PROPOSAL

September 16, 2020

Mr. Terry Narrow
Village of Wellington
122345 Forest Hill Blvd
Wellington, FL 33414

Subject: Recondition HCS Trash Raker at Pump Station 7

Dear Mr. Narrow:

Hydro Component Systems is pleased to offer the following proposal to recondition the Trash Raker at Pump Station 7

		PRICE
1	Inspection of Raker: Freight to and from Watertown, WI (Non-Dedicated Truck) , inspect all components including the boom/rake head assembly, three motors and gearboxes, all electrical and control wiring, harnesses and connectors.	23800.00
2	Rebuild boom/rake head assembly to include all new rollers, sprockets, chain, springs and bearings.	9750.00
3	Straighten boom sections.	9270.00
4	Replace motors and gearboxes (Carriage, Winch, Boom Actuator)	16955.00
5	Replace and program present PLC with Allen Bradley compact logics PLC. Replace and program present VFDs with Allen Bradley VFDs. Replace all wiring, harnesses and connectors	26760.00
6	Clean all stainless steel surfaces and re-paint exterior coated surfaces	Included in #1
7	Test Raker prior to shipment on indoor test track and outdoor overhead test stand with the rated load on the rake head.	4635.00

Note: Customer responsible for removal of the raker from the intake and loading it onto our truck. On return unloading from our truck and reinstalling the raker on the intake.

TOTAL \$91,170.00
