EXPLANATION: The Planning and Zoning Department has been undergoing a complete re-write of the Land Development Regulations. On September 26, 2017, Council adopted Ordinance 2017-11 to repeal and replace Article 5. Resolution R2017-40 was also adopted approving the Development Review Manual. At this time, staff is seeking approval to revise Article 5 and the DRM to accommodate further changes and make minor corrections to the LDR and manual. The significant

change to the manual is the addition of landscape guidelines, signage graphics and lighting resources.

SUMMARY: Staff recommends approval of Ordinance No. 2019-04 to modify Article 5 in its entirety of the Land Development Regulations.
