The request is to amend the Future Land Use Map designation of Winding Trails from Commercial Recreation to Residential B (.1 du/ac - du/ac) and extend the boundaries of the Equestrian Preserve Area to encompass Winding Trails. The amendment will also add the public bridle trails within Winding Trails to the Equestrian Trails Master Plan and the Equestrian Circulation Plan within the Equestrian Preservation Element.

All subsequent applications for Zoning Text Amendment, Rezoning and Master Plan Amendment for the Winding Trails project are dependent on the approval of the Comprehensive Plan Amendment. If the Comprehensive Plan Amendment is denied, all other petitions cannot move forward.
