ITEM: RECOGNITION OF NATIONAL CUSTOMER SERVICE WEEK

REQUEST: Recognition of National Customer Service Week and the Village's Customer Service Staff.

EXPLANATION: National Customer Service Week was established by the International Customer Service Association (ICSA) in 1984 and proclaimed a national event by the U.S. Congress in 1992. National Customer Service Week is celebrated annually during the first full week of October and recognizes the important job our customer service employees perform on the front line, 52 weeks a year. The Village understands how our Customer Service Representatives are critical to the resident experience that makes the Village of Wellington a "Great Hometown".

Please join us in recognizing our Customer Service staff!
