EXPLANATION: The Public Works Department currently contracts with Clarke Aquatic Services, Inc., to provide aquatic weed control for canals and lakes throughout the Village of Wellington. The contract is effective through March 11, 2018.

On December 17, 2017, Wellington released ITB #023-17/DZ on Demandstar, seeking qualified firms to provide such services. The solicitation was also advertised in the Palm Beach Post and posted on Wellington's website. On January 24, 2018, four (4) proposals were received.
