ITEM: A PROCLAMATION OF THE VILLAGE COUNCIL OF WELLINGTON, FLORIDA PROCLAIMING APRIL 2018 AS “WATER CONSERVATION MONTH” IN THE VILLAGE OF WELLINGTON

REQUEST: Presentation of Proclamation to the Village of Wellington Utility Department.

EXPLANATION: Water conservation encompasses the policies, strategies and activities developed to manage fresh water as a sustainable resource, to protect the water environment and to meet current and future human demands. This year marks the 20-year anniversary since April was first established as “Water Conservation Month.” Each year the Village of Wellington joins the State of Florida, the South Florida Water Management District and the American Water Works Association in encouraging and promoting water conservation to support this endeavor. The Utility Department has made great strides toward improving water treatment efficiencies through conservation programs and enhanced water use monitoring.
