ITEM: DISCUSSION OF EDUCATION COMMITTEE MEETING FREQUENCY

RECOMMENDATION: DISCUSSION OF EDUCATION COMMITTEE MEETING FREQUENCY

EXPLANATION: At a prior meeting, the Education Committee expressed a desire to discuss the current meeting schedule and review the frequency of meetings going forward. At this time, the Education Committee meets on a quarterly schedule beginning in March of each year, governed by Resolution R2010-46 which outlines the meeting schedules of all of Wellington's Boards and Committees. The Resolution also provides for additional meetings in the event they are directed by the Village Council to consider a particular issue or question within a specific time frame. Any change in meeting frequency would require Council approval by Resolution.

Resolution R2010-46 which sets forth Wellington's Board and Committees meeting dates and schedules is attached for reference.
