PUBLIC HEARING: YES

QUASI-JUDICIAL: NO

EXPLANATION: A voluntary Annexation (ANX) to amend Wellington's municipal boundary to include the subject 20-acre school property.

SUMMARY: The applicant is seeking the annexation to bring the property occupied by the existing Panther Run Elementary School into the incorporated boundaries of Wellington. The request complies with all of the relevant requirements of Wellington and requirements set forth in Chapter 171.011- 171.094 of Florida Statutes. Both Wellington and the Palm Beach County School Board have traditionally considered Panther Run to be a Wellington school. The majority of the school's attendance boundary is already within the municipal boundary and approximately 80% of the students attending the school are Wellington residents. The Wellington Council has annual grant programs to provide funding to its local schools and Panther Run has always received part of that funding. The subject property is included within the Reserve Annexation Area identified in the Land Use and Community Design Element of the Comprehensive Plan.

The applicant is also seeking a supportive Future Land Use Map amendment for the Comprehensive Plan and a rezoning.
