner shall allow such area to be improved in such a manner as to interfere with the operation, maintenance and repair of the Surface Water Management System nor shall such Owner allow any pollutants to enter the Surface Water Management System through such area in a manner which violates the SFWMD permit for same or is otherwise harmful thereto.

Notwithstanding any provision of this Declaration or any condition or restrictions on the plat of any portion of The Properties to the contrary, in the event that Declarant or any Builder installs any equipment (such as, but not limited to, air conditioning equipment) serving a Structure within a drainage easement granted the Association on any plat of The Properties or in any landscaped Common Area (other than a Conservation Area where such installation is prohibited) and such installation does not interfere with the actual drainage in such easement or overall use of the applicable Common Area, then such installation (including, without limitation, concrete pads and connecting pipes and wires) shall not be deemed in derogation of the Association's rights under such easement and, accordingly, shall be and is hereby authorized. This authorization shall extend to any and all access to such equipment necessary for its use, maintenance, repair or replacement.

#### Section 8. Use and Ownership.

The Common Areas are hereby dedicated non-exclusively to the joint and several uses, in common, of the Declarant and the Owners of all Lots that may from time to time constitute part of The Properties and all Member's Permittees and the Declarant's guests and invitees, all as provided and regulated herein or otherwise by the Association. The Common Areas (or appropriate portions thereof which are to be owned by the Association, as opposed to being easements) shall, upon the later of completion of the improvements thereon or the date when the last Lot within The Properties has been conveyed to a purchaser (or at any time and from time to time sooner at the sole election of the Declarant), be conveyed by quit claim deed to the Association, which shall be deemed to have automatically accepted such conveyance. Beginning from the date this Declaration is recorded, the Association shall be responsible for the maintenance, insurance and administration of such Common Areas (whether or not then conveyed or to be conveyed to the Association), all of which shall be performed in a continuous and satisfactory

manner without cost to the general taxpayers of the Village or Palm Beach County. It is intended that any and all real estate taxes assessed against that portion of the Common Areas owned or to be owned by the Association shall be (or have been, because the purchase prices of the Lots and Structures have already taken into account their proportionate shares of the values of the Common Area), proportionally assessed against and payable as part of the taxes of the applicable Lots within The Properties. However, in the event that, notwithstanding the foregoing, any such taxes are assessed directly against the Common Areas, the Association shall be responsible for the payment (subject to protest or appeal before or after payment) of the same, including taxes on any improvements and any personal property located thereon, which taxes accrue from and after the date these covenants are recorded, and such taxes shall be prorated between Declarant and the Association as of the date of such recordation.

Declarant, its affiliates and Builders shall have the right from time to time to enter upon the Common Areas and other portions of The Properties (including, without limitation, any unimproved portions of Lots) for the purpose of the installation, construction, reconstruction, repair, replacement, operation, expansion and/or alteration of any improvements or facilities on the Common Areas or elsewhere on The Properties that Declarant, its affiliates or Builders elect to effect, and to use, without charge, the Common Areas and other portions of The Properties for sales, displays and signs or for any other purpose during the period of construction and sale of any portion thereof or of other portions of adjacent or nearby communities. Without limiting the generality of the foregoing, the Declarant and its affiliates shall have the specific right to maintain upon any portion of The Properties sales, administrative, construction or other offices and appropriate exclusive and non-exclusive easements of access and use are expressly reserved unto the Declarant and its affiliates, and its and their successors, assigns, employees and contractors, for this purpose. Any obligation (which shall not be deemed to be created hereby) to complete portions of the Common Areas shall, at all times, be subject and subordinate to these rights and easements and to the above-referenced activities. Accordingly, the Declarant shall not be liable for delays in such completion to the extent resulting from the need to finish the above-referenced activities prior to such completion.

#### Section 9. Encroachments.

Should any improvements intended to be located on the Lot inadvertently be located on Common Areas or *vice-versa*, then an easement for such encroachment shall exist for so long it remains in the same location, but the party who's property is to be served by such improvement shall be solely responsible for the maintenance, repair and, if applicable, insurance of such encroaching improvements. In the event of the replacement of the encroaching improvement, to the maximum extent practical it shall be re-located onto the property on which it was originally intended

to be placed. Notwithstanding any of the foregoing, no encroachment on property which is subject to a lake maintenance or other easement in favor of the Village shall be benefitted by this Section unless the Village permits it to remain as located.

Section 10. Platted Easements.

The rights to use all easements created by the Plat of The Properties including may be enforced by the Association as fully as if stated herein and no party shall make any improvements or otherwise do anything which interferes with the lawful use of such easements. **Without limiting the generality of the foregoing, no Owner shall obstruct a bridle path easement on their Lot by way of the installation of landscaping, fencing or other improvements.**

Section 11. Limited Common Areas.

Any portion of the Common Areas serving some, but not all, Lots may be designated as a Limited Common Area for the exclusive use of the Owner(s) of the Lot(s) served thereby, the initial such designation being included in Exhibit "C" hereto subject to change by Supplemental Declaration as provided herein. The cost of the operation, maintenance, repair and replacement of such Limited Common Areas and all landscaping and improvements thereon shall be born solely by the Owner(s) of the benefited Lot(s) as allocated by the Board of Directors per Article V, Section 1 (second paragraph) hereof.

Section 12. Private Driveway Access Easement.

The proposed private driveway providing access from Greenbrier Boulevard to Lots 1 and 2 of Winding Trails shall be a paved driveway and is proposed to be located within private property and a portion of Common Area. The Declarant will dedicate and execute an access easement in recordable form to provide access to both lots, which access easement shall be depicted on the Plat of The Properties.

**ARTICLE V**  
**COVENANT FOR MAINTENANCE ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation for Assessments; Assessment Rates.

Except as provided elsewhere herein, the Declarant (and each party joining in any supplemental declaration), for all Lots within The Properties, hereby covenants and agrees, and each Owner of any Lot by acceptance of a deed therefor or other conveyance thereof, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to covenant and agree, to pay to the Association annual assessments and charges for the operation of, and for

payment of expenses allocated or assessed to or through, the Association, the maintenance, management, operation and insurance of the Common Areas including such reasonable reserves as the Board of Directors may deem necessary, capital improvement assessments, as provided in Section 5 hereof, special assessments as provided in Section 3 hereof and all other charges and assessments hereinafter referred to or lawfully imposed by or on the Association, all such assessments to be fixed, established and collected from time to time as herein provided. In addition, special assessments may be levied against particular Owners and Lots for fines, expenses incurred against particular Lots and/or Owners to the exclusion of others and other charges against specific Lots or Owners as contemplated in this Declaration. The annual, special and other assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as hereinafter provided, shall also be the personal obligation of the person who is the Owner of such property at the time when the assessment fell due and all subsequent Owners until paid, except as provided in Section 9 of this Article.

In light of the fact that the Association may provide different levels of service, or incur Limited Common Area and other expenses fairly allocable, to some Lots to the exclusion of others, the Board of Directors shall have the authority to set different rates of assessments for different Lots, provided that Lots which are determined by the Board to be similarly situated shall be assessed at an equal rate. The foregoing shall not, however, prohibit the Board from levying assessments on all Lots at the same rate.

#### Section 2. Purpose of Assessments.

The regular assessments levied by the Association shall be used exclusively for the purposes expressed in Section 1 of this Article.

#### Section 3. Special Assessments.

In addition to the regular and capital improvement assessments which are or may be levied hereunder, the Association (through the Board of Directors) shall have the right to levy special assessments against an Owner(s) to the exclusion of other Owners for (i) the repair or replacement of damage to any portion of the Common Areas (including, without limitation, improvements and landscaping thereon) caused by the misuse, negligence or other action or inaction of an Owner or his Member's Permittee(s), (ii) the costs of remedial work performed by the Association in accordance with Article VI (together with any surcharges collectible thereunder). Any such special assessment shall be subject to all of the applicable provisions of this Article including, without limitation, lien filing and foreclosure

procedures and late charges and interest. Any special assessment levied hereunder shall be due within the time specified by the Board of Directors in the action imposing such assessment. Notwithstanding the foregoing, no special assessment shall be levied by the Board of Directors during the period in which a majority of the directors is appointed by the Declarant unless approved by a majority vote of the Members of the Association in attendance at a duly constituted meeting thereof at which a quorum is present.

Section 4. Benefited Assessments.

The Association may levy assessments against one or more lots to the exclusion of other Lots for services or benefits received by the Owner(s) of such Lot(s) whether to the unique circumstances thereof, upon the request of an Owner or for other reasons reasonably determined by the Board of Directors. Without limiting the generality of the foregoing, the costs of the operation, maintenance, repair and replacement of shared gates as provided in Article VII, Section 28 shall be levied against the Lots sharing such gate as a benefited assessment hereunder.

Section 5. Capital Improvements.

Funds which, in the aggregate, exceed the lesser of One Hundred Thousand and No/100 Dollars (\$100,000.00) or ten percent (10%) of the total amount of the current operating budget of the Association in any one fiscal year which are necessary for the addition of capital improvements (as distinguished from repairs and maintenance) relating to the Common Areas under the jurisdiction of the Association and which have not previously been collected as reserves or are not otherwise available to the Association (other than by borrowing) shall be levied by the Association as assessments only upon approval of a majority of the Board of Directors of the Association and upon approval by two-thirds (2/3) favorable vote of the Members of the Association voting at a meeting or by ballot as may be provided in the By-Laws of the Association.

Section 6. Date of Commencement of Annual Assessments; Due Dates.

The annual regular assessments provided for in this Article shall commence on the first day of the month next following the recordation of these covenants and shall be applicable through December 31 of such year. Each subsequent annual assessment shall be imposed for the year beginning January 1 and ending December 31.

The annual assessments shall be payable in advance in monthly installments, or in annual, semi- or quarter-annual installments if so determined by the Board of Directors of the Association (absent which determination they shall be payable quarterly).

The assessment amount (and applicable installments) may be changed at any time by said Board from that originally stipulated or from any other assessment that is in the future adopted. The original assessment for any year shall be levied for the calendar year (to be reconsidered and amended, if necessary, no more than twice each year), but the amount of any revised assessment to be levied during any period shorter than a full calendar year shall be in proportion to the number of months (or other appropriate installments) remaining in such calendar year.

The due date of any special assessment or capital improvement assessment shall be fixed in the Board resolution authorizing such assessment.

Section 7. Duties of the Board of Directors.

The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against the Lots subject to the Association's jurisdiction for each assessment period, to the extent practicable, at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent to every Owner subject thereto twenty (20) days prior to due date of the first installment thereof, except as to special assessments. In the event no such notice of the assessments for a new assessment period is given, the amount payable shall continue to be the same as the amount payable for the previous period, until changed in the manner provided for in the By-Laws.

Subject to other provisions hereof, the Association shall upon demand at any time furnish to any Owner liable for an assessment a certificate in writing signed by an officer of the Association, setting forth whether such assessment has been paid as to any particular Lot. Such certificate shall be conclusive evidence of payment of any assessment to the Association therein stated to have been paid.

The Association, through the action of its Board of Directors, shall have the power, but not the obligation, to enter into an agreement or agreements from time to time with one or more persons, firms or corporations (including affiliates of the Declarant) for management services. The Association shall have all other powers provided in its Articles of Incorporation and By-Laws.

Section 8. Effect of Non-Payment of Assessment; the Personal Obligation; the Lien; Remedies of the Association.

If the assessments (or installments) provided for herein are not paid on the date(s) when due (being the date(s) specified herein or pursuant hereto), then such

assessments (or installments) shall become delinquent and shall, together with late charges, interest and the cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot which shall bind such property in the hands of the then Owner, his heirs, personal representatives, successors and assigns. Except as provided in Section 9 of this Article to the contrary, the personal obligation of the then Owner to pay such assessment shall pass to his successors in title and recourse may be had against either or both.

If any installment of an assessment is not paid within fifteen (15) days after the due date, at the option of the Association, a late charge not greater than that provided by the Act, as amended from time to time, may be imposed (provided that only one late charge may be imposed on any one unpaid installment and if such installment is not paid thereafter, it and the late charge shall accrue interest as provided herein but shall not be subject to additional late charges; provided further, however, that each other installment thereafter coming due shall be subject to one late charge each as aforesaid) and the next twelve (12) months' worth of installments may be accelerated and become immediately due and payable in full and all such sums shall bear interest from the dates when due until paid at the highest lawful rate (or, if there is no highest lawful rate, eighteen percent (18%) per annum) and the Association may bring an action at law against the Owner(s) personally obligated to pay the same, may record a claim of lien (as evidence of its lien rights as hereinabove provided for) against the Lot on which the assessments and late charges are unpaid, may foreclose the lien against the Lot on which the assessments and late charges are unpaid, or may pursue one or more of such remedies at the same time or successively, and attorneys' fees and costs actually incurred in preparing and filing the claim of lien and the complaint, if any, and prosecuting same, in such action shall be added to the amount of such assessments, late charges and interest, and in the event a judgment is obtained, such judgment shall include all such sums as above provided and attorneys' fees actually incurred together with the costs of the action, through all applicable appellate levels.

In the case of an acceleration of the next twelve (12) months' of installments, each installment so accelerated shall be deemed, initially, equal to the amount of the then most current delinquent installment, provided that if any such installment so accelerated would have been greater in amount by reason of a subsequent increase in the applicable budget, the Owner of the Lot whose installments were so accelerated shall continue to be liable for the balance due by reason of such increase and special assessments against such Lot shall be levied by the Association for such purpose.

In addition to the rights of collection of assessments stated in this Section, any and all persons acquiring title to or an interest in a Lot as to which the assessment is delinquent, including, without limitation, persons acquiring title by

operation of law and by judicial sales, shall not be entitled to the occupancy of such Lot or the enjoyment of the Common Areas until such time as all unpaid and delinquent assessments due and owing from the selling Owner have been fully paid; provided, however, that the provisions of this sentence shall not be applicable to the mortgagees and purchasers contemplated by Section 9 of this Article.

All assessments, late charges, interest, penalties, fines, attorneys' fees and other sums provided for herein shall accrue to the benefit of the Association.

Section 9. Subordination of the Lien.

The lien of the assessments provided for in this Article shall be subordinate to real property tax liens and the lien of any first mortgage (recorded prior to recordation by the Association of a claim of lien) which is now or hereafter placed upon any Lot; provided, however, that any such mortgage lender when in possession or any receiver, and in the event of a foreclosure, any purchaser at a foreclosure sale, and any such mortgage lender acquiring a deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser or mortgage lender, shall hold title subject to the liability and lien of any assessment coming due after such foreclosure (or conveyance in lieu of foreclosure). Any unpaid assessment which cannot be collected as a lien against any Lot by reason of the provisions of this Section shall be deemed to be an assessment divided equally among, payable by and a lien against all Lots subject to assessment by the Association, including the Lots as to which the foreclosure (or conveyance in lieu of foreclosure) took place. No mortgagee shall be required to collect assessments.

Notwithstanding the foregoing, a First Mortgagee who acquires title to a Lot through foreclosure or deed in foreclosure shall be liable to the Association for the lesser of one percent (1%) of the original principal amount of the applicable first mortgage or the assessments payable to the Association with respect to the Lot for the twelve (12) months immediately preceding such acquisition of title unless a higher maximum amount is provided in the Act, as amended from time to time.

Section 10. Community Enhancement Contribution.

Upon the sale (including a re-sale of a Lot to a party other than a Builder), the purchaser thereof shall pay to the Association a community enhancement contribution of Five Thousand and No/100 Dollars (\$5,000.00). Said contribution shall not be credited against any current assessments but shall become part of the general funds of the Association and may be used for such purposes as the Association, acting through the Board of Directors, may elect, whether for operating expenses or other purposes authorized by this Declaration or reserves. Declarant may, in its contracts for the sale of Lots, provide for a higher amount to be paid as

aforesaid and may require Builders to collect such higher amount upon their sale of a Lot.

Section 11. Declarant's Payments.

Declarant shall not be required to pay assessments levied on the Lots owned by it which are subjected to this Declaration for so long as Declarant pays all operating expenses incurred by the Association in excess of those assessments and other revenue receivable (as opposed to received) from all other Owners or otherwise. Such payment of operating expenses shall be made such that if at any time during the below-specified time period, received from other Owners and other revenues collected by the Association are not sufficient for the payment of common expenses on a timely basis (including the full funding of any reserves adopted hereunder), Declarant shall advance sufficient cash to the Association at the time such payments are due.

The foregoing provision shall be effective from the date of the recording of this Declaration and until the date which is the earliest of (i) the end of the second (2<sup>nd</sup>) full year after this Declaration is recorded (subject to extension as provided below) (ii) when the Class A Members elect a majority of the Board of Directors of the Association or (iii) when Declarant elects to terminate such arrangement, in all cases with Declarant to then pay assessments on its Lots on the same basis as all other Owners.

Section 12. Association Funds.

The portion of all regular assessments collected by the Association for reserves for future expenses, and the entire amount of all special and capital assessments, shall be held by the Association and may be invested in interest bearing accounts or in certificates of deposit or other like instruments or accounts available at banks or savings and loan institutions, the deposits of which are insured by an agency of the United States.

**ARTICLE VI**  
**MAINTENANCE OF STRUCTURES AND LOTS**

Section 1. Structures.

Each Owner shall maintain the surfaces of all Structures in a neat, orderly and attractive manner and consistent with the general appearance of The Properties. The minimum (though not sole) standard for the foregoing shall be consistency with the general appearance of The Properties as initially constructed and otherwise improved by Declarant or by any Builders who build in accordance with plans approved by Declarant (taking into account, however, normal weathering

and fading of exterior finishes, but not to the point of unsightliness, in the judgment of the Association). The Owner shall repaint or restain, as appropriate, the exterior portions of the Structure (with the same colors as initially used on the Structure, unless otherwise approved by the ARC) as often as is necessary to comply with the foregoing standards.

The responsibilities of the Owner as aforesaid shall extend not only to the surfaces of Structure and other improvements, including the walls and roofs thereof and any fences, but shall include maintaining (including washing, repairing or replacing) windows, replacing light bulbs and fixtures, maintaining or repairing any hardware systems for entry or garage doors or other functions beyond those of a "cosmetic" nature, except as provided below. All such extended responsibilities shall be performed according to those standards set forth herein so as to maintain those portions of the Structure and other improvements in the aforesaid condition and so as to be fully functional.

Without limiting the generality of the foregoing maintenance responsibilities, all manure enclosures, bins and surrounding areas shall be properly maintained using sound practices for such maintenance, commensurate with quality equestrian facilities as may be more particularly outlined in rules and regulations adopted by the Board of Directors, although no such rules and regulations need be adopted in order to require compliance with this provision. Likewise, all Lots shall be kept reasonably free from manure by prompt and regular collection thereof for deposit into the bin located in the Lot's manure enclosure.

## Section 2. Lots and Certain Bridle Trails.

Each Owner shall maintain the trees, shrubbery, grass and other landscaping, of the Owner's Lot in a neat, orderly and attractive manner and consistent with the general appearance of The Properties as a whole. The minimum (though not sole) standard for the foregoing shall be the general appearance of The Properties as initially landscaped by Declarant or Builders (such standard being subject to being raised by virtue of the natural and orderly growth and maturation of applicable landscaping, as properly trimmed and maintained).

In addition to the foregoing, the Owner of a Lot on which a bridle trail easement in favor of the Village of Wellington is located shall ensure that the irrigation system installed and operated on the Lot is designed and used to irrigate the portions of the Lot subject to such easement on a continuous basis.

## Section 3. Right of Entry to Remedy Noncompliance.

There is hereby created an easement in favor of the Association and its applicable designees over each Lot for the purpose of entering onto such Lot in the

performance of the remedial maintenance work described in this Article.

The aforesaid easement shall include the right of the Association to enter onto a Lot to perform any maintenance thereon required to be performed by the Owner of the Lot which is not so performed, which entry shall be after at least seven (7) days' prior written notice to the Owner. In such case, the cost of the performance of the maintenance work (which may be done by a contractor or other party engaged by the Association), together with an administrative surcharge determined by the Board of Directors but not to exceed thirty five percent (35%) of such remedial cost, shall be levied on the Lot as a special assessment hereunder and shall be immediately due and payable upon notice thereof to the Owner.

## **ARTICLE VII**

### **CERTAIN USE RESTRICTIONS**

#### **Section 1.    Applicability.**

The provisions of this Article VII shall be applicable to all of The Properties but shall not be applicable to the Declarant or any of its designees or Lots or other property owned by the Declarant or its designees, in all cases except as provided in Section 30, below.

#### **Section 2.    Land Use and Building Type; Garages.**

No Lot shall be used except for purposes consistent with the Village's approval of the development of The Properties, its Code of Ordinances and the Village Restrictions. Temporary uses by Declarant and its affiliates for model Structures, sales displays, parking lots, sales offices and other offices, or any one or combination of such uses, shall be permitted until permanent cessation of such uses takes place. No changes may be made in buildings erected by the Declarant or its affiliates or Builder (except if such changes are made by the Declarant or such a Structure builder) without the consent of the Architectural Review Committee.

The foregoing shall not prohibit the conduct of business activities within a Structure for so long as same are of a limited nature such that those activities do not generate non-social visitors, customers, clients or excessive deliveries and which are permitted by the Village. This provision shall not prohibit the rental of horse stalls, subject to Section 12 below and Article VIII hereof.

#### **Section 3.    Opening Blank Walls; Removing Fences.**

Without limiting the generality of Section 17 of this Article, no Owner shall make or permit any opening to be made in any blank wall (except as such opening is initially installed) or masonry wall or fence. Further, no such building wall or

masonry wall or fence shall be demolished or removed without the prior written consent of Declarant (so long as it owns any portion of The Properties) and the Architectural Review Committee.

Section 4. Easements.

Easements for installation and maintenance of utilities are reserved as shown on the recorded plat of The Properties and as provided herein. The area of each Lot covered by an easement and all improvements in the area shall be maintained continuously by the Owner of the Lot, except for installations for which a public authority or utility company is responsible. The appropriate water and sewer authority, electric utility company, telephone company, the Association, and the Declarant and its affiliates, and their respective successors and assigns, shall have a perpetual easement for the installation and maintenance, all underground, of water lines, sanitary sewers, storm drains, and electric, telephone and other telecommunication lines, cables and conduits, under and through the utility easements as shown on the plats.

Section 5. Nuisances.

Nothing shall be done or maintained on any Lot which may be or become an annoyance or nuisance to the neighborhood. Any activity on a Lot which interferes with television, cable or radio reception on another Lot shall be deemed a nuisance and a prohibited activity. In the event of a dispute or question as to what may be or become a nuisance, such dispute or question shall be submitted to the Board of Directors, which shall render a decision in writing, which decision shall be dispositive of such dispute or question.

Section 6. Temporary Structures; Gas Tanks; Other Outdoor Equipment.

Except as may be approved or used by the Declarant during construction and/or sales periods, no structure of a temporary character, or trailer, mobile Structure or recreational vehicle, shall be permitted on any Lots within The Properties at any time or used at any time as a residence, either temporarily or permanently. No gas tank, gas container or gas cylinder shall be permitted to be placed on or about the outside of any Structure or on or about any ancillary building, except for one (1) gas cylinder (not to exceed 20 lbs. capacity) connected to a barbecue grill and such other tank as shall be approved by the Architectural Review Committee described in Section 17, below, such tank to be installed underground unless physical conditions dictate otherwise, in which case the following sentence shall apply. Any outdoor equipment such as, but not limited to, pool pumps and water softening devices shall be reasonably screened from the view of anyone not standing on the Lot by the use of landscaping or other means (in any event, as approved by the Architectural Review Committee); provided,

however, that the use of such screening shall not obviate the requirement that the installation of any such equipment nevertheless be approved by the Architectural Review Committee.

Section 7.     Signs.

No sign of any kind shall be displayed to the public view on any Lot except by a Builder. However, the ARC may approve signs containing street addresses and/or names given to Lots.

Section 8.     Hurricane Shutters.

Any Owner desiring to make use of hurricane shutters shall follow the procedure set forth in Section 17 of this Article for the approval thereof with respect to type, color and other relevant attributes. Once approved the hurricane shutters shall be used only in accordance with the following requirements:

(a)     In the case of shutters which are not permanently installed on the Structure (e.g., panels as opposed to "accordion" shutters), same shall be stored out of sight.

(b)     No hurricane or other storm shutters shall be placed on a Structure, and no permanently affixed shutters shall be closed (except when servicing same), except upon the issuance of tropical storm or hurricane watch or warning by the National Weather Service with a projected landfall in the area of The Properties no earlier than forty-eight (48) hours from the time of the installation or closing of the shutters.

(c)     All shutters shall be opened/removed within twenty-four (24) hours of either (a) the "lifting" or cancellation of the aforesaid watch or warning or (b) in the event of an actual tropical storm or hurricane, the final passage of same.

(d)     Without limiting the specific time restrictions set forth above, at no time shall any hurricane shutters be used to "board up" a Structure in the absence of the Owner or occupant thereof, it being the sole responsibility of the Owner or occupant to provide any other desired security measures with respect to the Structure in a manner which does not have a negative esthetic impact on a Structure or surrounding properties.

Section 9.     Flags and Banners.

Only those flags and banners specifically required to be permitted by the Association per the Act may be placed on Lots or Structures and then only to the

limited extent required by the Act. All flags and banners, including poles, shall be maintained in a good, neat, attractive and respectful condition.

Section 10. Oil and Mining Operation.

No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in The Properties, nor on dedicated areas, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in The Properties. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any portion of the land subject to these restrictions.

Section 11. Pets, Livestock and Poultry.

Horses and usual and customary household pets may be kept on Lots and within Structures. As used herein, "household pets" shall mean dogs, cats and other animals expressly permitted by the Association, if any as well as fish and domestic (household-type) birds, as long as the latter are kept indoors and do not become a source of annoyance to neighbors. Pets shall also be subject to all applicable rules and regulations.

Section 12. Limitation on Horse Stalls.

There shall be no more than four horse stalls per acre and no more than ten horse stalls on any Lot within the development. No more than four horse stalls may be rented to non-occupant third parties on any Lot governed by this Declaration of Covenants. Horse stall rentals shall be limited to only owners or renters of the residence in the adjacent Lakefield North and Lakefield South Communities. Use of a stall by an occupant or by a family member of an occupant shall not be deemed a rental for purposes of this instrument.

Section 13. Manure Bins.

Each lot shall contain a three-sided concrete enclosure with a roof and gate for the purpose of housing a manure bin to serve the Lot. The enclosure shall be equipped with an odor controlling mechanism to ensure adequate containment of odor. All manure bins housed within such structure shall include a lid. The enclosure shall also be equipped with a mechanism designed to reduce or eliminate the attraction of flies.

Section 14. Loading and Unloading.

No Owner, Member, Member Permittee or Occupant shall load or unload, or permit to be loaded or unloaded, any equipment, horse or any other product within any right-of-way of Aeroclub Drive or Greenbrier Boulevard.

Section 15. Deliveries.

With the exception of common residential delivery services, such as the United States Postal Service, UPS, FedEx, or other non-equestrian residential deliveries, equine related deliveries, except for emergency medical equine care services, to any Parcel governed by this Declaration shall be limited as follows: the earliest deliveries shall be no earlier than 9:00 a.m. and no deliveries shall take place after sundown; provided, however, that deliveries utilizing trucks over forty (40) feet in length shall be prohibited between the hours of 6:30 a.m. to 9:30 a.m. and between 2:00 p.m. and 4:30 p.m. Monday through Friday.

Section 16. Visibility at Intersections.

No obstruction to visibility at street intersections or Common Area intersections shall be permitted; provided that the Association shall not be liable in any manner to any person or entity, including Owners and Members Permittees, for any damages, injuries or deaths arising from any violation of this Section.

Section 17. Architectural Review.

No building, wall, fence or other structure or improvement of any nature (including, but not limited to, pools, screen enclosures, patios (or patio extensions), hedges, other landscaping, exterior paint or finish, play structures, awnings, shutters, hurricane protection, basketball hoops, decorative plaques or accessories, birdhouses, other pet houses, swales, asphaltting, sidewalk/driveway surfaces or treatments or other improvements or changes of any kind, even if not permanently affixed to the land or to other improvements) shall be erected, placed or altered on any Lot until the construction plans and specifications and a plan showing the location of the structure and landscaping or of the materials as may be required by the Architectural Review Committee (which shall be a committee appointed by the Board of Directors of the Association, absent such appointment the Board to serve in such capacity) have been approved, if at all, in writing by the Architectural Review Committee and all necessary Village and other governmental permits are obtained. Each building, wall, fence or other structure, improvement or alteration of any nature, together with landscaping, shall be erected, placed or altered upon the premises only in accordance with the plans and specifications and plot plan approved by the Architectural Review Committee and applicable governmental permits and requirements. Refusal of approval of plans, specifications and plot plans, or any of them, may be based on any ground, including purely aesthetic grounds, which in the sole and uncontrolled discretion of said Architectural Review

Committee seem sufficient. Any change in the exterior appearance of any building, wall, fence or other structure or improvements, and any change in the appearance of the landscaping, shall be deemed an alteration requiring approval. The Architectural Review Committee shall have the power to promulgate such rules and regulations as it deems necessary to carry out the provisions and intent of this paragraph and may charge up to \$1,500 to an applicant for consulting architect fees. A majority of the Board may take any action the Board is empowered to take, may designate a representative to act for the Board and may employ personnel and consultants to act for it. In the event of death, disability or resignation of any member of the Board, the remaining members shall have full authority to designate a successor. The members of the Board shall not be entitled to any compensation for services performed pursuant to this covenant, unless engaged by the Association in a professional capacity. The Architectural Review Committee shall act on submissions to it within forty-five (45) days after receipt of the same (and all further documentation required) or else the request shall be deemed approved.

In the event that any new improvement or landscaping is added to a Structure/Lot, or any existing improvement on a Lot is altered, in violation of this Section, the Association shall have the right (and an easement and license) to enter upon the applicable Lot and remove or otherwise remedy the applicable violation after giving the Owner of the Lot at least ten (10) days prior written notice of, and opportunity to cure, the violation in question. The costs of such remedial work and a surcharge of a minimum of Twenty-Five and No/100 Dollars (\$25.00) (but in no event more than thirty-five percent (35%) of the aforesaid costs) shall be a special assessment against the Lot, which assessment shall be payable upon demand and secured by the lien for assessments provided for in this Declaration.

The approval of any proposed improvements or alterations by the Architectural Review Committee shall not constitute a warranty or approval as to, and neither the Association nor any member or representative of the Architectural Review Committee or the Board of Directors shall be liable for, the safety, soundness, workmanship, materials or usefulness for any purpose of any such improvement or alteration nor as to its compliance with governmental or industry codes or standards. By submitting a request for the approval of any improvement or alteration, the requesting Owner shall be deemed to have automatically agreed to hold harmless and indemnify the aforesaid members and representatives, and the Association generally, from and for any loss, claim for damages connected with the aforesaid aspects of the improvements or alterations.

Without limiting the generality of Sections 1 and 30 hereof, the foregoing provisions shall not be applicable to the Declarant or its affiliates or to Builders meeting the requirements of Section 30 of this Article.

All provisions herein shall be consistent with Village regulations, and nothing in this Declaration should be interpreted as an exemption from compliance with Village regulations.

Section 18. Commercial Vehicles, Trucks, Trailers, Campers and Boats.

Usual and customary passenger vehicles, pick-up trucks and the like shall be permitted to be kept on Lots. Additionally, vehicles and trailers which are usually and customarily used for equestrian purposes may likewise be kept on Lots if used in connection with equestrian activities conducted on the applicable Lot or to transport horses kept within the Structure on the Lot to and from other equestrian venues. Other types of vehicles and trailers shall only be permitted if a rule to such effect is adopted by the Board of Directors but no RV, trailer or similar conveyance may be occupied overnight.

Section 19. Parking on Common Areas and Lots.

No vehicles of any type shall be parked on any portion of the Common Areas (including roadways) not specifically designed and designated for such purpose or any portions of a Lot other than its driveway, parking area and any garage.

Section 20. Garbage and Trash Disposal.

No garbage, refuse, trash or rubbish (including materials for recycling) shall be deposited except as permitted by the Association. The requirements from time to time of the applicable governmental authority or other company or association for disposal or collection of waste shall be complied with. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. Containers must comply with all requirements of Palm Beach County. Such containers may not be placed out for collection sooner than twenty-four (24) hours prior to scheduled collection and must be removed within twelve (12) hours of collection. In the event the Association, in its sole discretion, provides depositories for recyclable materials, same shall be the only ones used on The Properties.

Section 21. Fences, Walls and Hedges.

No fence, wall or other structure shall be erected on any Lot, except as originally installed by Declarant or its affiliates or approved by the Architectural Review Committee. Further, no hedge shall be planted except any approved by the Architectural Review Committee. In considering any request for the approval of a hedge or other landscaping, the Architectural Review Committee shall give due consideration to the possibility of same obstructing the view from any adjoining Lot

or Common Area and may condition its approval on the hedge or other landscaping being kept to a specific height by the Association.

Section 22. No Drying.

No clothing, laundry or wash shall be aired or dried on any portion of The Properties except on a portion of a Lot which is completely screened from the view of all persons other than those on the Lot itself.

Section 23. Waterfront Property.

As to all portions of The Properties which have a boundary contiguous to any lake or other body of water, the following additional restrictions and requirements shall be applicable:

(a) No boathouse, dock, wharf or other structure of any kind shall be erected, placed, altered or maintained on the shores of the lake unless erected by the Declarant or its affiliates, subject to any and all governmental approvals and permits that may be required.

(b) No boat, boat trailer or vehicular parking or use of lake slope or shore areas shall be permitted. No boats of any type shall be used on any lake.

(c) No solid or liquid waste, litter or other materials may be discharged into/onto or thrown into/onto any lake or other body of water or the banks thereof.

(d) No landscaping (other than that initially installed or approved by the Declarant), fences, structures or other improvements (regardless of whether or not same are permanently attached to the land or to other improvements) shall be placed within any lake maintenance or similar easements around lakes or other bodies of water.

**WITH RESPECT TO WATER LEVELS AND QUALITY AND OTHER WATERBODY-RELATED MATTERS, ALL PERSONS ARE REFERRED TO ARTICLE XIV, SECTION 12 HEREOF.**

Section 24. Air Conditioners and Reflective Materials.

No air conditioning units may be mounted through windows or walls. No structure shall have any aluminum foil placed in any window or glass door or any reflective substance or other materials (except standard interior window treatments) placed on any glass, except such as may be approved by the Architectural Review Committee for energy conservation purposes.

Section 25. Exterior Antennas.

No exterior antennas, satellite dishes or similar equipment shall be permitted on any Lot or improvement thereon unless approved by the Architectural Review Committee, except that Declarant and its designees shall have the right to install and maintain community antenna, microwave antenna, dishes, satellite antenna and radio, television and security lines.

Notwithstanding the foregoing, a satellite receiving dish may be installed on a Lot if, but only if, the installation of same is protected by the rules of the Federal Communications Commission, but only to the extent protected by those rules and subject to the approval of the Architectural Review Committee to the maximum extent lawful.

Section 26. Renewable Resource Devices.

Nothing in this Declaration shall be deemed to prohibit the installation of energy devices based on renewable resources (e.g., solar collector panels); provided, however, that same shall be installed only in accordance with the reasonable standards adopted from time to time by the Architectural Review Committee. Such standards shall be reasonably calculated to maintain the aesthetic integrity of The Properties without making the cost of the aforesaid devices prohibitively expensive.

Section 27. Artificial Vegetation.

No artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Lot without the prior approval of the Architectural Review Committee.

Section 28. Maintenance and Operation of Gates.

Any gate serving a single Lot shall be operated, maintained, repaired and replaced by the Owner of such Lot, with the Association to have the same remedial rights should such Owner fail to do so as are provided in Article VI hereof. In the case of Lots which share an entry gate, such entry gate and the shared portion of the driveway/roadway on which such gate is located shall, regardless of the ownership of same, be deemed a Limited Common Area and such gate shall be maintained, repaired and replaced by Association, with the costs and expenses thereof to be levied on the affected Lots as benefited assessments in accordance with Article V, Section 4 hereof.

Section 29. Variances.

The Board of Directors of the Association shall have the right and power to grant variances from the provisions of this Article VII for good cause shown, as determined in the reasonable discretion of the Board. No variance granted as aforesaid shall alter, waive or impair the operation or effect of the provisions of this Article VII in any instance in which such variance is not granted.

Section 30. Exemption for Builders.

Any Builder shall be exempt from the provisions of this Article, except Section 31, below, as well as those of Article VI hereof, to the extent that the application of same would prevent or unreasonably interfere with the construction of a Structure in a lawful manner; provided, however, that such Builder shall not be so exempt unless it is subject to restrictions imposed by the Declarant. Without limiting the generality of the foregoing, such exemption of Builders shall specifically extend to and include the architectural review and approval provided in Section 17 of this Article if the Declarant has the right to approve the Structures constructed by the Builder per a separate agreement with such Builder. Notwithstanding the foregoing, each such Builder shall keep its construction site in a neat, clean and orderly manner appropriate for such a site.

Section 31. Village Restrictions.

All Owners, Members, Permittees and other persons occupying or using The Property shall at all times comply with the Village Restrictions, all of which are hereby incorporated herein by this reference and shall be enforceable not only by the Village as provided in the Village Restrictions but also by the Association. In the event of a conflict between the foregoing Use Restrictions or any other portion of this Declaration and any provisions of the Village Restrictions, the latter shall control (provided that restrictions or requirements contained herein that are more stringent than those contained in the Village Restrictions shall not be deemed to be in conflict with the Village Restrictions).

Without limiting the generality of the foregoing, the Association shall ensure that the manure enclosure required to be constructed, placed and maintained on each Lot is so constructed and placed, with the maintenance to be governed by Article VI, Section 1.

Section 32. Rules and Regulations.

The Board of Directors shall have the authority to adopt, amend, add to and repeal rules and regulations in supplement or addition to the foregoing governing the use of The Properties.

**ARTICLE VIII**  
**RESALE, LEASE AND OCCUPANCY RESTRICTIONS**

Section 1.     Estoppel Certificate.

No Owner may sell or convey his interest in a Lot unless all sums due the Association are paid in full and an estoppel certificate in recordable form to such effect shall have been received by the Owner. If all such sums shall have been paid, the Association shall deliver such certificate within ten (10) days of a written request therefor. The Owner requesting the certificate may be required by the Association to pay to the Association a reasonable sum to cover the costs of examining records and preparing the certificate.

Owners shall be obligated to deliver the documents originally received from the Declarant, containing this Declaration and other documents, to any grantee of such Owner.

Section 2.     Leases.

No portion of a Lot or Structure (other than a horse stall, but then subject to the Village Restrictions) may be rented.

Section 3.     Members' Permittees.

No Lot or Structure shall be occupied by any person other than the Owner(s) thereof or the applicable Members' Permittees and in no event other than as a residence. For purposes of this Declaration, a Member's Permittees shall be the following persons and such persons' families, provided that the Owner or other permitted occupant must reside with his/her family: (i) an individual Owner(s), (ii) an officer, director or stockholder of a corporate owner who holds at least twenty-five percent (25%) ownership interest in said corporate owner, (iii) a partner in a partnership owner, (iv) a member of a limited liability company owner and (v) a fiduciary or beneficiary of an ownership in trust. Occupants shall in all cases be only those permitted by the Village Restrictions. Under no circumstances may more than one family reside in a Structure at one time. In no event shall occupancy (except for temporary occupancy by guests) exceed two (2) persons per bedroom. The provisions of this Section shall not be applicable to Structures used by the Declarant for model apartments, sales offices, management services or otherwise.

As used herein, "family" or words of similar import shall be deemed to include a spouse, children, parents, brothers, sisters, grandchildren and other persons permanently cohabiting in the Structure together with the Owner or permitted occupant thereof. ## **ARTICLE IX**

### **SURFACE WATER MANAGEMENT SYSTEM**

#### Section 1. Preamble.

The provisions of this Article IX are adopted to comply with the requirements of the SFWMD for an association which is a "responsible entity" for the operation of the Surface Water Management System.

#### Section 2. Association Power and Authority.

The Association shall be responsible for the maintenance, operation and repair of the Surface Water Management System in accordance with SFWMD Permit No. 50-00548-S-308. Maintenance of the Surface Water Management System(s) shall mean the exercise of practices which allow the system to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the SFWMD. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Surface Water Management System shall be as permitted, or if modified as approved, by the SFWMD.

All expenses related to the foregoing activities or otherwise related to the Surface Water Management System shall be paid for through assessments collected as provided in this Declaration.

#### Section 3. Amendment.

The provisions of this Article IX may only be amended with the consent of the SFWMD. Further, no amendment to any other provision of this Declaration which alters or affects the Surface Water Management System shall be effective without the approval of the SFWMD.

#### Section 4. Enforcement.

The SFWMD has the right to take enforcement action, including civil action for an injunction and penalties against the Association, to compel it to correct any outstanding deficiencies or defects in the Surface Water Management System facilities.

## **ARTICLE X**

### **DAMAGE OR DESTRUCTION TO COMMON AREAS**

Damage to or destruction of all or any portion of the Common Areas shall be handled in the following manner, notwithstanding any provision in this Declaration to the contrary:

(a) In the event of damage to or destruction of the Common Areas, if the insurance proceeds are sufficient to effect total restoration, then the Association shall cause such portions of the Common Areas to be repaired and reconstructed substantially as it previously existed.

(b) If the insurance proceeds are within Two Hundred Thousand and No/100 Dollars (\$200,000.00) or less of being sufficient to effect total restoration of the Common Areas, then the Association shall cause such portions of the Common Areas to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a capital improvement assessment against each of the Owners in equal shares in accordance with the provisions of Article V, of this Declaration.

(c) If the insurance proceeds are insufficient by more than Two Hundred Thousand and No/100 Dollars (\$200,000.00) to effect total restoration of the Common Areas, then by written consent or vote of a majority of each class of the Members, they shall determine whether (i) to rebuild and restore the Common Areas in substantially the same manner as they existed prior to damage and to raise the necessary funds over the insurance proceeds by levying capital improvement assessments against all Members, (ii) to rebuild and restore in a way which is less expensive than replacing the Common Areas in substantially the same manner as they existed prior to being damaged, or (iii) subject to the approval of the Board, to not rebuild and to retain the available insurance proceeds. Anything to the contrary herein notwithstanding, no decision not to rebuild or to rebuild in a manner which would result in a change in the Common Areas shall be effective without the written approval of the Board, which can require rebuilding as it deems appropriate.

(d) Each Member shall be liable to the Association for any damage to the Common Areas not fully covered by collected insurance which may be sustained by reason of the negligence or willful misconduct of any Member or his Member's Permittees. Notwithstanding the foregoing, the Association reserves the right to charge such Member an assessment equal to the increase, if any, in the insurance premium directly attributable to the damage caused by such Member. In the case of joint ownership of a Structure, the liability of such Member shall be joint and several. The cost of correcting such damage shall be an assessment against the Member and may be collected as provided herein for the collection of assessments.

## **ARTICLE XI**

### **ASSOCIATION INSURANCE**

Insurance covering the Common Areas shall be governed by the following provisions:

#### **Section 1. Purchase, Custody and Payment.**

(a) Purchase. All insurance policies described herein covering the Common Areas shall be purchased by the Association and shall be issued by either an insurance company authorized to do business in Florida, or a surplus lines carrier reasonably acceptable to the Board.

(b) Named Insured. The named insured shall be the Association, individually, and as agent for Owners.

(c) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each First Mortgagee. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy, or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.

#### **Section 2. Coverage.**

The Association shall maintain insurance covering the following:

(a) Casualty. All insurable improvements on the Common Areas from time to time, together with all fixtures, building service equipment, personal property and supplies serving the Common Areas (collectively the "Insured Property"), shall be insured in an amount not less than 100% of the full insurable replacement value thereof, excluding foundation and excavation costs. Such policies may, however, contain reasonable deductible provisions as determined by the Board of Directors. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

(b) Liability. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured

Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$1,000,000 for each accident or occurrence, \$100,000 per person and \$50,000 property damage, and with a cross liability endorsement to cover liabilities of the Owners as a group to any Owner, and vice versa. The Association may also obtain and maintain liability insurance for its directors and officers and for the benefit of the Association's employees.

(c) Worker's Compensation and other mandatory insurance, when applicable.

(d) Flood Insurance covering the Common Areas if the Association so elects.

(e) Fidelity Insurance or Fidelity Bonds. The Association shall obtain and maintain adequate insurance or fidelity bonding of all persons who control or disburse Association funds, which shall include, without limitation, those individuals authorized to sign Association checks and the president, secretary and treasurer of the Association. The insurance policy or fidelity bond shall be in such amount as shall be determined by a majority of the Board, but must be sufficient to cover the maximum funds that will be in the custody of the Association or its management agent at any one time. The premiums on such bonds and/or insurance shall be paid by the Association.

(f) Such Other Insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association and against the Owners individually and as a group, (ii) to pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, a member of the Board of Directors of the Association, one or more Unit Owners or as a result of contractual undertakings. Additionally, each policy shall provide that the insurance provided shall not be prejudiced by any act or omissions of individual Owners that are not under the control of the Association.

### Section 3. Additional Provisions.

All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days' prior written notice to all of the named insureds, including all mortgagees of Units. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of

Directors may obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations and excavation costs), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section.

Section 4. Premiums.

Premiums upon insurance policies purchased by the Association shall be paid by the Association, except that the costs of fidelity bonding and liabilities for any management company employee may be paid by such company pursuant to its contract with the Association. Premiums may be financed in such manner as the Board of Directors deems appropriate.

**ARTICLE XII**  
**OWNERS' INSURANCE**

Section 1. Claims and Proceeds.

In the event of insured damage to a Structure which affects only that Structure, the Owner shall be responsible for promptly making and pursuing the appropriate claim under the Owner's insurance and promptly seeing to the application of the proceeds thereof to the repair or restoration of the Structure so as to return it to at least the condition in which it existed prior to the event giving rise to the claim.

**ARTICLE XIII**  
**MORTGAGEE PROTECTION**

The following provisions included herein hereto (and to the extent these provisions conflict with any other provisions of the Declaration, these provisions shall control):

(a) The Association shall be required to make available to all Owners and Mortgagees, and to insurers and guarantors of any mortgage on a Lot, for inspection, upon request, during normal business hours or under other reasonable circumstances, current copies of this Declaration (with all amendments) and the Articles, By-Laws and rules and regulations and the books and records of the Association. Furthermore, such persons shall be entitled, upon written request, to (i) receive a copy of the Association's financial statement for the immediately preceding fiscal year, (ii) receive notices of and attend the Association meetings, (iii) receive notice from the Association of an alleged default by an Owner in the performance of such Owner's obligations under this Declaration, the Articles of Incorporation or the By-Laws of the Association, which default is not cured within

thirty (30) days after the Association learns of such default, and (iv) receive notice of any substantial damage or loss to the Common Areas.

(b) Any holder, insurer or guarantor of a mortgage on a Lot shall have, if first requested in writing, the right to timely written notice of (i) any condemnation or casualty loss affecting a material portion of the Common Areas, (ii) a sixty (60) day delinquency in the payment of the Assessments on a mortgaged Lot, (iii) the occurrence of a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association, and (iv) any proposed action which requires the consent of a specified number of Mortgage holders.

(c) Unless at least 66-2/3% of first Mortgagees (based upon one vote for each Mortgage owned), and the Members holding at least two-thirds (2/3rds) of the votes entitled to be cast by them, have given their prior written approval, neither the Association nor the Owners shall:

(1) by act or omission seek to sell or transfer the Common Areas and any improvements thereon which are owned by the Association (the granting of easements for utilities or for other such purposes consistent with the intended use of such property by the Association or the Declarant or the transfer of the Common Areas to another similar association of the Owners in accordance with the Articles of Incorporation of the Association or dedication of such property to the public shall not be deemed a transfer within the meaning of this clause);

(2) change the basic methods of determining the obligations, assessments, dues or other charges which may be levied against a Lot, except as provided herein with respect to future Lots;

(3) by act or omission, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of The Properties;

(4) fail to maintain fire and extended insurance on insurable portions of the Common Areas as provided herein; or

(5) use hazard insurance proceeds for losses to any Common Areas for other than the repair, replacement or reconstruction of the improvements.

#### **ARTICLE XIV**

#### **GENERAL PROVISIONS**

##### **Section 1. Duration.**

The covenants and restrictions of this Declaration shall run with and bind The Properties, and shall inure to the benefit of and be enforceable by the Association, the Architectural Review Committee, the Declarant (at all times) and the Owner of any Lot or other land subject to this Declaration, and their respective legal representatives, heirs, successors and assigns, for a term of ninety-nine (99) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years each unless an instrument signed by the then Owners of seventy-five percent (75%) of all the Lots subject hereto and of one hundred percent (100%) of the mortgagees thereof has been recorded, agreeing to revoke said covenants and restrictions; provided, however, that no such agreement to revoke shall be effective unless made and recorded three (3) years in advance of the effective date of such revocation, and unless written notice of the proposed agreement is sent to every Owner at least ninety (90) days in advance of any signatures being obtained.

Section 2.     Notice.

Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 3.     Enforcement.

Enforcement of this Declaration and the rules and regulations of the Association shall be accomplished by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restrictions, either to restrain violation or to recover damages, and against the Lots to enforce any lien created by these covenants; and failure to enforce any covenant or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter. Enforcement may also be conducted in the manner provided in the By-Laws of the Association. The prevailing party in any action to enforce this Declaration or the Association's rules and regulations shall be entitled to recover all attorney's fees and costs of all pre-trial and appellate levels, including in any action to enforce such right of recovery. Attorneys' fees incurred by the Association in the instance of a violation of this Declaration or the rules and regulations, whether or not any formal legal action is taken, shall be paid to the Association upon demand.

Section 4.     Severability.

Invalidation of any one of these covenants or restrictions or any part, clause or word hereof, or the application thereof in specific circumstances, by judgment or court order shall not affect any other provisions or applications in other circumstances, all of which shall remain in full force and effect.

Section 5. Amendment.

The covenants, restrictions, easements, charges and liens of this Declaration may be amended, changed, deleted or added to at any time and from time to time upon the execution and recordation of an instrument executed by the Declarant alone, for so long as it or its affiliates holds title to any Lot affected by this Declaration; or alternatively by approval at a meeting of Owners holding not less than 66-2/3% vote of the entire membership in the Association (as opposed to only those Members represented at a meeting of the Association). The provisions of this Section reserving amendment powers in Declarant may not be amended without Declarant. Notwithstanding the foregoing, no amendment, change, deletion or addition to this Declaration, whether by the Declarant or by a vote of the Members of the Association, may modify the terms of the Village Restrictions without the unanimous vote of all Members and the approval of a majority of the members of the Wellington Village Council.

Section 6. Effective Date.

This Declaration shall become effective upon its recordation in the Palm Beach County Public Records.

Section 7. Conflict.

This Declaration shall take precedence over conflicting provisions in the Articles of Incorporation and By-Laws of the Association and said Articles shall take precedence over the By-Laws. All provisions of said documents shall take precedence over Rules and Regulations.

Section 8. Standards for Consent, Approval, Completion, Other Action and Interpretation.

Whenever this Declaration shall require the consent, approval, completion, substantial completion, or other action by the Declarant or its affiliates, the Association or the Architectural Review Committee, such consent, approval or action may be withheld in the sole and unfettered discretion of the party requested to give such consent or approval or take such action, and all matters required to be completed or substantially completed by the Declarant or its affiliates or the Association shall be deemed so completed or substantially completed when such matters have been completed or substantially completed in the reasonable opinion of the Declarant or Association, as appropriate. This Declaration shall be interpreted by the Board of Directors and an opinion of counsel to the Association or the counsel having drafted this Declaration rendered in good faith that a particular interpretation is not unreasonable shall conclusively establish the validity of such interpretation.

Section 9. Easements.

Should the intended creation of any easement provided for in this Declaration fail by reason of the fact that at the time of creation there may be no grantee in being having the capacity to take and hold such easement, then any such grant of easement deemed not to have been so created shall nevertheless be considered as having been granted directly to the Association as agent for such intended grantees for the purpose of allowing the original party or parties to whom the easements were originally intended to have been granted the benefit of such easement and the Owners designate hereby the Declarant and the Association (or either of them) as their lawful attorney-in-fact to execute any instrument on such Owners' behalf as may hereafter be required or deemed necessary for the purpose of later creating such easement as it was intended to have been created herein. Formal language of grant or reservation with respect to such easements, as appropriate, is hereby incorporated in the easement provisions hereof to the extent not so recited in some or all of such provisions.

Section 10. Disclaimer of Common Area Warranties.

IN ADDITION TO THE FOREGOING, ALL OWNERS ACKNOWLEDGE AND AGREE, BY VIRTUE OF TAKING TITLE TO THE RESPECTIVE LOTS, THAT THE CONDUCT OF CONSTRUCTION ACTIVITIES WITHIN ANY COMMUNITY NATURE AND CUSTOMARILY RESULTS IN WEAR AND TEAR ON COMMON AREAS SUCH AS ROADWAYS, CURBS, LANDSCAPING AND THE LIKE. NEITHER DECLARANT NOR ANY BUILDER SHALL BE LIABLE FOR THE REPAIR, REPLACEMENT OR REHABILITATION OF ANY SUCH WEAR AND TEAR AND THE "AS IS, WHERE IS WITH ALL FAULTS" PROVISIONS SET

FORTH IN THE IMMEDIATELY PRECEDING PARAGRAPH SHALL EXTEND TO INCLUDE AND PROVIDE FOR THE ACCEPTANCE OF THE COMMON AREAS SUBJECT TO SUCH WEAR AND TEAR.

Section 11. Notices and Disclaimers as to Water Bodies.

NEITHER DECLARANT, THE ASSOCIATION, THE GOLF COURSE OPERATOR NOR ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "**LISTED PARTIES**") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE SAFETY, WATER QUALITY OR WATER LEVEL OF/IN ANY LAKE, POND, CANAL, CREEK, STREAM OR OTHER WATER BODY WITHIN THE PROPERTIES, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY DEDICATED BY PLAT OR IMPOSED BY, OR CONTRACTED FOR WITH, AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY. FURTHER, NONE OF THE LISTED PARTIES SHALL BE LIABLE FOR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH OCCURRING IN, OR OTHERWISE RELATED TO, ANY WATER BODY, ALL PERSONS USING SAME DOING SO AT THEIR OWN RISK.

SUCH EASEMENT IS FOR AIR FLIGHT AND

NAVIGATION PURPOSES OVER THE PROPERTIES, THE USE OF WHICH WILL INVOLVE NOISE, VIBRATIONS, ODORS, FUMES, VAPORS, AIR CURRENTS, ILLUMINATIONS, PARTICULATES, SMOKE, DUST AND ELECTROMAGNETIC AND COMMUNICATIONS EMISSIONS AS WELL AS OTHER EFFECTS INHERENT IN OR RELATED TO THE OPERATION OF GENERAL AVIATION AIRCRAFT OF ANY TYPE.

Section 13. Covenants Running With The Land.

Anything to the contrary herein notwithstanding and without limiting the generality (and subject to the limitations) of Section 1 hereof, it is the intention of all parties affected hereby (and their respective heirs, personal representatives, successors and assigns) that these covenants and restrictions shall run with the land and with title to the properties. Without limiting the generality of Section 4 hereof, if any provision or application of this Declaration would prevent this Declaration from running with the land as aforesaid, such provision and/or application shall be judicially modified, if at all possible, to come as close as possible to the intent of such provision or application and then be enforced in a manner which will allow these covenants and restrictions to so run with the land; but if such provision and/or application cannot be so modified, such provision and/or application shall be unenforceable and considered null and void in order that the paramount goal of the parties (that these covenants and restrictions run with the land as aforesaid) be achieved.

**ARTICLE XV**  
**DISCLAIMER OF LIABILITY OF ASSOCIATION**

NOTWITHSTANDING ANYTHING CONTAINED HEREIN OR IN THE ARTICLES OF INCORPORATION, BY-LAWS, ANY RULES OR REGULATIONS OF THE ASSOCIATION OR ANY OTHER DOCUMENT GOVERNING OR BINDING THE ASSOCIATION (COLLECTIVELY, THE "**ASSOCIATION DOCUMENTS**"), THE ASSOCIATION SHALL NOT BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF THE PROPERTIES INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, INVITEES, AGENTS, SERVANTS, CONTRACTORS OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH PERSONS. (b) THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN ENTITY WHICH ENFORCES OR ENSURES THE COMPLIANCE WITH THE LAWS OF THE UNITED STATES, STATE OF FLORIDA, PALM BEACH COUNTY AND/OR ANY OTHER JURISDICTION OR THE PREVENTION OF TORTIOUS ACTIVITIES; AND

(c) ANY PROVISIONS OF THE ASSOCIATION DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS WHICH RELATE TO HEALTH, SAFETY AND/OR WELFARE SHALL BE INTERPRETED AND APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON.

EACH OWNER (BY VIRTUE OF HIS ACCEPTANCE OF TITLE TO HIS LOT) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING ANY USE OF, ANY PORTION OF THE PROPERTIES (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USES) SHALL BE BOUND BY THIS ARTICLE AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS ARTICLE.

AS USED IN THIS ARTICLE, "**ASSOCIATION**" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, CONTRACTORS (INCLUDING MANAGEMENT COMPANIES), SUBCONTRACTORS, SUCCESSORS AND ASSIGNS. THE PROVISIONS OF THIS ARTICLE SHALL ALSO INURE TO THE BENEFIT OF THE DECLARANT AND ALL PARTIES RELATED THERETO, ALL OF WHICH SHALL BE FULLY PROTECTED HEREBY.

3. **Members.**
  - 3.1 **Annual Meeting.** The annual Members' meeting shall be held on the date, at the place and at the time determined by the Board of Directors from time to time, provided that there shall be an annual meeting every calendar year and, to the extent possible, no later than twelve (12) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors and to transact any other business authorized to be transacted by the Members, or as stated in the notice of the meeting sent to Members in advance thereof. Unless

changed by the Board of Directors, the first annual meeting shall be held in the month of February or March following the year in which the Declaration is recorded.

- 3.2 Special Meetings. Special Members' meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board of Directors of the Association, and must be called by the President or Secretary upon receipt of a written request from a majority of the Members of the Association. The business conducted at a special meeting shall be limited to that stated in the notice of the meeting.
- 3.3 Notice of Meeting; Waiver of Notice. Notice of a meeting of Members, stating the time and place and the purpose(s) for which the meeting is called, shall be given by the President or Secretary. The notice of the annual meeting shall be sent by mail or hand delivery to each Member, unless the Member waives in writing the right to receive notice of the annual meeting by mail. The delivery or mailing shall be to the address of the Member as it appears on the roster of Members. The posting and mailing of the notice shall be effected not less than fourteen (14) days, nor more than sixty (60) days, prior to the date of the meeting.

Notice of specific meetings may be waived before or after the meeting and the attendance of any Member (or person authorized to vote for such Member) shall constitute such Member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the express purpose of objecting, at the beginning of the meeting, to the transaction of business because the meeting is not lawfully called.

An officer of the Association shall provide an affidavit, to be included in the official records of the Association, affirming that notices of the Association meeting were mailed or hand delivered in accordance with this Section. No other proof of notice of a meeting shall be required.

- 3.4 Quorum. A quorum at Members' meetings shall be attained by the presence, either in person or by proxy, of persons entitled to cast in excess of 33-1/3% of the votes of Members in the Association.

### 3.5 Voting.

- (a) Number of Votes. In any meeting of Members, the Members shall be entitled to cast one vote for each Lot owned. The vote of a Lot shall not be divisible.
- (b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Members for all purposes, except where otherwise provided by law, the Declaration, the Articles or these By-Laws. As used in these By-Laws, the Articles or the Declaration, the term "majority of the Members" shall mean a majority of the votes of Members and not a majority of the Members themselves and shall further mean more than fifty percent (50%) of the then total authorized votes present in person or by proxy and voting at any meeting of the Members at which a quorum shall have been attained. Similarly, if some greater percentage of Members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of Members and not of the Members themselves.
- (c) Voting Member. If a Lot is owned by one person, such person's right to vote shall be established by the roster of Members based upon the holders of title to the Lots. If a Lot is owned by more than one person, those persons (including husbands and wives) shall decide between/among themselves as to who shall cast the vote of the Lot. In the event that those persons cannot so decide, no vote shall be cast. A person casting a vote for a Lot shall be presumed to have the authority to do so unless the President or the Board of Directors is otherwise notified. If a Lot is owned by a corporation, partnership, trust or other entity, the person entitled to cast the vote for the Lot shall be designated by a certificate signed by a person entitled to execute a conveyance of the entity's property and filed with the Secretary of the Association. Such person need not be a Member. Such certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot concerned. A certificate designating the person entitled to cast the vote for a Lot may be revoked by any record Member of an undivided interest in the Lot or an authorized entity representative as aforesaid. If a certificate designating the person entitled to cast the vote for a Lot for which such

certificate is required is not on file or has been revoked, the vote attributable to such Lot shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed.

- 3.6 Proxies. Votes may be cast in person or by proxy. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawful adjourned meetings thereof. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be in writing, signed by the person authorized to cast the vote for the Lot (as above described), name the person(s) voting by proxy and the person authorized to vote for such person(s) and filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Each limited proxy shall set forth the matters on which the proxy holder may vote and the manner in which the vote is to be cast.
- 3.7 Adjourned Meetings. If any proposed meeting cannot be organized because a quorum has not been attained, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as required above, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.
- 3.8 Order of Business. If a quorum has been attained, the order of business at annual Members' meetings, and, if applicable, at other Members' meetings, shall be:
- (a) Call to order by President;
  - (b) Appointment by the President of a chair of the meeting (who need not be an officer, director or Member of the Association);
  - (c) Proof of notice of the meeting or waiver of notice;
  - (d) Reading of minutes;
  - (e) Reports of officers;

- (f) Reports of committees;
- (g) Appointment of inspectors of election;

3.9 Minutes of Meeting. The minutes of all meetings of Members shall be kept in a book available for inspection by Members or their authorized representatives and Board Members at any reasonable time.

3.10 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of such Members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken, shall be signed by the Members (or persons authorized to cast the vote of any such Members as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of Members at which a quorum of Members (or authorized persons) entitled to vote thereon were present and voted. Within ten (10) days after obtaining such authorization by written consent, notice must be given to Members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

#### 4. Directors.

4.1 Membership. The affairs of the Association shall be governed by a Board of not less than three (3) but no more than five (5) Directors, the exact number to be determined in the first instance in the Articles, and, thereafter, by the Board of Directors. Directors shall at all times be subject to the qualifications and obligations set forth in the Act.

4.2 Vacancies and Removal.

- (a) Except as to vacancies resulting from removal of Directors by Members, vacancies in the Board of Directors occurring between annual meetings of Members shall be filled by the remaining Directors, provided that all vacancies in directorships to which Directors were appointed by the Declarant shall be filled by the Declarant without the necessity of any meeting.
- (b) Any Director elected by the Members other than the Declarant may be removed by concurrence of a majority of the votes of the Members at a special meeting of Members called for that purpose or by written agreement signed by a majority of the Owners of all Lots. The vacancy in the Board of Directors so created shall be filled by the Members at the same meeting, or by the Board of Directors, in the case of removal by a written agreement unless said agreement also designates a new Director to take the place of the one removed.
- (c) Anything to the contrary herein notwithstanding, until a majority of the Directors are elected by the Members other than the Declarant, neither the first Directors of the Association, nor any Directors replacing them, nor any Directors named by the Declarant, shall be subject to removal by Members other than the Declarant. The first Directors and Declarant-appointed Directors replacing them may be removed and replaced by the Declarant without the necessity of any meeting.
- (d) If a vacancy on the Board of Directors results in the inability to obtain a quorum of Directors in accordance with these By-Laws, any Member may apply to the Circuit Court for the jurisdiction in which The Properties exist for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the applying Member shall mail to the Association a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these By-Laws. If, during such time, the Association fails to fill the vacancy(ies), the Member may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board of Directors, and shall serve until the Association fills

the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these By-Laws.

- 4.3 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the next annual meeting of the Members and subsequently until his successor is duly elected and has taken office, or until he resigns or is removed in the manner elsewhere provided.
- 4.4 Organizational Meeting. The organizational meeting of newly-elected or appointed Directors shall be held within ten (10) days of their election or appointment at such place and time as shall be fixed by the Directors at the meeting at which they were elected or appointed, and no further notice to the Board of the organizational meeting shall be necessary.
- 4.5 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least two (2) days prior to the meeting.
- 4.6 Special Meetings. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of one-third (1/3) of the Directors. Notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than two (2) days prior to the meeting.
- 4.7 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting, at the beginning of the meeting, to the transaction of business because the meeting is not lawfully called.
- 4.8 Quorum. A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by

a greater number of Directors is specifically required by the Declaration, the Articles or these By-Laws.

- 4.9 Adjourned Meetings. If, at any proposed meeting of the Board of Directors, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.
- 4.10 Joinder in Meeting by Approval of Minutes. The joinder of a Director in the action of a meeting by signing and concurring in the minutes of that meeting shall constitute the approval of that Director of the business conducted at the meeting, but such joinder shall not allow the applicable Director to be counted as being present for purposes of quorum.
- 4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other person to preside).
- 4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:
- (a) Proof of due notice of meeting;
  - (b) Appointment of meeting chair (who need not be an officer, director or Member of the Association)
  - (c) Reading and disposal of any unapproved minutes;
  - (d) Reports of officers and committees;
  - (e) Election of officers;
  - (f) Unfinished business;
  - (g) New business;
  - (h) Adjournment.

Such order may be waived in whole or in part by direction of the presiding officer.

4.13 Minutes of Meetings. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Members, or their authorized representatives, and Board Members at any reasonable time.

4.14 Committees. The Board of Directors may, by resolution duly adopted, appoint or designate itself as the Architectural Control Committee or appoint one to consist of three (3) or more Members. Such Architectural Control Committee shall have and may exercise all of the powers as set forth in the Declaration.

The Architectural Control Committee and any other committee subject to the open meeting and other applicable provisions of the Act shall at all times comply with same.

The Board may by resolution also create other committees and appoint persons to such committees and invest in such committees such powers and responsibilities as the Board shall deem advisable.

4.15 All meetings of the Board of Directors shall be subject to the open meeting (subject to the exceptions set forth in the Act), notice, voting, agenda item, minutes and official records and other provisions of the Act applicable thereto.

5. Powers and Duties. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and may take all acts, through the proper officers of the Association, in executing such powers, except such acts which by law, the Declaration, the Articles or these By-Laws may not be delegated to the Board of Directors by the Members. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board of Directors.
- 6.6 Manager. Any of the foregoing functions of the Secretary or Treasurer may also be performed by a duly licensed manager engaged by the Association, provided that (i) the Secretary or Treasurer, as appropriate, shall oversee the performance of such functions, and (ii) no manager may execute any documents as, or in the name of, the Secretary or Treasurer.

8. Resignations. Any Director or officer may resign his post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The Board of Directors shall from time to time, and at least annually, prepare a budget for the Association (which shall detail all accounts and items of expense the Board finds to be appropriate), determine the amount of assessments payable by the Owners to meet the expenses of the Association and allocate and assess such expenses among the Owners in accordance with the provisions of the Declaration. In addition to annual operating expenses, the budget may include reserve accounts for capital expenditures and deferred maintenance.

9.2 Assessments. Assessments against Lots for their share of the items of the budget shall be made for the applicable fiscal year annually at least thirty (30) days preceding the year for which the assessments are made. Such assessments shall be due in equal installments, payable in advance on the first day of each month (or each quarter at the election of the Board) of the year for which the assessments are made. If annual assessments are not made as required, assessments shall be presumed to have been made in the amount of the last prior assessments, and monthly (or quarterly) installments on such assessments shall be due upon each installment payment date until changed by amended assessments. In the event the annual assessments prove to be insufficient, the budget and assessments may be amended at any time by the Board of Directors. Unpaid assessments for the remaining portion of the fiscal year for which amended assessments are made shall be payable in as many equal installments as there are full months (or quarters) of the fiscal year left as of the date of such amended assessments, each such monthly (or quarterly) installment to be paid on the first day of the month (or quarter), commencing the first day of the next ensuing month (or quarter). If only a partial month (or quarter) remains, the amended assessments shall be paid with the next regular installment in the following year, unless otherwise directed by the Board in its resolution.

9.3 Assessments for Emergencies or Special Expenses. Assessments for expenses for emergencies and other special expenses that cannot be paid from the annual assessments shall be levied in accordance with the Declaration and shall be due only after advance notice is given to the Members concerned as determined by the Board of Directors, and shall be paid in such manner as the Board of

The depository of the Association shall be such bank or banks in the State of Florida as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from assessments or otherwise may be commingled in a single fund or divided into more than one fund, as determined by a majority of the Board of Directors. In addition, a separate reserve account may be established for the Association in such a depository for monies specifically designated as reserves for capital expenditures and/or deferred maintenance.
- 9.5 Acceleration of Installments Upon Default. If a Member shall be in default in the payment of an installment of his assessments, the Board of Directors may accelerate the next twelve (12) months' of the assessments as provided in the Declaration.

The Association shall have the right to suspend the rights of use of Common Areas (except for legal access and utilities service) of defaulting Owners and their Member's Permittees.
